## Interests & Experiences

### Special Expertise, Experience, or Interest in This Area?

---

While my background and work experience have been primarily focused in the technology industry, for the last decade I've dedicated my career to serving in the education and non-profit sectors. I'm actively involved in our community and have a strong interest in local health and human services and supporting the folks who need our help the most. I would be honored to represent the 2nd District on the HHSA board. Thank you for your consideration.
