

RESOLUTION NO. 26-109

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE PROCESSING OF A CONSOLIDATED COASTAL DEVELOPMENT PERMIT BY THE CALIFORNIA COASTAL COMMISSION FOR WILDBLUE AQUACULTURE TO CULTIVATE PURPLE SEA URCHINS IN NOYO HARBOR

WHEREAS, California Public Resources Code section 30601.3 allows for the California Coastal Commission to process and act upon a consolidated Coastal Development Permit application for projects in which the Coastal Development Permit authority is shared by a local government and the California Coastal Commission; and

WHEREAS, Public Resources Code section 30601.3 requires that the applicant, the local government, and the California Coastal Commission agree to the consolidation; and

WHEREAS, the proposed project, would involve Wildblue Aquaculture to cultivate purple sea urchins in Noyo Harbor utilizing land-based tank systems at 19280 S. Harbor Drive, Fort Bragg (APN: 018-150-22) for regional distribution and direct-to-customer sales; and

WHEREAS, pursuant to Public Resources Code Section 30601.3, consolidation may only proceed where public participation is not substantially impaired by the consolidation; and

WHEREAS, public participation will not be substantially impaired because Wildblue Aquaculture will submit a consolidated coastal development permit application to the California Coastal Commission, and the Commission will hold a public hearing, which may be attended by all interested parties (by either being present virtually or in-person during a properly noticed California Coastal Commission meeting or by timely submitting comments in advance of a meeting). Further, the consolidation of the permit process will allow for the Project to be evaluated in its entirety as opposed to two entities reviewing different segments of the Project at different times.

NOW, THEREFORE, BE IT RESOLVED that the Mendocino County Board of Supervisors authorizes the California Coastal Commission to accept and process a consolidated Coastal Development Permit application for Wildblue Aquaculture for the Project located at 19280 S. Harbor Drive, Fort Bragg (APN: 018-150-22) and within the waters of Noyo Harbor, finding that pursuant to Public Resources Code Section 30601.3, consolidation for the Project is appropriate as public participation will not be substantially impaired by the consolidation.

The foregoing Resolution introduced by Supervisor Haschak, seconded by Supervisor Cline, and carried this 23rd day of June, 2026, by the following vote:
