If there is not a comparable classification in one of those three Counties, the County and the Department Head Association agree to use Tehama County for substitution for Humboldt County, Butte County for substitution for Lake County, and Napa County for substitution for Sonoma County.

Department Head Association, the Executive Office and Human Resources are to work together to develop a program for performance-based merit increases, beyond Step 5 of the established salary range, applicable to Department Heads in the Department Head Association currently at Step 5 of the County's Wage Chart. The focus will be on measurable outcomes based on goals from the Mendocino County Strategic Plan or other outputs that align with organizational goals. These metrics will be clearly defined and linked to performance expectations. This program is expected to be developed and presented to the Board of Supervisors by September 30, 2024.

ARTICLE 3 - EXPENSES, MATERIALS AND REIMBURSEMENTS

3.1 **Education, Training and Health Stipend**

Each employee represented by this bargaining unit shall be provided \$1500.00 per fiscal year (July to June) in the form of a taxable Education, Training and Health Stipend for expenses associated with the following: education, training, travel, computer equipment, software and other supplies and equipment; health club dues and fees and equipment intended to maintain good health and fitness. This Education, Training and Health Stipend replaces the Education, Training and Health Flex Benefit Program also known as the Management Training Benefit.

The stipend shall be divided equally into four quarterly payments and shall be automatically included in the last paycheck issued in September, December, March, and June, as long as the employee remains an employee of the bargaining unit at the time of the quarterly payment.

This stipend (and payout of prior allowance) will be taxable per IRS regulations and no receipts or claim forms are required.

The goals of this Program are the increased professional and personal competence, education, training, skills, health, benefit and well-being of employees. Programs, courses, education, training, and services or materials that contribute to or advance these goals are appropriate expenditures. These monies are not to be taken from the particular departmental funds.

An employee shall not be required to purchase necessary workplace equipment using these funds.

The County shall not be responsible for maintaining any items purchased with these funds.

3.2 Automobile Allowance

3.2.1 Eligible Executive Employees and Officials

The County executive employees and officials set forth in Appendix A are eligible for the Automobile Allowance created in this Agreement.

3.2.2 Conditions of Electing to Receive the Automobile Allowance:

- C. Electing this option does not effect the employee's or official's ability to use County trucks, vans, 4x4's or other utility vehicles for appropriate utilitarian, emergency, or extraordinary use. The intent of this section is to prevent the abusive use of this benefit by electing to receive an automobile allowance yet continuing to use County vehicles on a daily, frequent or constant basis.

will receive the allowance as a normal taxable benefit, if the employee will not be submitting quarterly travel records.
