## Interests & Experiences

### Special Expertise, Experience, or Interest in This Area?

---

My mother's family came to Round Valley in the mid to late 1800s and my father's parents came around 1919 from the Branscomb area, so my roots are deep here. I am a barred attorney in California and, although these are not my practice areas, I am interested in economic development/land use/permitting/water conservation/crime issues in Round Valley and the county because I want to live here. I am the board chair of the Ukiah Boys & Girls Club. In February 2022, I and a small group organized a new nonprofit in Covelo and I have taken the role of executive director; we are looking for ways to improve the Round Valley area economy and improve the aesthetics of Covelo. I have been the RVAMAC secretary since October 2022 and have attended many of the meetings since the RVAMAC began. I am also a school board member for the Round Valley Unified School District, three months into my second term.
