GENERAL TERMS AND CONDITIONS

1. **INDEPENDENT CONTRACTOR:** No relationship of employer and employee is created by this Agreement; it being understood and agreed that CONTRACTOR is an Independent Contractor. CONTRACTOR is not the agent or employee of the COUNTY in any capacity whatsoever, and COUNTY shall not be liable for any acts or omissions by CONTRACTOR nor for any obligations or liabilities incurred by CONTRACTOR.

CONTRACTOR shall have no claim under this Agreement or otherwise, for seniority, vacation time, vacation pay, sick leave, personal time off, overtime, health insurance medical care, hospital care, retirement benefits, social security, disability, Workers' Compensation, or unemployment insurance benefits, civil service protection, or employee benefits of any kind.

CONTRACTOR shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to its officers, agents or employees and agrees to indemnify and hold COUNTY harmless from any and all liability which COUNTY may incur because of CONTRACTOR's failure to pay such amounts.

In carrying out the work contemplated herein, CONTRACTOR shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees will be considered as Independent Contractors and shall not be treated or considered in any way as officers, agents and/or employees of COUNTY.

CONTRACTOR does, by this Agreement, agree to perform his/her said work and functions at all times in strict accordance with all applicable federal, state and COUNTY laws, including but not limited to prevailing wage laws, ordinances, regulations, titles, departmental procedures and currently approved methods and practices in his/her field and that the sole interest of COUNTY is to ensure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the COUNTY agency concerned.

Notwithstanding the foregoing, if the COUNTY determines that pursuant to state and federal law CONTRACTOR is an employee for purposes of income tax withholding, COUNTY may upon two (2) week's written notice to CONTRACTOR, withhold from payments to CONTRACTOR hereunder federal and state income taxes and pay said sums to the federal and state governments.

2. **INDEMNIFICATION:** To the furthest extent permitted by law (including without limitation California Civil Code sections 2782 and 2782.8, if applicable), CONTRACTOR shall assume the defense of, indemnify, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, demands, damages, costs, liabilities, and losses whatsoever alleged to be occurring or resulting in connection with the CONTRACTOR's performance or its obligations under this Agreement, unless arising out of the sole negligence or willful misconduct of COUNTY. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.
3. **INSURANCE AND BOND:** CONTRACTOR shall at all times during the term of the Agreement with the COUNTY maintain in force those insurance policies and bonds as designated in the attached Exhibit C, and will comply with all those requirements as stated therein.
4. **WORKERS' COMPENSATION:** CONTRACTOR shall provide Workers' Compensation insurance, as applicable, at CONTRACTOR's own cost and expense and further, neither the CONTRACTOR nor its carrier shall be entitled to recover from COUNTY any costs, settlements, or expenses of Workers' Compensation claims arising out of this Agreement.

CONTRACTOR affirms that s/he is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for the Workers' Compensation or to undertake self-insurance in accordance with the provisions of the Code and CONTRACTOR further assures that s/he will comply with such provisions before commencing the performance of work under this Agreement. CONTRACTOR shall furnish to COUNTY certificate(s) of insurance evidencing Worker's Compensation Insurance coverage to cover its employees, and CONTRACTOR shall require all subcontractors similarly to provide Workers' Compensation Insurance as required by the Labor Code of the State of California for all of subcontractors' employees.

5. **CONFORMITY WITH LAW AND SAFETY:**
 - a. In performing services under this Agreement, CONTRACTOR shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal, and local governing bodies, having jurisdiction over the scope of services, including all applicable provisions of the California Occupational Safety and Health Act. CONTRACTOR shall indemnify and hold COUNTY harmless from any and all liability, fines, penalties and consequences from any of CONTRACTOR's failures to comply with such laws, ordinances, codes and regulations.

- b. Accidents: If a death, serious personal injury or substantial property damage occurs in connection with CONTRACTOR's performance of this Agreement, CONTRACTOR shall immediately notify Mendocino County Risk Manager's Office by telephone. 6. PAYMENT: For services performed in accordance with this Agreement, payment shall be made to CONTRACTOR as provided in Exhibit B hereto as funding permits.

If COUNTY over pays CONTRACTOR for any reason, CONTRACTOR agrees to return the amount of such overpayment to COUNTY, or at COUNTY's option, permit COUNTY to offset the amount of such overpayment against future payments owed to CONTRACTOR under this Agreement or any other Agreement.

In the event CONTRACTOR claims or receives payment from COUNTY for a service, reimbursement for which is later disallowed by COUNTY, State of California or the United States Government, the CONTRACTOR shall promptly refund the disallowance amount to COUNTY upon request, or at its option COUNTY may offset the amount disallowed from any payment due or that becomes due to CONTRACTOR under this Agreement or any other Agreement.

All invoices, receipts, or other requests for payment under this contract must be submitted by CONTRACTOR to COUNTY in a timely manner and consistent with the terms specified in Exhibit B. CONTRACTOR shall be permitted to retain copies, including reproducible copies and computerized copies, of said Documents and Materials. CONTRACTOR agrees to take such further steps as may be reasonably requested by COUNTY to implement the aforesaid assignment. If for any reason said assignment is not effective, CONTRACTOR hereby grants the COUNTY and any assignee of the COUNTY an express royalty – free license to retain and use said Documents and Materials. 19. **TIME OF ESSENCE:** Time is of the essence in respect to all provisions of this Agreement that specify a time for performance; provided, however, that the foregoing shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Agreement.
20. **TERMINATION:** Either party may terminate this Agreement without cause upon thirty (30) days' written notice to the other party. COUNTY's clients must be discharged from CONTRACTOR's facility to complete termination or suspension of or to abandon this Agreement. Such notice shall be in writing and may be issued by any COUNTY officer authorized to execute or amend the contract, the County Chief Executive Officer, or any other person designated by the County Board of Supervisors. Upon termination, COUNTY shall remit payment for all products and services delivered to COUNTY and all expenses incurred by CONTRACTOR prior to CONTRACTOR's receipt of the termination notice.

24. WAIVER: No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement shall be effective unless it is in writing and signed by the party waiving the breach, failure, right or remedy. No waiver of any breach, failure, right or remedy shall be deemed a waiver of any other breach, failure, right or remedy, whether or not similar, nor shall any waiver constitute a continuing waiver unless the writing so specifies.
25. ADVERTISING OR PUBLICITY: CONTRACTOR shall not use the name of COUNTY, its officers, directors, employees or agents, in advertising or publicity releases or otherwise without securing the prior written consent of COUNTY in each instance.
26. ENTIRE AGREEMENT: This Agreement, including all attachments, exhibits, and any other documents specifically incorporated into this Agreement, shall constitute the entire Agreement between COUNTY and CONTRACTOR relating to the subject matter of this Agreement. As used herein, Agreement refers to and includes any documents incorporated herein by reference and any exhibits or attachments. This Agreement supersedes and merges all previous understandings, and all other Agreements, written or oral, between the parties and sets forth the entire understanding of the parties regarding the subject matter thereof. This Agreement may not be modified except by a written document signed by both parties. In the event of a conflict between the body of this Agreement and any of the Exhibits, the provisions in the body of this Agreement shall control.
27. HEADINGS: Herein are for convenience of reference only and shall in no way affect interpretation of this Agreement.
28. MODIFICATION OF AGREEMENT: This Agreement may be supplemented, amended or modified only by the mutual Agreement of the parties. No supplement, amendment or modification of this Agreement shall be binding unless it is in writing and signed by authorized representatives of both parties.
29. ASSURANCE OF PERFORMANCE: If at any time the COUNTY has good objective cause to believe CONTRACTOR may not be adequately performing its obligations under this Agreement or that CONTRACTOR may fail to complete the Services as required by this Agreement, COUNTY may request from CONTRACTOR prompt written assurances of performance and a written plan

acceptable to COUNTY, to correct the observed deficiencies in CONTRACTOR's performance. CONTRACTOR shall provide such written assurances and written plan within thirty (30) calendar days of its receipt of COUNTY's request and shall thereafter diligently commence and fully perform such written plan.

CONTRACTOR acknowledges and agrees that any failure to provide such written assurances and written plan within the required time is a material breach under this Agreement.

30. **SUBCONTRACTING/ASSIGNMENT:** CONTRACTOR shall not subcontract, assign or delegate any portion of this Agreement or any duties or obligations hereunder without the COUNTY's prior written approval.
 - a. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. Any Agreement that violates this Section shall confer no rights on any party and shall be null and void.
 - b. Only the department head or his or her designee shall have the authority to approve subcontractor(s).
 - c. CONTRACTOR shall remain fully responsible for compliance by its subcontractors with all the terms of this Agreement, regardless of the terms of any Agreement between CONTRACTOR and its subcontractors.
31. **SURVIVAL:** The obligations of this Agreement, which by their nature would continue beyond the termination on expiration of the Agreement, including without limitation, the obligations regarding Indemnification (Paragraph 2), Ownership of Documents (Paragraph 8), and Conflict of Interest (Paragraph 9), shall survive termination or expiration for two (2) years. The obligations regarding payment for services per Exhibit B shall survive termination or expiration for ten (10) years, or in the event that CONTRACTOR has been notified that an audit or investigation of this contract has been commenced, until such time as the matter under audit or investigation has been resolved.
32. **SEVERABILITY:** If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable, or invalid in whole or in part for any reason, the validity and enforceability of the remaining provisions, or portions of them, will not be affected, unless an essential purpose of this Agreement would be defeated by the loss of the illegal, unenforceable, or invalid provision.
33. **INTELLECTUAL PROPERTY WARRANTY:** CONTRACTOR warrants and represents that it has secured all rights and licenses necessary for any and all materials, services, processes, software, or hardware ("CONTRACTOR PRODUCTS") to be provided by CONTRACTOR in the performance of this Agreement, including but not limited to any copyright, trademark, patent, trade secret, or right of publicity rights. CONTRACTOR hereby grants to COUNTY, or represents that it has secured from third parties, an irrevocable license (or

sublicense) to reproduce, distribute, perform, display, prepare derivative works, make, use, sell, import, use in commerce, or otherwise utilize CONTRACTOR PRODUCTS to the extent reasonably necessary to use the CONTRACTOR PRODUCTS in the manner contemplated by this Agreement.

CONTRACTOR further warrants and represents that it knows of no allegations, claims, or threatened claims that the CONTRACTOR PRODUCTS provided to COUNTY under this Agreement infringe any patent, copyright, trademark or other proprietary right. In the event that any third party asserts a claim of infringement against the COUNTY relating to a CONTRACTOR PRODUCT, CONTRACTOR shall indemnify and defend the COUNTY pursuant to Paragraph 2 of this Agreement.

In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for COUNTY the right to continue using the CONTRACTOR Products; or (2) replace or modify the CONTRACTOR Products so that that they become non-infringing, but equivalent in functionality and performance.

34. **ELECTRONIC COPIES:** The parties agree that an electronic copy, including facsimile copy, email, or scanned copy of the executed Agreement, shall be deemed, and shall have the same legal force and effect as, an original document.
35. **COOPERATION WITH COUNTY:** CONTRACTOR shall cooperate with COUNTY and COUNTY staff in the performance of all work hereunder.
36. **PERFORMANCE STANDARD:** CONTRACTOR shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in CONTRACTOR's profession. COUNTY has relied upon the professional ability and training of CONTRACTOR as a material inducement to enter into this Agreement. CONTRACTOR hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable Federal, State, and local laws, it being understood that acceptance of CONTRACTOR's work by COUNTY shall not operate as a waiver or release. If COUNTY determines that any of CONTRACTOR's work is not in accordance with such level of competency and standard of care, COUNTY, in its sole discretion, shall have the right to do any or all of the following: (a) require CONTRACTOR to meet with COUNTY to review the quality of the work and resolve matters of concern; (b) require CONTRACTOR to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of paragraph 19 (Termination) or (d) pursue any and all other remedies at law or in equity.
37. **ATTORNEYS' FEES:** In any action to enforce or interpret the terms of this Agreement, including but not limited to any action for declaratory relief, each

Addendum A

Medi-Cal Data Privacy and Security Agreement

The California Department of Health Care Services (DHCS) and the County of Mendocino Health and Human Services Agency (MC-HHSA) have entered into a Medi-Cal Data Privacy and Security Agreement in order to ensure the privacy and security of Medi-Cal Personally Identifiable Information (PII).

Medi-Cal PII is information directly obtained in the course of performing an administrative function on behalf of Medi-Cal, such as determining Medi-Cal eligibility or conducting IHSS operations, that can be used alone, or in conjunction with any other information, to identify a specific individual. PII includes any information that can be used to search for or identify individuals, or can be used to access their files, such as name, social security number, date of birth, driver's license number or identification number. PII may be electronic or paper.

AGREEMENTS

NOW THEREFORE, County and the Contractor mutually agree as follows:

I. Privacy and Confidentiality

- A. Contractors may use or disclose Medi-Cal PII only to perform functions, activities or services directly related to the administration of the Medi-Cal program in accordance with Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq, or as required by law.

Disclosures which are required by law, such as a court order, or which are made with the explicit written authorization of the Medi-Cal client, are allowable. Any other use or disclosure of Medi-Cal PII requires the express approval in writing of DHCS. Contractor shall not duplicate, disseminate or disclose Medi-Cal PII except as allowed in the Agreement.

- B. Access to Medi-Cal PII shall be restricted to only contractor personnel who need the Medi-Cal PII to perform their official duties in connection with the administration of the Medi-Cal program.
- C. Contractor and/or their personnel who access, disclose or use Medi-Cal PII in a manner or for a purpose not authorized by this Agreement may be subject to civil and criminal sanctions contained in applicable Federal and State statutes.

II. Employee Training and Discipline

Contractor agrees to advise its personnel who have access to Medi-Cal PII of the confidentiality of the information, the safeguards required to protect the information, and the civil and criminal sanctions for non-compliance contained in applicable Federal and State laws. Contractor shall:

Addendum A – Page 2

- A. Train and use reasonable measures to ensure compliance with the requirements of this Agreement by their personnel who assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII; and take corrective action against such personnel who intentionally violate any provisions of this Agreement, up to and including by termination of employment. New employees will receive privacy and security awareness training from Contractor within 30 days of employment and receive regular reminders throughout their employment. This information will be recorded in employee records with dates of each training/reminder. These records are to be retained and available for inspection for a period of three years after completion of the training/reminders.

III. Management Oversight and Monitoring

The Contractor agrees to establish and maintain ongoing management oversight and quality assurance for monitoring workforce compliance with the privacy and security safeguards in this Agreement when using or disclosing Medi-Cal PII and ensure that ongoing management oversight includes periodic self-assessments.

IV. Confidentiality Statement

Contractor agrees to ensure that all contractor personnel who assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII sign a confidentiality statement. The statement shall include at a minimum, General Use, Security and Privacy Safeguards, Unacceptable Use, and Enforcement Policies. The statement shall be signed by the Contractor and their personnel prior to access to Medi-Cal PII.

V. Physical Security

Contractor shall ensure that Medi-Cal PII is used and stored in an area that is physically safe from access by unauthorized persons during working hours and non-working hours. Contractor agrees to safeguard Medi-Cal PII from loss, theft or inadvertent disclosure and, therefore, agrees to:

- A. Secure all areas of Contractor facilities where personnel assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII. The Contractor shall ensure that these secure areas are only accessed by authorized individuals with properly coded key cards, authorized door keys or access authorization; and access to premises is by official identification.
- B. Ensure that there are security guards or a monitored alarm system with or without security cameras 24 hours a day, 7 days a week at Contractor facilities and leased facilities where a large volume of Medi-Cal PII is stored.
- C. Issue Contractor personnel who assist in the administration of the Medi-Cal program identification badges and require County Workers to wear the identification badges at facilities where Medi-Cal PII is stored or used.

Addendum A – Page 3

- D. Store paper records with Medi-Cal PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks or locked offices in facilities which are multi-use (meaning that there are personnel other than contractor personnel using common areas that are not securely segregated from each other.) The contractor shall have policies which indicate that Contractor and their personnel are not to leave records with Medi-Cal PII unattended at any time in vehicles or airplanes and not to check such records in baggage on commercial airlines.
- E. Use all reasonable measures to prevent non-authorized personnel and visitors from having access to, control of, or viewing Medi-Cal PII.

VI. Computer Security Safeguards

The Contractor agrees to comply with the general computer security safeguards, system security controls, and audit controls in this section. In order to comply with the following general computer security safeguards, the Contractor agrees to:

- A. Encrypt portable computer devices, such as laptops and notebook computers that process and/or store Medi-Cal PII, with a solution using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution. One source of recommended solutions is specified on the California Strategic Sourced Initiative (CSSI) located at the following link: www.pd.dgs.ca.gov/masters/EncryptionSoftware.html. The Contractor shall use an encryption solution that is full-disk unless otherwise approved by DHCS.
- B. Encrypt workstations where Medi-Cal PII is stored using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- C. Ensure that only the minimum necessary amount of Medi-Cal PII is downloaded to a laptop or hard drive when absolutely necessary for current business purposes.
- D. Encrypt all electronic files that contain Medi-Cal PII when the file is stored on any removable media type device (i.e. USB thumb drives, floppies, CD/DVD, etc.) using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- E. Ensure that all emails sent outside the Contractor's e-mail environment that include Medi-Cal PII are sent via an encrypted method using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- F. Ensure that all workstations, laptops and other systems that process and/or store Medi-Cal PII have a commercial third-party anti-virus software solution and are updated when a new anti-virus definition/software release is available.

Addendum A – Page 4

- G. Ensure that all workstations, laptops and other systems that process and/or store Medi-Cal PII have current security patches applied and up-to-date.
- H. Ensure that all Medi-Cal PII is wiped from systems when the data is no longer legally required. The Contractor shall ensure that the wipe method conforms to Department of Defense standards for data destruction.
- I. Ensure that any remote access to Medi-Cal PII is established over an encrypted session protocol using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI. The Contractor shall ensure that all remote access is limited to minimum necessary and least privilege principles.

VII. System Security Controls

In order to comply with the following system security controls, the Contractor agrees to:

- A. Ensure that all Contractor systems containing Medi-Cal PII provide an automatic timeout after no more than 20 minutes of inactivity.
- B. Ensure that all Contractor systems containing Medi-Cal PII display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only. User shall be directed to log off the system if they do not agree with these requirements.
- C. Ensure that all Contractor systems containing Medi-Cal PII log successes and failures of user authentication and authorizations granted. The system shall log all data changes and system accesses conducted by all users (including all levels of users, system administrators, developers, and auditors). The system shall have the capability to record data access for specified users when requested by authorized management personnel. A log of all system changes shall be maintained and be available for review by authorized management personnel.
- D. Ensure that all Contractor systems containing Medi-Cal PII use role based access controls for all user authentication, enforcing the principle of least privilege.
- E. Ensure that all Contractor data transmissions over networks outside of the Contractor's control are encrypted end-to-end using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI, when transmitting Medi-Cal PII. The Contractor shall encrypt Medi-Cal PII at the minimum of 128 bit AES or 3DES (Triple DES) if AES is unavailable.
- F. Ensure that all Contractor systems that are accessible via the Internet or store Medi-Cal PII actively use either a comprehensive third-party real-time host based intrusion detection and prevention program or be protected at the perimeter by a network based IDS/IPS solution.

VIII. Audit Controls

Contractor agrees to an annual system security review by the County to assure that systems processing and/or storing Medi-Cal PII are secure. This includes audits and keeping records for a period of at least three (3) years. A routine procedure for system review to catch unauthorized access to Medi-Cal PII shall be established by the Contractor.

IX. Paper Document Controls

In order to comply with the following paper document controls, the Contractor agrees to:

- A. Dispose of Medi-Cal PII in paper form through confidential means, such as crosscut shredding and pulverizing.
- B. Not remove Medi-Cal PII from the premises of the Contractor except for identified routine business purposes or with express written permission of DHCS.
- C. Not leave faxes containing Medi-Cal PII unattended and keep fax machines in secure areas. The Contractor shall ensure that faxes contain a confidentiality statement notifying persons receiving faxes in error to destroy them. Contractor personnel shall verify fax numbers with the intended recipient before sending.
- D. Use a secure, bonded courier with signature of receipt when sending large volumes of Medi-Cal PII. The Contractor shall ensure that disks and other transportable media sent through the mail are encrypted using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.

X. Notification and Investigation of Breaches

The Contractor agrees to notify John Martire, Chief Welfare Investigator, at 467-5856.

XI. Assessments and Reviews

In order to enforce this Agreement and ensure compliance with its provisions, the Contractor agrees to inspections of its facilities, systems, books and records, with reasonable notice from the County, in order to perform assessments and reviews.

XII. Assistance in Litigation or Administrative Proceedings

In the event of litigation or administrative proceedings involving DHCS based upon claimed violations, the Contractor shall make all reasonable effort to make itself and its personnel who assist in the administration of the Medi-Cal program and using or disclosing Medi-Cal PII available to DHCS at no cost to DHCS to testify as witnesses.

ONE ON ONE

In order to maintain some residents at this level of care one-on-one supervision is occasionally indicated. The purpose of this service is to maintain placement and reduce the probability of injury to self or others. In this facility, one-on-one supervision has to be medically indicated and approved by the staff psychiatrist. Unfortunately, such supervision cannot be provided at the basic admission rate for services. An agreement for reimbursement for one-on-one services must be established in order for this facility to be able to provide this service. CPT would explain the resident's current behavior and why one-on-one services would be indicated. One-on-one services will be provided until the need no longer exists.

INFORMED CONSENT

This document is to provide information to the resident regarding medications and treatment. The resident shall be advised of the expected benefits and potential side effects of any new or added or discontinued medication or treatment. These medications are intended to assist the resident in regaining thought processing abilities and lower acute anxiety and/or agitation. Some medications may require several doses to attain maximum benefits, other medications are immediately effective. Most often, side effects of psychotropic drugs fade during continued treatment. Side effects may or may not include; indigestion, nausea, vomiting, diarrhea, constipation, unsteadiness, dizziness, alteration in blood counts, liver function alteration or skin rash. Some medications affect body weight, can initiate tremors, headache, depression, unusual excitement, or irritability. Every effort is made to gain maximum benefit at the lowest dose possible while minimizing discomfort and side effects to improve the likelihood of long term compliance. All psychotropic, with the exception of Clozaril may cause tardive dyskinesia. As with all medications, there are numerous side effects other than those listed here. In specific cases the doctor will indicate the drug and side effects and counsel the resident and/or authorized legal representative directly.

In the event a change in medication or treatment is necessary an Informed Consent for Medication/Treatment form shall be processed, authorized and signed for each and every event as it occurs.

The undersigned hereby acknowledges and authorizes California Psychiatric Transitions Informed Consent procedures.

THE FOLLOWING INFORMATION IS COPIED WORD FOR WORD FROM THE HANDBOOK OF RIGHTS FOR INDIVIDUALS IN MENTAL HEALTH FACILITIES FROM CALIFORNIA OFFICE OF PATIENTS'S RIGHTS APRIL 2004 REVISION.

RIGHTS FOR INDIVIDUALS IN MENTAL HEALTH FACILITIES HANDBOOK

Admitted Under the Lanterman-Petris-Short Act

HOW TO REACH YOUR PATIENTS' RIGHTS ADVOCATE

If you have any questions or would like to make a complaint about a possible violation of your rights, please call the advocacy office listed on the back cover of this handbook.

Patients' rights law is composed of a complex and evolving system of statutes, regulations, and court decisions. This handbook should be considered a guide, but it may not accurately reflect all the rights available to persons at all times.

The person in charge of the facility in which you are receiving treatment is responsible for ensuring that all your rights in this handbook are protected. You should be informed of your rights in a language and a manner that you can understand.

- On admission to the facility
- When there is a change in your legal status
- When you are transferred to another unit or facility
- At least once a year

If you believe that your rights may have been denied or violated, please contact your patients' rights advocate, even if your situation is not specifically covered in this handbook.

INTRODUCTION

If you are receiving, either voluntarily or involuntarily, mental health services in one of the facilities listed below, you have the rights outlined in this handbook.

Your rights may vary depending on your legal status or the type of facility you reside in. *Your rights may **not** be waived by your parent, guardian, or conservator.*

State Hospital

Acute Psychiatric Hospital

Psychiatric Unit of General Acute Care Hospital

Skilled Nursing Facility/IMD

Licensed Group Home

Adult Residential Facility

Licensed Family Home

Adult Day Care Facility

Psychiatric Health Facility

Mental Health Rehabilitation Center

Community Treatment Facility

23-Hour Treatment Facility

You cannot be asked to give up any of your rights or threatened into giving them up as a condition of admission or for receiving treatment; however, you may not choose not to exercise a specific right.

ACCESS TO THE PATIENTS' RIGHTS ADVOCATE

You have the right to see a patients' rights advocate who has no clinical or administrative responsibility for your mental health treatment and to receive his or her services. Your advocate's name and telephone number are located on the back cover of this handbook.

You have the right to contact the patients' rights advocate at any time. The facility where you are staying will provide you with assistance to ensure that you can exercise the right. You have the right to communicate with and to receive visits privately from your patients' right advocate or attorney.

WHAT IF YOU HAVE A COMPLAINT

You have the right to complain about your living conditions, any physical or verbal abuse, any threats or acts of cruelty, or your treatment in the facility without being punished for voicing such complaints.

The patients' right advocate is responsible for investigating and trying to resolve complaints about your rights. If the advocate is unable to help you with your concern, your complaint may be referred, with your permission, to another agency that can assist you.

If you are dissatisfied with the advocate's response to your complaint about your rights, your complaint may be referred to the facility director or to your local mental health director on your request.

RIGHTS WHILE YOU ARE INVOLUNTARILY DETAINED

The following text provides information about being involuntarily detained.

72-Hour Hold of "5150"

When a person, as a result of a mental disorder, is a danger to himself/herself or others or is gravely disabled, a peace officer, a member of the attending staff, or another professional person designated by the county may with probable cause take the person into custody and place him or her in a facility for a 72-hour treatment and evaluation.

The facility shall require a written application stating the circumstances under which there is a probable cause to believe that a person is, as a result of a mental disorder, a danger to himself/herself or others or is gravely disabled. If the probable cause is based on the statement of a person other than a police officer, a member of the attending staff, or a professional person, this person shall be liable in a civil action for intentionally giving a statement that he or she knows to be false.

RESIDENT NAME-----SOCIAL SECURITY NUMBER-----DATE OF BIRTH	CPT #
Last, First-----000-00-0000-----MM-DD-YYYY	PENDING

FILE NAME: ADMISSION MHRC NEW

If you were brought into a mental health facility against your will because you were considered to be a danger to yourself, a danger to others, or gravely disabled because of a mental disorder, you may be held up to 72 hours for treatment and evaluation unless the person in charge can establish that you need an additional 14 days of mental health treatment (*Welfare and Institutions Code Sections 5150 and 5250*).

14-Day Certification for Intensive Treatment or "5250"

If a person is detained for 72 hours under the provisions of Section 5150 of the *Welfare and Institutions Code* and has received an evaluation, he or she may be certified for not more than 14 days of intensive treatment related to a mental disorder or an impairment by chronic alcoholism under the following conditions:

- The professional staff of the facility that provides evaluation services has analyzed the person's condition and has found that the person is a danger to himself/herself or others or is gravely disabled.
- The person has been advised of the need for, but has not been willing or able to accept, treatment on a voluntary basis.

If you are held beyond 72 hours, you have the right to remain in the hospital for voluntary treatment. If you do not wish to stay voluntarily treatment. If you do not wish to stay voluntarily, you will automatically be scheduled for a certification review hearing, which will occur at the facility where you are staying within four days of the end of your 72-hour hold. You may be represented at this hearing by a patients' rights advocate or another person of your choice. You can also request to have family members or someone of your choice at the hearing to help explain your circumstances (*Welfare and Institutions Code 5250*). If you want your advocate or facility staff member to telephone someone for you, make this request before the hearing.

*Helpful Hint

If you request a writ of habeas corpus, you give up your right to have a certification hearing. Talk to your advocate for more details about how the writ process works.

Re-certification for Intensive Treatment of "5260"

If during the 14-day certification you attempted or threatened to take your own life and if you remain an imminent threat of taking your life, your doctor may place you on an additional 14-day hold, which is known as a re-certification. You have the right to request a writ of habeas corpus. **Please note that no hearing will take place for this hold** (*Welfare and Institutions Code Section 5260*).

Additional 30-Day Hold or "5270.1"

In some counties, after you have completed a 14-day period of treatment, you may be held for an additional 30 days if your doctor determines that you remain gravely disabled and you are unwilling to accept voluntary treatment. Another certification hearing will automatically be held. You have the right to have a patients' rights advocate assist you at the hearing. You also have the right to request a writ of habeas corpus at any time during this period and to have a patients' rights advocate or attorney assist you at the hearing (*Welfare and Institutions Code Section 5270.1*).

Post Certification for Dangerousness or "5300 et. al."

If sufficient reason exists at the end of the 14-day certification to believe that you are a danger to others because of a mental disorder, the person who is in charge of the facility may petition the court to require you to remain in the facility for further treatment. This treatment is not to exceed 180 days. You have the right to representation by an attorney and to a jury trial (*Welfare and Institutions Code Section 5300 et. al.*).

Temporary Conservatorship

If the person in charge of the facility where you are staying believes that you may benefit from the services of a conservator because you remain *gravely disabled*, you may be placed on a temporary conservatorship (T-con) for up to 30 days. At the end of 30 days, a hearing will be held to determine whether you remain gravely disabled and whether and whether a one-year conservatorship will be necessary. Your advocate or attorney can assist you with the conservatorship hearing process (*Welfare and Institutions Code Section 5352.1*).

CONFIDENTIALITY

Your record is confidential and can be released only to you or people who are involved in providing you with medical or psychiatric services, except under court order, or as provided by law. However, other specific people may be given access to your records whenever you, your guardian, or your conservator gives express consent by signing a form that authorizes the release of information.

You must also be informed of your right to have or to not have other persons notified if you are hospitalized.

MEDICAL TREATMENT

While you are staying in a facility, you have the right to prompt medical care and treatment.

*Helpful Hints

- If you don't feel well or are in pain, let your doctor or a treatment staff member know right away.
- If you have any question about your treatment, talk to your doctor or a treatment staff member or ask your advocate to help you.

RIGHT TO REFUSE TREATMENT

Voluntary Patients

You can refuse any type of medical or mental health treatment, including medications, unless the situation is an emergency (see the "Definitions" section of this handbook for *emergency treatment*).

Involuntary Patients

RESIDENT NAME-----SOCIAL SECURITY NUMBER-----DATE OF BIRTH	CPT #
Last, First----000-00-0000-----MM-DD-YYYY	PENDING

FILE NAME: ADMISSION MHRC NEW

You have the right to refuse medical treatment or treatment with medications (except in an emergency) unless a capacity hearing is held and a hearing officer or a judge finds that you do not have the capacity to consent to or refuse treatment. The advocate or public defender can assist you with this matter.

Conservatees

If you are on conservatorship and the judge has granted your conservator power to make mental health treatment decisions, you no longer have the right to consent to or refuse treatment. You should talk with your advocate or attorney for more information. In addition, in some cases, a judge may allow a patient on conservatorship to retain the right to consent to or refuse medical treatment.

All Patients

You have the right to refuse to take part in any research project or medical experiment. You also have the right to refuse electroconvulsive treatment (ECT) or any form of convulsive therapy. However, if a court has determined that you lack the capacity to make this decision, then ECT may be given *without* your consent. An advocate or a public defender can assist you with the hearing process (*Welfare and Institutions Code Section 5326.7*).

MEDICATIONS AND THE INFORMED CONSENT PROCESS

Voluntary Patients

If you are a voluntary adult patient, you have the right to consent to or refuse taking antipsychotic medications (except in an emergency). You may be treated with antipsychotic medications only after the hospital has completed the *informed consent* process.

Involuntary Patients

If you are being detained against your will, you have the right to refuse treatment with antipsychotic medications *unless the situation is an emergency or a hearing officer or a judge has determined that you are incapable of making this decision*.

*Helpful Hint

If your medication interferes with your ability to participate in daily activities or has other unpleasant side effects, let your doctor know.

The Informed Consent Process

Before you give your consent to take any antipsychotic medication, your doctor must first explain to you the following:

1. The reasons for your taking this medication and the benefits that you can expect
2. Your right to withdraw your consent at any time
3. The type and the amount of medication and how often you must take it
4. The common side effects from taking the medication, the effects that you are most likely to experience, and for how long the doctor believes you will need to take the medication
5. Alternative treatments that are available (if any)
6. The potential long-term side effects of taking the medication

*Helpful Hint

If you are asked to consent to taking medications without being given a full explanation, talk to your advocate.

CAPACITY HEARING FOR MEDICATIONS

A capacity hearing, which is also called a Riese Hearing, may be held to determine whether you may or may not refuse treatment with medications. The capacity hearing will be conducted by a hearing officer at the facility where you are receiving treatment or by a judge in court. The hearing officer will determine whether you have the capacity to consent to or refuse medication as a form of treatment.

You have the right to be represented at the capacity hearing by an advocate or by an attorney. Your representative will help you prepare for the hearing and will answer your questions or discuss concerns that you may have about the hearing process.

If you disagree with the capacity hearing decision, you may appeal the decision to a superior court or to a court of appeal. Your patients' rights advocate or attorney can assist you with filing an appeal.

*Helpful Hint

If you have any questions about your right to consent to or refuse medications or about the capacity hearing process, talk to your patients' rights advocate or the public defender.

RIGHTS THAT CANNOT BE DENIED

Persons with mental illness have the same legal rights and responsibilities that are guaranteed all other persons by the federal and state constitution and laws unless specifically limited by federal or state laws and regulations (*Welfare and Institutions Code Section 5325.1*).

The Right to Humane Care

You have the right to dignity, privacy, and human care. You also have the right to treatment services that promote your potential to function independently. Treatment must be provided in ways that are least restrictive to you.

*Helpful Hints

- If you feel that your treatment is too restrictive, talk to your doctor and find out how your treatment can be changed.

Last, First-----000-00-0000-----MM-DD-YYYY	PENDING

- You can also talk to the patients' rights advocate or file a complaint.

The Right to Be Free from Abuse or Neglect

You have the right to be free from abuse, neglect or harm, including unnecessary or excessive physical restraint, isolation, or medication. Medication shall not be used as punishment, for the convenience of staff, as a substitute for treatment, or in quantities that interfere with the treatment program. GOOD CAUSE

Good cause for denying any of the rights means that the professional person in charge has a good reason to believe that allowing a specific right would cause:

1. Injury to that person or others; or
2. A serious infringement on the rights of others; or
3. Serious damage to the facility;

And there is no less restrictive way to protect against those occurrences.

Your rights cannot be denied as a condition of admission, a privilege to be earned, a punishment, a convenience to staff, or a part of a treatment program. A denial of a right can be made only by the person authorized by law or regulation to do so, and this denial must be noted in your treatment record. If one of your rights is going to be denied, a staff member must inform you. Any denial of a right must be reviewed on a regular and ongoing basis. Once good cause no longer exists, your right(s) must be restored.

**Helpful Hint*

If you feel that you have had a right unfairly denied or you would like a right restored, you can talk to your advocate or a staff member or file a complaint.
