### DEFINITION OF SERVICES

This is a fee-for-service contract with no minimum beds reserved. All services provided will be in accordance with the following description of services. All referrals will come from or be approved by the Mendocino County Behavioral Health and Recovery Services (BHRS) Director or designee.

ITP shall take place at CONTRACTOR's facilities and shall be for the care of seriously mentally ill clients who may have a concurrent medical problem(s) because of the severity of their mental illness. Such clients require additional services and, at times, more intense supervision and specialized treatment plans. CONTRACTOR's ITP or MHRC services provide an alternative to, and diversion from, State hospital placement for those clients. The ITP/MHRC program services shall include, but not be limited to the following:

#### Adult Residential Treatment:

CONTRACTOR shall operate an intensive psychosocial rehabilitation treatment program while operating as an MHRC. The Adult Residential Treatment program is a highly specialized program with emphasis on:

- d) Intensive intervention in behavioral problems

Clients appropriate for the Adult Residential Treatment/MHRC program are those who present with complicating or limiting medical conditions in addition to their mental illness. ## EXHIBIT A – Page 2

### 2) General Staffing:

- a) With the initial and continuing approval of COUNTY, CONTRACTOR shall assign to its ITP/MHRC program appropriately trained and experienced staff who shall work exclusively for the ITP/MHRC program, and who will act as CONTRACTOR's Treatment Team. CONTRACTOR's personnel records shall document the skills and experience of each staff member it assigns to the ITP/MHRC program and shall identify ITP/MHRC staff in the facility's organizational chart.
- b) CONTRACTOR subcontracts with a psychiatrist (Medical Director) to provide Oversight Psychiatric Services as part of the fee set forth in the payment provisions of this Agreement. Said Oversight Psychiatric Services shall be used for activities which are not eligible for payment under the Medi-Cal program. In addition, CONTRACTOR shall arrange for non-contracted physicians to provide psychiatric and medical services on a Medi-Cal or Medi-Care fee-for-service basis, payable by the Medi-Cal or Medi-Care program and at no cost to the COUNTY under this Agreement.
- c) CONTRACTOR shall provide new ITP/MHRC staff with at least twenty (20) hours of orientation and training, and shall provide all ITP/MHRC staff with ongoing training at the minimum rate of one (1) hour per week, prorated for part-time staff. - e) Providing an Adult Residential Treatment program for COUNTY clients who have medical and/or psychiatric complicating conditions with individualized programs that stabilize or improve their level of adaptive functioning.

## EXHIBIT A – Page 3

### 4) Performance Objectives:

Treatment is intended to prevent returns to any acute services. This goal attempts to minimize client returns to acute care by working with the referring COUNTY to individualize any care plans that may help to maintain the client at the current level of care until the client is ready for discharge. ### 5) Bilingual/Bicultural Programming:

CONTRACTOR shall be responsible for using applicable staff resources to provide Bilingual/Bicultural programming. CONTRACTOR shall be responsible for providing services to non-English speaking clients in their own language. The CONTRACTOR shall be responsible for providing services that incorporate the cultural background of the client. This requirement takes into consideration the language, family structure, religion, and belief system of the client.

### 6) Discharge Criteria and Planning:

- a) Discharge planning shall be initiated at the time of admission and continues throughout the client's stay. The treatment team, under the coordination of the facility Program Director, assists in establishing an effective support network and outpatient services as available. The facility Program Director coordinates work with the physician, responsible party, COUNTY liaison designee, and other appropriate social service agencies in planning and effecting routine or planned transfer or discharge.
  - i) Discharge plans and goals shall be documented in the client's record at admission and updated at least quarterly.
  - ii) Discharge summaries shall routinely be provided by the CONTRACTOR to the COUNTY liaison designee within thirty (30) days.

## EXHIBIT A – Page 4

- iii) Nursing notes shall provide the documentation supporting the rationale for discharge and details of the disposition. A completed transfer form shall accompany the client to the receiving facility.
- c) Upon discharge or death of the client, the facility shall make refunds as follows:

  - ii) Any entrusted funds held in an account for the client will be sent to the client within three normal banking days.
- d) Any money or valuables entrusted by the client to the care of the facility shall be stored in the facility and returned to the client upon demand and in exchange for a signed receipt.

### 7) Evaluation and Reporting Requirements:

COUNTY and CONTRACTOR recognize that there is a need to implement an appropriate reporting system in order to evaluate and monitor contract activities. CONTRACTOR will discuss requirements with the COUNTY and will meet any requirements that are agreed upon, if there are any. The CONTRACTOR shall be responsible for making sure that the COUNTY receives accurate and timely information. The COUNTY, during the term of this Agreement and with input from the CONTRACTOR, may develop reporting instruments to facilitate evaluation and monitoring. Upon implementation of these reporting instruments, the CONTRACTOR shall comply with the established requirements.

### 8) Patient Record Requirements:

- a) CONTRACTOR shall: maintain client records in a safe place in locked files; retain, dispose, and transfer records according to applicable County, State, and Federal laws and regulations; and maintain confidentiality of records. The records shall be in sufficient detail to make an evaluation of the services provided.
- b) CONTRACTOR shall permit authorized personnel designated by the Mendocino County BHRS Director to make periodic inspections and will furnish those designated personnel such information and client records as they may require in order to monitor, review, and evaluate fiscal and clinical effectiveness, appropriateness, and timeliness of services being rendered under this Agreement.

**THIS HIPAA BUSINESS ASSOCIATE AGREEMENT** (the "Agreement") is entered into effective July 1, 2017 (the "Effective Date"), by and between **Canyon Manor** ("Business Associate") and **Mendocino County Behavioral Health & Recovery Services** (the "Covered Entity").

Business Associate and Covered Entity have a business relationship (the "Relationship" or the "Agreement") in which Business Associate may perform functions or activities on behalf of Covered Entity involving the use and/or disclosure of protected health information received from, or created or received by, Business Associate on behalf of Covered Entity. ("PHI"). Therefore, if Business Associate is functioning as a business associate to Covered Entity, Business Associate agrees to the following terms and conditions set forth in this HIPAA Business Associate Agreement.

1. **Definitions.** For purposes of this Agreement, the terms used herein, unless otherwise defined, shall have the same meanings as used in the Health Insurance Portability and Accountability Act of 1996, and any amendments or implementing regulations ("HIPAA"), or the Health Information Technology for Economic and Clinical Health Act (Title XIII of the American Recovery and Reinvestment Act of 2009), and any amendments or implementing regulations ("HITECH").
2. **Compliance with Applicable Law.** The parties acknowledge and agree that, beginning with the relevant effective dates, Business Associate shall comply with its obligations under this Agreement and with all obligations of a business associate under HIPAA, HITECH and other related laws, as they exist at the time this Agreement is executed and as they are amended, for so long as this Agreement is in place.
3. **Permissible Use and Disclosure of Protected Health Information.** Business Associate may use and disclose PHI to carry out its duties to Covered Entity pursuant to the terms of the Relationship. Business Associate may also use and disclose PHI (i) for its own proper management and administration, and (ii) to carry out its legal responsibilities. If Business Associate discloses Protected Health Information to a third party for either above reason, prior to making any such disclosure, Business Associate must obtain: (i) reasonable assurances from the receiving party that such PHI will be held confidential and be disclosed only as required by law or for the purposes for which it was disclosed to such receiving party; and (ii) an agreement from such receiving party to immediately notify Business Associate of any known breaches of the confidentiality of the PHI.
4. **Limitations on Uses and Disclosures of PHI.** Business Associate shall not, and shall ensure that its directors, officers, employees, and agents do not, use or disclose PHI in any manner that is not permitted or required by the Relationship,

this Agreement, or required by law. All uses and disclosures of, and requests by Business Associate, for PHI are subject to the minimum necessary rule of the Privacy Standards and shall be limited to the information contained in a limited data set, to the extent practical, unless additional information is needed to accomplish the intended purpose, or as otherwise permitted in accordance with Section 13405(b) of HITECH and any implementing regulations.

5. **Required Safeguards To Protect PHI.** Business Associate agrees that it will implement appropriate safeguards in accordance with the Privacy Standards to prevent the use or disclosure of PHI other than pursuant to the terms and conditions of this Agreement.
6. **Reporting of Improper Use and Disclosures of PHI.** Business Associate shall report within 24 business hours to Covered Entity a use or disclosure of PHI not provided for in this Agreement by Business Associate, its officers, directors, employees, or agents, or by a third party to whom Business Associate disclosed PHI. Business Associate shall also report within 24 business hours to Covered Entity a breach of unsecured PHI, in accordance with 45 C.F.R. §§ 164.400-414, and any security incident of which it becomes aware. Report should be made to:

Compliance Officer  
Mendocino County Behavioral Health  
1-866-791-9337

7. **Mitigation of Harmful Effects.** Business Associate agrees to mitigate, to the extent practicable, any harmful effect of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement, including, but not limited to, compliance with any state law or contractual data breach requirements. Business Associate shall cooperate with Covered Entity's breach notification and mitigation activities, and shall be responsible for all costs incurred by Covered Entity for those activities.
8. **Agreements by Third Parties.** Business Associate shall enter into an agreement with any agent or subcontractor of Business Associate that will have access to PHI. Pursuant to such agreement, the agent or subcontractor shall agree to be bound by the same restrictions, terms, and conditions that apply to Business Associate under this Agreement with respect to such PHI.
9. **Access to Information.** Within five (5) days of a request by Covered Entity for access to PHI about an individual contained in a Designated Record Set, Business Associate shall make available to Covered Entity such PHI for so long as such information is maintained by Business Associate in the Designated Record Set, as required by 45 C.F.R. § 164.524. In the event any individual delivers directly to Business Associate a request for access to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.
10. **Availability of PHI for Amendment.** Within five (5) days of receipt of a request from Covered Entity for the amendment of an individual's PHI or a record

regarding an individual contained in a Designated Record Set (for so long as the PHI is maintained in the Designated Record Set), Business Associate shall provide such information to Covered Entity for amendment and incorporate any such amendments in the PHI as required by 45 C.F.R. § 164.526. In the event any individual delivers directly to Business Associate a request for amendment to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.

11. **Documentation of Disclosures.** Business Associate agrees to document disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528.
12. **Accounting of Disclosures.** Within five (5) days of notice by Covered Entity to Business Associate that it has received a request for an accounting of disclosures of PHI regarding an individual during the six (6) years prior to the date on which the accounting was requested, Business Associate shall make available to Covered Entity information to permit Covered Entity to respond to the request for an accounting of disclosures of PHI, as required by 45 C.F.R. § 164.528. In the case of an electronic health record maintained or hosted by Business Associate on behalf of Covered Entity, the accounting period shall be three (3) years and the accounting shall include disclosures for treatment, payment and healthcare operations, in accordance with the applicable effective date of Section 13402(a) of HITECH. In the event the request for an accounting is delivered directly to Business Associate, Business Associate shall within two (2) days forward such request to Covered Entity.
13. **Electronic PHI.** To the extent that Business Associate creates, receives, maintains or transmits electronic PHI on behalf of Covered Entity, Business Associate shall:
  - (a) Comply with 45 C.F.R. §§164.308, 301, 312, and 316 in the same manner as such sections apply to Covered Entity, pursuant to Section 13401(a) of HITECH, and otherwise implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of electronic PHI;
  - (b) Ensure that any agent to whom Business Associate provides electronic PHI agrees to implement reasonable and appropriate safeguards to protect it; and
  - (c) Report to Covered Entity any security incident of which Business Associate becomes aware.
14. **Judicial and Administrative Proceedings.** In the event Business Associate receives a subpoena, court or administrative order or other discovery request or mandate for release of PHI, Covered Entity shall have the right to control Business Associate's response to such request. Business Associate shall notify

Covered Entity of the request as soon as reasonably practicable, but in any event within two (2) days of receipt of such request.

15. **Availability of Books and Records.** Business Associate shall make its internal practices, books, and records relating to the use and disclosure and privacy protection of PHI received from Covered Entity, or created, maintained or received by Business Associate on behalf of the Covered Entity, available to the Covered Entity, the State of California, and the Secretary of the Department of Health and Human Services, in the time and manner designated by the Covered Entity, State or Secretary, for purposes of determining Covered Entity's compliance with the Privacy Standards. Business Associate shall notify the Covered Entity upon receipt of such a request for access by the State or Secretary, and shall provide the Covered Entity with a copy of the request as well as a copy of all materials disclosed.
16. **Breach of Contract by Business Associate.** In addition to any other rights Covered Entity may have in the Relationship, this Agreement or by operation of law or in equity, Covered Entity may i) immediately terminate the Relationship if Covered Entity determines that Business Associate has violated a material term of this Agreement, or ii) at Covered Entity's option, permit Business Associate to cure or end any such violation within the time specified by Covered Entity. Covered Entity's option to have cured a breach of this Agreement shall not be construed as a waiver of any other rights Covered Entity has in the Relationship, this Agreement or by operation of law or in equity.
17. **Effect of Termination of Relationship.** Upon the termination of the Relationship or this Agreement for any reason, Business Associate shall return to Covered Entity or, at Covered Entity's direction, destroy all PHI received from Covered Entity that Business Associate maintains in any form, recorded on any medium, or stored in any storage system, unless said information has been de-identified and is no longer PHI. This provision shall apply to PHI that is in the possession of Business Associates or agents of Business Associate. Business Associate shall retain no copies of the PHI. Business Associate shall remain bound by the provisions of this Agreement, even after termination of the Relationship or the Agreement, until such time as all PHI has been returned, de-identified or otherwise destroyed as provided in this Section.
18. **Injunctive Relief.** Business Associate stipulates that its unauthorized use or disclosure of PHI while performing services pursuant to this Agreement would cause irreparable harm to Covered Entity, and in such event, Covered Entity shall be entitled to institute proceedings in any court of competent jurisdiction to obtain damages and injunctive relief.
19. **Indemnification.** Business Associate shall indemnify and hold harmless Covered Entity and its officers, trustees, employees, and agents from any and all claims, penalties, fines, costs, liabilities or damages, including but not limited to reasonable attorney fees, incurred by Covered Entity arising from a violation by Business Associate of its obligations under this Agreement.

20. **Exclusion from Limitation of Liability.** To the extent that Business Associate has limited its liability under the terms of the Relationship, whether with a maximum recovery for direct damages or a disclaimer against any consequential, indirect or punitive damages, or other such limitations, all limitations shall exclude any damages to Covered Entity arising from Business Associate's breach of its obligations relating to the use and disclosure of PHI.
21. **Owner of PHI.** Under no circumstances shall Business Associate be deemed in any respect to be the owner of any PHI used or disclosed by or to Business Associate by Covered Entity.
22. **Third Party Rights.** The terms of this Agreement do not grant any rights to any parties other than Business Associate and Covered Entity.
23. **Independent Contractor Status.** For the purposed of this Agreement, Business Associate is an independent contractor of Covered Entity, and shall not be considered an agent of Covered Entity.
24. **Changes in the Law.** The parties shall amend this Agreement to conform to any new or revised legislation, rules and regulations to which Covered Entity is subject now or in the future including, without limitation, HIPAA, HITECH, the Privacy Standards, Security Standards or Transactions Standards.

IN WITNESS WHEREOF, each Party hereby executes this Agreement as of the Effective Date.
