Department Info	Exhibit C		*** This section should be completed by departments first ***
			Information regarding employee positions/titles, weighted rates, and departmental budget is entered on this sheet
		Figure A	
			Departments will enter the Position Title for all employees involved in the fees to be calculated. This may be all employees in your department. Add lines as needed to capture all positions involved with fees
			Using either the top-end or an average of top and bottom pay for the positions involved this section will calculated employee weighted rates for the services required
		Figure B	Departments will enter their Budget Information with regards to their 1000 and 2000 series expenses. These figures should reflect the department's FY20-21 Adopted budget. The County Adopted Budget book can be found here: https://www.mendocinocounty.org/home/showpublisheddocument?id=39202
Fee Calculation	Exhibit B		
		Fee Data	Input Fee Title and a short desciption of the service being provided
		Employees Involved	If needed, Link cells in column D and F to the employees involved with that fee from Exhibit C. This should only be required for departments with a large number of employees. Please contact the EO Budget office for assistance with this field if you're unsure how to proceed.
		Time Studies	Input the amount of time each employee spends performing their portion of the service provided under the fee. This may require a time study if the department does not have a historical average for their services
		# of Unit per Year	Input either the historical average or projected # of times this fee is collected within a fiscal year
Fee Change Detail	Exhibit A		
		Fee Change Detail	Input the current fee value and this section will compare the prior fee with the new fee value. Departments may also enter additional justification or explaination for the fee adjustment.
		Employee Service Detail Review & Approval	A short narrative on the services each employee provides for each fee under consideration for change.
