

RESOLUTION NO. 25-214

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE PROCESSING OF A CONSOLIDATED COASTAL DEVELOPMENT PERMIT BY THE CALIFORNIA COASTAL COMMISSION FOR CALTRANS TO IMPLEMENT A CULVERT REPLACEMENT AND FISH PASSAGE PROJECT (EA 001-0K680) ALONG STATE ROUTE 128 IN MENDOCINO COUNTY

WHEREAS, California Public Resources Code section 30601.3 allows for the California Coastal Commission to process and act upon a consolidated Coastal Development Permit application for projects in which the Coastal Development Permit authority is shared by a local government and the California Coastal Commission; and

WHEREAS, Public Resources Code section 30601.3 requires that the applicant, the local government, and the California Coastal Commission agree to the consolidation; and

WHEREAS, the proposed project, LCP_2025-0003, is intended to repair deteriorating drainage systems to prevent erosion and potential roadway embankment failures primarily by replacing culverts. Work would occur at one hundred three (103) locations throughout the entire portion of State Route 128 in Mendocino County. Fourteen (14) of the work locations are within the Coastal Zone, between Post Mile (PM) 0.04 and 2.59. Three (3) of the work locations are within the jurisdiction of the Coastal Commission. Within the Coastal Zone, the work would primarily consist of culvert replacements using the “cut and cover” method. At one location, an existing culvert would be replaced with a bridge to improve fish passage, but this location is outside of the Coastal Zone (the “Project”); and

WHEREAS, pursuant to Public Resources Code Section 30601.3, consolidation may only proceed where public participation is not substantially impaired by the consolidation; and

WHEREAS, public participation will not be substantially impaired because the California Coastal Commission will hold a public hearing, which may be attended by all interested parties (by either being present virtually or in-person during a properly noticed California Coastal Commission meeting or by timely submitting comments in advance of a meeting) and the consolidation of the permit process will allow for the Project to be evaluated in its entirety.

NOW, THEREFORE, BE IT RESOLVED that the Mendocino County Board of Supervisors authorizes the California Coastal Commission to accept and process a consolidated Coastal Development Permit application for Caltrans for the Project along State Route 128, finding that pursuant to Public Resources Code Section 30601.3, consolidation for the Project is appropriate as public participation will not be substantially impaired by the consolidation.
