Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I am flattered my former supervisor, current commissioner Ginny Feth-Michel, thought of me as her successor and recommended me to Board Supervisor, Dan Gjerde. I look forward to being to further service to our community. I believe I am very well suited to be a Civil Service Commissioner for Mendocino County. For example, I have over 20 years of experience in Human Resources. Most notably, I currently oversee the human resources function for the City of Fort Bragg for the past eight and half years. My previous human resources were in a variety of private industries, including telecommunications, healthcare, and utilities. I have experience in virtually all aspects of human resources management. I have excellent academic credentials as well as numerous human resources certifications. See my resume for further details. I have served on several boards, such as for the International Human Resources Information Management (IHRIM) Kansas City Chapter as well as have served briefly for a homes association while I resided in the Kansas City area.
