Subject: Mendocino Fire Protection District – Director Vacancy

I am writing to you today to express my sincere interest in becoming a Director on the Board of the Mendocino Fire Protection District. I have been a resident of Mendocino, CA since April 2004. My home here in Mendocino on [REDACTED] was destroyed by fire 12 September 2009, at which time the brave men and women of the Mendocino Volunteer Fire Department [and CDF] valiantly responded and contained the fire to one structure on my property!

My own family has a rich history of firefighters from SFFD [San Francisco, CA.] and my son is a firefighter in Savannah, Georgia at this time. I deeply understand the important role these first responders play in keeping our Community safe. And it is my desire to be of Service by lending my 35+ years of professional experience and expertise in any capacity needed to this wonderful organization.

Thank you in advance for your consideration, and I look forward to hearing back from you with Approval, for my filling the Director Vacancy as soon as possible.

Sincerely,

Janet L. Aguilar
