Re: Northern California Coalition to Safeguard Communities (NCCSC) FY 2025-26 Grant Application

Dear Darcie,

The Northern California Coalition to Safeguard Communities (NCCSC) is seeking grant applications for FY2025-26. A proposal was due on Monday, March 24, 2025.

We are requesting funding of \$254,716 over a 12-month performance period. The purpose of this grant is to aid in the reduction of environmental crimes, data analysis, computer forensics, forensic accounting, and combating human trafficking and organized crime.

The proposal is currently being reviewed by the NCCSC Coordinator. There was not sufficient time to obtain approval from the Board of Supervisors to meet the March 24, 2025 proposal due date.

Under County Policy #25, if there is a time restriction limiting the Department/Office from taking the item before the Board, the CEO may approve a waiver allowing an application to proceed as long as the item is agendized at the next available Board meeting.

I am respectfully requesting your approval for my signature on the grant proposal and submission so that we may finalize the proposal and be a candidate for the award.

Your consideration is very appreciated.

Respectfully,

Matthew Kendall, Sheriff
