GENERAL TERMS AND CONDITIONS

1. **INDEPENDENT CONTRACTOR:** No relationship of employer and employee is created by this Agreement; it being understood and agreed that CONTRACTOR is an Independent Contractor. CONTRACTOR is not the agent or employee of the COUNTY in any capacity whatsoever, and COUNTY shall not be liable for any acts or omissions by CONTRACTOR nor for any obligations or liabilities incurred by CONTRACTOR.

CONTRACTOR shall have no claim under this Agreement or otherwise, for seniority, vacation time, vacation pay, sick leave, personal time off, overtime, health insurance medical care, hospital care, retirement benefits, social security, disability, Workers' Compensation, or unemployment insurance benefits, civil service protection, or employee benefits of any kind.

CONTRACTOR shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to its officers, agents or employees and agrees to indemnify and hold COUNTY harmless from any and all liability which COUNTY may incur because of CONTRACTOR's failure to pay such amounts.

In carrying out the work contemplated herein, CONTRACTOR shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees will be considered as Independent Contractors and shall not be treated or considered in any way as officers, agents and/or employees of COUNTY.

CONTRACTOR does, by this Agreement, agree to perform his/her said work and functions at all times in strict accordance with all applicable federal, state and COUNTY laws, including but not limited to prevailing wage laws, ordinances, regulations, titles, departmental procedures and currently approved methods and practices in his/her field and that the sole interest of COUNTY is to ensure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the COUNTY agency concerned.

Notwithstanding the foregoing, if the COUNTY determines that pursuant to state and federal law CONTRACTOR is an employee for purposes of income tax withholding, COUNTY may upon two (2) week's written notice to CONTRACTOR, withhold from payments to CONTRACTOR hereunder federal and state income taxes and pay said sums to the federal and state governments.

2. **INDEMNIFICATION:** To the furthest extent permitted by law (including without limitation California Civil Code sections 2782 and 2782.8, if applicable), CONTRACTOR shall assume the defense of, indemnify, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, demands, damages, costs, liabilities, and losses whatsoever alleged to be occurring or resulting in connection with the CONTRACTOR's performance or its obligations under this Agreement, unless arising out of the sole negligence or willful misconduct of COUNTY. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.
3. **INSURANCE AND BOND:** CONTRACTOR shall at all times during the term of the Agreement with the COUNTY maintain in force those insurance policies and bonds as designated in the attached Exhibit C, and will comply with all those requirements as stated therein.
4. **WORKERS' COMPENSATION:** CONTRACTOR shall provide Workers' Compensation insurance, as applicable, at CONTRACTOR's own cost and expense and further, neither the CONTRACTOR nor its carrier shall be entitled to recover from COUNTY any costs, settlements, or expenses of Workers' Compensation claims arising out of this Agreement.

CONTRACTOR affirms that s/he is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for the Workers' Compensation or to undertake self-insurance in accordance with the provisions of the Code and CONTRACTOR further assures that s/he will comply with such provisions before commencing the performance of work under this Agreement. CONTRACTOR shall furnish to COUNTY certificate(s) of insurance evidencing Worker's Compensation Insurance coverage to cover its employees, and CONTRACTOR shall require all subcontractors similarly to provide Workers' Compensation Insurance as required by the Labor Code of the State of California for all of subcontractors' employees.

5. **CONFORMITY WITH LAW AND SAFETY:**
 - a. In performing services under this Agreement, CONTRACTOR shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal, and local governing bodies, having jurisdiction over the scope of services, including all applicable provisions of the California Occupational Safety and Health Act. CONTRACTOR shall indemnify and hold COUNTY harmless from any and all liability, fines, penalties and consequences from any of CONTRACTOR's failures to comply with such laws, ordinances, codes and regulations.

6. PAYMENT: For services performed in accordance with this Agreement, payment shall be made to CONTRACTOR as provided in Exhibit B hereto as funding permits.

If COUNTY over pays CONTRACTOR for any reason, CONTRACTOR agrees to return the amount of such overpayment to COUNTY, or at COUNTY's option, permit COUNTY to offset the amount of such overpayment against future payments owed to CONTRACTOR under this Agreement or any other Agreement.

In the event CONTRACTOR claims or receives payment from COUNTY for a service, reimbursement for which is later disallowed by COUNTY, State of California or the United States Government, the CONTRACTOR shall promptly refund the disallowance amount to COUNTY upon request, or at its option COUNTY may offset the amount disallowed from any payment due or that becomes due to CONTRACTOR under this Agreement or any other Agreement.

All invoices, receipts, or other requests for payment under this contract must be submitted by CONTRACTOR to COUNTY in a timely manner and consistent with the terms specified in Exhibit B. COUNTY, the CONTRACTOR, the CONTRACTOR's subcontractors or third parties at the request of the CONTRACTOR (collectively, "Documents and Materials"). This explicitly includes the electronic copies of all above stated documentation.

CONTRACTOR shall be permitted to retain copies, including reproducible copies and computerized copies, of said Documents and Materials. CONTRACTOR agrees to take such further steps as may be reasonably requested by COUNTY to implement the aforesaid assignment. If for any reason said assignment is not effective, CONTRACTOR hereby grants the COUNTY and any assignee of the COUNTY an express royalty – free license to retain and use said Documents and Materials. The COUNTY's rights under this paragraph shall apply regardless of the degree of completion of the Documents and Materials and whether or not CONTRACTOR's services as set forth in Exhibit A of this Agreement have been fully performed or paid for.

The COUNTY's rights under this Paragraph 8 shall not extend to any computer software used to create such Documents and Materials.

Such notice shall be in writing and may be issued by any COUNTY officer authorized to execute or amend the contract, the County Chief Executive Officer, or any other person

No waiver of any breach, failure, right or remedy shall be deemed a waiver of any other breach, failure, right or remedy, whether or not similar, nor shall any waiver constitute a continuing waiver unless the writing so specifies.

As used herein, Agreement refers to and includes any documents incorporated herein by reference and any exhibits or attachments. This Agreement supersedes and merges all previous understandings, and all other Agreements, written or oral, between the parties and sets forth the entire understanding of the parties regarding the subject matter thereof. This Agreement may not be modified except by a written document

signed by both parties. In the event of a conflict between the body of this Agreement and any of the Exhibits, the provisions in the body of this Agreement shall control.

27. HEADINGS: Herein are for convenience of reference only and shall in no way affect interpretation of this Agreement.
28. MODIFICATION OF AGREEMENT: This Agreement may be supplemented, amended or modified only by the mutual Agreement of the parties. No supplement, amendment or modification of this Agreement shall be binding unless it is in writing and signed by authorized representatives of both parties.
29. ASSURANCE OF PERFORMANCE: If at any time the COUNTY has good objective cause to believe CONTRACTOR may not be adequately performing its obligations under this Agreement or that CONTRACTOR may fail to complete the Services as required by this Agreement, COUNTY may request from CONTRACTOR prompt written assurances of performance and a written plan acceptable to COUNTY, to correct the observed deficiencies in CONTRACTOR's performance. CONTRACTOR shall provide such written assurances and written plan within thirty (30) calendar days of its receipt of COUNTY's request and shall thereafter diligently commence and fully perform such written plan. CONTRACTOR acknowledges and agrees that any failure to provide such written assurances and written plan within the required time is a material breach under this Agreement.
30. SUBCONTRACTING/ASSIGNMENT: CONTRACTOR shall not subcontract, assign or delegate any portion of this Agreement or any duties or obligations hereunder without the COUNTY's prior written approval.
 - a. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. Any Agreement that violates this Section shall confer no rights on any party and shall be null and void.
 - b. Only the department head or his or her designee shall have the authority to approve subcontractor(s).
 - c. CONTRACTOR shall remain fully responsible for compliance by its subcontractors with all the terms of this Agreement, regardless of the terms of any Agreement between CONTRACTOR and its subcontractors.
31. SURVIVAL: The obligations of this Agreement, which by their nature would continue beyond the termination on expiration of the Agreement, including without limitation, the obligations regarding Indemnification (Paragraph 2), Ownership of Documents (Paragraph 8), and Conflict of Interest (Paragraph 9), shall survive termination or expiration for two (2) years. The obligations regarding payment for services per Exhibit B shall survive termination or expiration for ten (10) years, or in the event that CONTRACTOR has been notified that an audit or

investigation of this contract has been commenced, until such time as the matter under audit or investigation has been resolved.

32. SEVERABILITY: If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable, or invalid in whole or in part for any reason, the validity and enforceability of the remaining provisions, or portions of them, will not be affected, unless an essential purpose of this Agreement would be defeated by the loss of the illegal, unenforceable, or invalid provision.
33. INTELLECTUAL PROPERTY WARRANTY: CONTRACTOR warrants and represents that it has secured all rights and licenses necessary for any and all materials, services, processes, software, or hardware ("CONTRACTOR PRODUCTS") to be provided by CONTRACTOR in the performance of this Agreement, including but not limited to any copyright, trademark, patent, trade secret, or right of publicity rights. CONTRACTOR hereby grants to COUNTY, or represents that it has secured from third parties, an irrevocable license (or sublicense) to reproduce, distribute, perform, display, prepare derivative works, make, use, sell, import, use in commerce, or otherwise utilize CONTRACTOR PRODUCTS to the extent reasonably necessary to use the CONTRACTOR PRODUCTS in the manner contemplated by this Agreement.

CONTRACTOR further warrants and represents that it knows of no allegations, claims, or threatened claims that the CONTRACTOR PRODUCTS provided to COUNTY under this Agreement infringe any patent, copyright, trademark or other proprietary right. In the event that any third party asserts a claim of infringement against the COUNTY relating to a CONTRACTOR PRODUCT, CONTRACTOR shall indemnify and defend the COUNTY pursuant to Paragraph 2 of this Agreement.

In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for COUNTY the right to continue using the CONTRACTOR Products; or (2) replace or modify the CONTRACTOR Products so that that they become non-infringing, but equivalent in functionality and performance.

34. ELECTRONIC COPIES: The parties agree that an electronic copy, including facsimile copy, email, or scanned copy of the executed Agreement, shall be deemed, and shall have the same legal force and effect as, an original document.
35. COOPERATION WITH COUNTY: CONTRACTOR shall cooperate with COUNTY and COUNTY staff in the performance of all work hereunder.
36. PERFORMANCE STANDARD: CONTRACTOR shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in CONTRACTOR's profession. COUNTY has relied upon the professional ability and training of CONTRACTOR as a material inducement to enter into this Agreement. CONTRACTOR hereby agrees to provide all services under this Agreement in accordance with generally

accepted professional practices and standards of care, as well as the requirements of applicable Federal, State, and local laws, it being understood that acceptance of CONTRACTOR's work by COUNTY shall not operate as a waiver or release. If COUNTY determines that any of CONTRACTOR's work is not in accordance with such level of competency and standard of care, COUNTY, in its sole discretion, shall have the right to do any or all of the following: (a) require CONTRACTOR to meet with COUNTY to review the quality of the work and resolve matters of concern; (b) require CONTRACTOR to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of paragraph 19 (Termination) or (d) pursue any and all other remedies at law or in equity.

37. **ATTORNEYS' FEES:** In any action to enforce or interpret the terms of this Agreement, including but not limited to any action for declaratory relief, each party shall be solely responsible for and bear its own attorneys' fees, regardless of which party prevails.
38. **CONTRACTOR NOTIFICATION OF BREACH OR IMPROPER DISCLOSURES:** The State Contract requires COUNTY to notify the state of any breach or improper disclosure of privacy and/or security of personal identifiable information (PII) and/or protected health information (PHI). CONTRACTOR shall, immediately upon discovery of a breach or improper disclosure of privacy and/or security of PII and/or PHI by CONTRACTOR, notify COUNTY's Privacy Officer of such breach or improper disclosure by telephone and either email or facsimile. In accordance with 45 CFR, upon COUNTY's knowledge of a material breach or violation by CONTRACTOR of the agreement between COUNTY and the CONTRACTOR, COUNTY shall:
 - a. Provide an opportunity for the CONTRACTOR to cure the breach or end the violation and terminate the agreement if the CONTRACTOR does not cure the breach or end the violation within the time specified by the Department; or
 - b. Immediately terminate the agreement if the CONTRACTOR has breached a material term of the agreement and cure is not possible.
 - c. In the event that the State Contract requires COUNTY to pay any costs associated with a breach of privacy and/or security of PII and/or PHI, including but not limited to the costs of notification, CONTRACTOR shall pay on COUNTY's behalf any and all such costs arising out of a breach of privacy and/or security of PII and/or PHI by CONTRACTOR.

Specifically, CONTRACTOR shall ensure that the clinical record for each client includes information as a whole indicating that client's presentation and needs are aligned with the criteria applicable to their age at the time of service provision as specified below.
- B. For enrolled clients under twenty-one (21) years of age, CONTRACTOR shall provide all medically necessary SMHS required pursuant to Section 1396d(r) of Title 42 of the United States Code. Covered SMHS shall be provided to enrolled clients who meet either of the following criteria, I. or II. below. If a client under age twenty-one (21) meets the criteria as described in I. below, the beneficiary meets criteria to access SMHS; it is not necessary to establish that the beneficiary also meets the criteria in II. below.
- I. The client has a condition placing them at high risk for a mental health disorder due to experience of trauma evidenced by any of the following: scoring in the high-risk range under a trauma screening tool approved by DHCS, involvement in the child welfare system, juvenile justice involvement, or experiencing homelessness.
- II. The client has at least one (1) of the following:
- a. A significant impairment.

 - a. The services were provided prior to determining a diagnosis, including clinically appropriate and covered services provided during the assessment process;
 - b. The service was not included in an individual treatment plan; or

- c. The client had a co-occurring substance use disorder.

B. Diagnosis Not a Prerequisite

- I. A mental health diagnosis is not a prerequisite for access to covered SMHS. This does not eliminate the requirement that all Medi-Cal claims, including SMHS claims, include a current Centers for Medicare and Medicaid Services (CMS) approved ICD diagnosis code.

9. MEDICAL NECESSITY

- A. CONTRACTOR shall ensure that services provided are medically necessary in compliance with the MHP requirements and pursuant to Welfare and Institutions Code section 14184.402(a). Services provided to a client must be medically necessary and clinically appropriate to address the client's presenting condition. Documentation in each client's chart as a whole will demonstrate medical necessity as defined below, based on the client's age at the time of service provision.
- B. For individuals twenty-one (21) years of age or older, a service is "medically necessary" or a "medical necessity" when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain as set forth in Welfare and Institutions Code section 14059.5.
- C. For individuals under twenty-one (21) years of age, a service is "medically necessary" or a "medical necessity" if the service meets the standards set forth in Section 1396d(r)(5) of Title 42 of the United States Code.

- B. CONTRACTOR shall ensure that care coordination activities support the monitoring and treatment of comorbid substance use disorder and/or health conditions.
- C. CONTRACTOR shall include in care coordination activities efforts to connect, refer, and link clients to community-based services and supports, including but not limited to educational, social, prevocational, vocational, housing, nutritional, criminal justice, transportation, childcare, child development, family/marriage education, cultural sources, and mutual aid support groups.

- D. CONTRACTOR shall engage in care coordination activities beginning at intake and throughout the treatment and discharge planning processes.
- E. To facilitate care coordination, CONTRACTOR shall request a Health Insurance Portability and Accountability Act of 1996 (HIPAA) and California law compliant client authorization, to share client information with and among all other providers involved in the client's care, in satisfaction of state and federal privacy laws and regulations.

11. CO-OCCURRING TREATMENT AND NO WRONG DOOR

- A. SMHS and NSMHS can be provided concurrently, if those services are clinically appropriate, coordinated, and not duplicative. When a client meets criteria for both SMHS and NSMHS, the client should receive services based on individual clinical need and established therapeutic relationships. Clinically appropriate and covered SMHS can also be provided when the client has a co-occurring mental health condition and substance use disorder.
- B. Under this Agreement, CONTRACTOR shall ensure clients receive timely mental health services without delay. Services are reimbursable to CONTRACTOR by COUNTY even when:
 - I. Services are provided prior to determination of a diagnosis, during the assessment or prior to determination of whether SMHS access criteria are met, even if the assessment ultimately indicates the client does not meet criteria for SMHS.
 - II. If CONTRACTOR is serving a client receiving both SMHS and NSMHS, CONTRACTOR holds responsibility for documenting coordination of care and ensuring that services are non-duplicative.

12. SERVICE AUTHORIZATION

- A. CONTRACTOR shall collaborate with COUNTY to complete authorization requests in line with COUNTY and DHCS policy.
- B. CONTRACTOR shall have in place, and follow, written policies and procedures for completing requests for initial and continuing authorizations of services, as required by COUNTY guidance.
- C. CONTRACTOR shall respond to COUNTY in a timely manner when consultation is necessary, for COUNTY to make appropriate authorization determinations.
- D. COUNTY shall provide CONTRACTOR with written notice of authorization determinations within the required timeframes.

- E. CONTRACTOR shall alert COUNTY when an expedited authorization decision (no later than seventy-two (72) hours) is necessary due to a client's specific needs and circumstances that could seriously jeopardize the client's life or health, or ability to attain, maintain, or regain maximum function.

13. REFERRAL AND INTAKE PROCESS

- A. CONTRACTOR shall follow the referral and intake process as specified herein.
 - I. SMHS are an array of services offered to Medi-Cal beneficiaries who meet medical necessity and the criteria for access to SMHS. Services shall be medically necessary and clinically appropriate to address the beneficiaries presenting condition. Interventions shall be: individualized, culturally competent and appropriate services, which are sensitive and responsive to cultural and gender differences and special needs; and, delivered without regard to race, religion, national origin, gender, physical disability, or sexual orientation. Beneficiaries shall receive services in accordance with their level of medical necessity and unique needs. Services shall be delivered within the least restrictive and most normative environment that is clinically appropriate. When appropriate, client shall be referred to the Full Service Partnership program.
 - II. CONTRACTOR shall adhere to the following criteria for access to SMHS per DHCS:
 - a. Pursuant to Welfare and Institutions Code section 14184.402(a), for individuals twenty-one (21) years of age or older, a service is "medically necessary" or a "medical necessity" when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain as set forth in Welfare and Institutions Code section 14059.5.
 - b. For individuals under twenty-one (21) years of age, a service is "medically necessary" or a "medical necessity" if the service meets the standards set forth in Section 1396d(r)(5) of Title 42 of the United States Code. This section requires provision of all Medicaid-coverable services necessary to correct or ameliorate a mental illness or condition discovered by a screening service, whether or not such services are covered under the State Plan.
 - c. Furthermore, federal guidance from the CMS makes it clear that mental health services need not be curative or restorative to ameliorate a mental health condition. Services that sustain, support, improve, or make more tolerable a mental health condition are considered to ameliorate the mental health condition, and are thus medically necessary and covered as Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services. Services provided to a

beneficiary must be medically necessary and clinically appropriate to address the beneficiary's presenting condition.

- d. All individuals requesting SMHS services shall be provided with an appointment within ten (10) business days for non-mediation management services, and fifteen (15) business days for medication management services. The ten (10) business days and fifteen (15) business days start upon receipt of the referral.
- e. COUNTY operates a no wrong door model for access to treatment. An individual can access services from any SMHS treatment provider. If CONTRACTOR is at capacity, CONTRACTOR must notify COUNTY within twenty-four (24) hours of their inability to accept additional clients. If CONTRACTOR is unable to offer treatment within ten (10) business days, CONTRACTOR shall coordinate with COUNTY Quality Assurance Performance Improvement (QAPI) department so the referral can be moved to another provider who can meet the ten (10) business day requirement.

 - II. Collecting SOC amounts; and

- Knowingly making or using (or causing to be made or used) a false record or statement to get a false claim paid or approved by the Government;
- Conspiring to get a false claim allowed or paid by the Government;
- Delivering (or causing to be delivered) less property than the amount of the receipt, where the person with possession or control of the Government money or property intends to deceive the agency or conceal the property;
- Making or delivering a receipt without completely knowing that the receipt is true, where the person authorized to make or deliver the receipt intends to defraud the Government;
- Knowingly buying or receiving public property from an officer or employee of the Government or a member of the Armed Forces who has no legal right to sell or pledge the property; or
- Knowingly making or using a false record to conceal, avoid, or decrease an obligation to pay money or transmit property to the Government.

“Knowing” and “Knowingly” means a person:

- Has actual knowledge of the information;
- Acts in deliberate ignorance of the truth or falsity of the information; or
- Acts in reckless disregard of the truth or falsity of the information. No proof of specific intent to defraud is required.

“Claim” includes any request or demand for money or property (including those made under contract) to the Government or to a contractor, grantee, or other recipient, if any

portion of the requested money or property is funded by or will be reimbursed by the Government.

A person or organization may be liable for:

- A civil penalty \$5,500 to \$11,000 for each false claim;
- Three times the amount of damages sustained by the Government due to the violations; and
- The costs of a civil suit for recovery penalties or damages.

The court may reduce the treble damages if:

- The person committing the violation voluntarily disclosed all information known to him or her to the U.S. officials responsible for investigating false claims violations within thirty days of obtaining the information;
- The person fully cooperated with any Government investigation; and
- No criminal prosecution, or civil or administrative action had been commenced at the time of the person's disclosure, and the person had no actual knowledge of an investigation into such violation.

Actions by Private Persons or *Qui Tam* Plaintiffs

An individual also has the right to file a civil suit for him or herself and for the Government. The suit must be filed in the name of the Government. The suit is filed and served on the Government. The suit and all information are filed under seal, and most remain under seal for at least sixty days. The suit may be dismissed only if the court and the Attorney General consent to the dismissal in writing.

If a *qui tam* plaintiff alleges a false claims violation, the complaint and a written disclosure of the evidence and information that the person possesses must be served on the Government. Once the action is filed, no person other than the Government is allowed to intervene or file a lawsuit based on the same facts.

Rights of the Parties to *Qui tam* Actions

If the Government decides to file a civil suit, it assumes responsibility for prosecuting the action and is not bound by the acts of the *qui tam* plaintiff. However, the *qui tam* plaintiff has the right to continue as a party to the action, subject to certain limitations. If the Government decides not to file a civil suit, the *qui tam* plaintiff still has the right to proceed with a lawsuit. The Government can intervene later upon a showing of good cause.

Award to *Qui tam* Plaintiff

If the Government prosecutes a case initiated by a *qui tam* plaintiff and obtains an award or settlement, the *qui tam* plaintiff will receive between 15 and 25 percent of the recovery, depending on his or her contribution to the case. If the case is based primarily

on information other than the disclosures of the *qui tam* plaintiff, the award cannot be more than 10 percent of the recovery.

If the Government decides not to intervene and the *qui tam* plaintiff successfully litigates the action, he or she will receive between 25 and 30 percent of the award or settlement. In either case, the court will award the *qui tam* plaintiff reasonable expenses and attorney's fees and costs.

If the court finds that the *qui tam* plaintiff planned and initiated the violation upon which the civil suit was based, it may reduce the share of the recovery that the person would otherwise receive. If the *qui tam* plaintiff is convicted of criminal conduct, he or she will be dismissed from the lawsuit and will not receive any monetary award.

If the court finds the defendant not guilty and the claim frivolous in a suit conducted by a *qui tam* plaintiff, the court may award the defendant reasonable costs and attorney fees.

Certain Actions Barred

An individual cannot bring a *qui tam* action against a member of Congress, a member of the judiciary, or a senior executive branch official based on evidence already known to the Government.

An individual cannot bring a *qui tam* suit based on allegations in a civil suit or an administrative proceeding in which the Government is already a party.

An individual cannot bring a *qui tam* action based on the public disclosure of allegations unless he or she is the original source (e.g., an individual with direct and independent knowledge of the information on which the allegations are based who has voluntarily provided the information to the Government before filing a civil action). Public disclosure includes disclosure in a criminal, civil, or administrative hearing; in a congressional, administrative, or GAO report, hearing, audit, or investigation; or from the news media.

Whistleblower Protection

An employee who has been discharged, demoted, suspended, threatened, harassed, or in any way discriminated against by his or her employer because of involvement in a false claims disclosure is entitled to all relief necessary to make the employee whole, including:

- Reinstatement with the same seniority status that the employee would have had but for the discrimination;
- Two times the amount of back pay plus interest; and
- Compensation for any special damage sustained because of the discrimination (including litigation costs and reasonable attorney's fees).
- The protected false claims activities include investigation for, initiation of, testimony for, or assistance in a false claims action that has been or will be filed. An employee is entitled to bring an action in the district court for such relief.

THE CALIFORNIA FALSE CLAIMS ACT

The California False Claims Act ("CFCA") applies to fraud involving state, city, county or other local government funds. The CFCA encourages voluntary disclosure of fraudulent activities by rewarding individuals who report fraud and allowing courts to waive penalties for organizations that voluntarily disclose false claims. California Government Code sections §§ 12650-12655.

Actions that violate the CFCA include:

- Knowingly submitting (or causing to be submitted) a false claim for payment or approval;
- Knowingly making or using (or causing to be made or used) a false record or statement to get a false claim paid or approved;
- Conspiring to get a false claim allowed or paid by the state or by any political subdivision;
- Benefiting from an inadvertent submission of a false claim, subsequently discovering the falsity of the claim, and failing to disclose to the state or political subdivision within a reasonable time after discovery;
- Delivering less property than the amount of the receipt, where the person has possession or control of public property;
- Knowingly making or delivering a false receipt, where the person is authorized to deliver a document;
- Knowingly buying or receiving (as a pledge of an obligation or debt) public property from any person who has no legal right to sell or pledge the property; or
- Knowingly making or using a record to conceal, avoid, or decrease an obligation to pay money or transmit property to the state or local government.

"Knowingly" means the person or organization:

- Has actual knowledge of the information;
- Acts in deliberate ignorance of the truth or falsity of the information; or
- Acts in reckless disregard of the truth or falsity of the information. Proof of specific intent to defraud is not required.

"Claim" includes any request for money, property, or services made to the state or any political subdivision (or to any contractor, grantee, or other recipient), where any portion of the money, property, or services requested was funded by the state or any political subdivision.

The maximum civil penalty is \$10,000, per claim. Persons who violate the CFCA may be liable to the state for three times the amount of damages that the state sustains

because of the violation. The court can waive penalties and reduce damages for CFCA violations if the false claims are voluntarily disclosed.

The CFCA does not apply to false claims of less than \$500. Lawsuits must be filed within three years after the violation was discovered by the state or local official who is responsible for investigating the false claim (but no more than ten years after the violation was committed).

Private or *Qui Tam* Actions/Whistleblower Provisions

Individuals (or *qui tam* plaintiffs) can sue for violations of the CFCA. Individuals who bring an action under the CFCA receive between 15 and 33 percent of the amount recovered (plus reasonable costs and attorney's fees) if the state prosecutes the case, and between 25 and 50 percent (plus reasonable costs and attorney's fees) if the *qui tam* plaintiff litigates the case on his or her own.

An individual cannot file a lawsuit based on public information, unless he or she is the original source of the information.

The CFCA bars employers from interfering with an employee's disclosure of false claims. Employees who report fraud and consequently suffer discrimination may be awarded (1) two times their back pay plus interest, (2) reinstatement at the seniority level they would have had except for the discrimination, (3) compensation for any costs or damages they have incurred, and (4) punitive damages, if appropriate.

Liability to the State or Political Subdivision

A person or organization will be liable to the state or political subdivision for:

- Three times the amount of damages that the state or local government sustains because of the false claims violations;
- The costs of a civil suit for recovery of damages; and
- A civil penalty of up to \$10,000 for each false claim.

Certain Actions Barred

An individual cannot bring a *qui tam* suit based on allegations in a civil suit or an administrative proceeding in which the state or political subdivision is already a party. An individual cannot file a lawsuit based on the public disclosure of allegations unless he or she is the original source (e.g., an individual with direct and independent knowledge of the information on which the allegations are based). Public disclosure includes disclosure in a criminal, civil, or administrative hearing; in an investigation, report, hearing, or audit conducted by or at the request of the Senate, Assembly, auditor, or governing body of a political subdivision; or by the news media.

Awards

If the state or political subdivision prosecutes a case initiated by a *qui tam* plaintiff and obtains an award or settlement, the *qui tam* plaintiff receives between 15 and 33 percent of the recovery (plus reasonable costs and attorney's fees), depending on his or her contribution to the case. If the state or political subdivision decides not to file a lawsuit and the *qui tam* plaintiff successfully litigates the action, the *qui tam* plaintiff receives between 25 and 50 percent of the award or settlement. Employees who participated in fraudulent activities are not guaranteed any recovery. If the court finds the defendant not guilty and the claim frivolous in a suit conducted by a *qui tam* plaintiff, the court may award the defendant reasonable costs and attorney fees.

Whistleblower Protection

Employers are prohibited from:

- Making or enforcing any type of rule or policy that prevents an employee from disclosing information to a government or law enforcement agency, or from investigating, initiating, testifying, or otherwise assisting in a false claims action; or
- Discharging, demoting, suspending, threatening, harassing, denying promotion to, or in any other manner discriminating against an employee because of his or her involvement in a false claims action.

Liability of Employer

- An employer who interferes with an employee's disclosure of false claims will be liable to the employee for all relief necessary to make the employee whole, including:
- Reinstatement with the same seniority status that the employee would have had except for the discrimination;
- Two times the amount of back pay plus interest;
- Compensation for any special damage sustained as a result of the discrimination; and punitive damages where appropriate.

Limitations on Eligibility of Employees for Damages

If an employee's conduct has resulted in a false claim being submitted to the state or a political subdivision, and the employee has been discriminated against by his or her employer, he or she is entitled to remedies only if he or she voluntarily disclosed information to a government or law enforcement agency or assisted in a false claims action; and was coerced (either through harassment, threats of termination demotion, or other coercive actions) by the employer or its management into committing the fraudulent activity in the first place.

Medi-Cal Data Privacy and Security Agreement

The California Department of Health Care Services (DHCS) and the County of Mendocino Health and Human Services Agency (MC-HHSA) have entered into a Medi-Cal Data Privacy and Security Agreement in order to ensure the privacy and security of Medi-Cal Personally Identifiable Information (PII).

Medi-Cal PII is information directly obtained in the course of performing an administrative function on behalf of Medi-Cal, such as determining Medi-Cal eligibility or conducting IHSS operations, that can be used alone, or in conjunction with any other information, to identify a specific individual. PII includes any information that can be used to search for or identify individuals, or can be used to access their files, such as name, social security number, date of birth, driver's license number or identification number. PII may be electronic or paper.

AGREEMENTS

NOW THEREFORE, County and the Contractor mutually agree as follows:

I. Privacy and Confidentiality

- A. Contractors may use or disclose Medi-Cal PII only to perform functions, activities or services directly related to the administration of the Medi-Cal program in accordance with Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq, or as required by law.

Disclosures which are required by law, such as a court order, or which are made with the explicit written authorization of the Medi-Cal client, are allowable. Any other use or disclosure of Medi-Cal PII requires the express approval in writing of DHCS. Contractor shall not duplicate, disseminate or disclose Medi-Cal PII except as allowed in the Agreement.

- B. Access to Medi-Cal PII shall be restricted to only contractor personnel who need the Medi-Cal PII to perform their official duties in connection with the administration of the Medi-Cal program.
- C. Contractor and/or their personnel who access, disclose or use Medi-Cal PII in a manner or for a purpose not authorized by this Agreement may be subject to civil and criminal sanctions contained in applicable Federal and State statutes.

II. Employee Training and Discipline

Contractor agrees to advise its personnel who have access to Medi-Cal PII of the confidentiality of the information, the safeguards required to protect the information, and the civil and criminal sanctions for non-compliance contained in applicable Federal and State laws. Contractor shall:

Addendum A – Page 2

- A. Train and use reasonable measures to ensure compliance with the requirements of this Agreement by their personnel who assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII; and take corrective action against such personnel who intentionally violate any provisions of this Agreement, up to and including by termination of employment. New employees will receive privacy and security awareness training from Contractor within 30 days of employment and receive regular reminders throughout their employment. This information will be recorded in employee records with dates of each training/reminder. These records are to be retained and available for inspection for a period of three years after completion of the training/reminders.

III. Management Oversight and Monitoring

The Contractor agrees to establish and maintain ongoing management oversight and quality assurance for monitoring workforce compliance with the privacy and security safeguards in this Agreement when using or disclosing Medi-Cal PII and ensure that ongoing management oversight includes periodic self-assessments.

IV. Confidentiality Statement

Contractor agrees to ensure that all contractor personnel who assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII sign a confidentiality statement. The statement shall include at a minimum, General Use, Security and Privacy Safeguards, Unacceptable Use, and Enforcement Policies. The statement shall be signed by the Contractor and their personnel prior to access to Medi-Cal PII.

V. Physical Security

Contractor shall ensure that Medi-Cal PII is used and stored in an area that is physically safe from access by unauthorized persons during working hours and non-working hours. Contractor agrees to safeguard Medi-Cal PII from loss, theft or inadvertent disclosure and, therefore, agrees to:

- A. Secure all areas of Contractor facilities where personnel assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII. The Contractor shall ensure that these secure areas are only accessed by authorized individuals with properly coded key cards, authorized door keys or access authorization; and access to premises is by official identification.
- B. Ensure that there are security guards or a monitored alarm system with or without security cameras 24 hours a day, 7 days a week at Contractor facilities and leased facilities where a large volume of Medi-Cal PII is stored.
- C. Issue Contractor personnel who assist in the administration of the Medi-Cal program identification badges and require County Workers to wear the identification badges at facilities where Medi-Cal PII is stored or used.

Addendum A – Page 3

- D. Store paper records with Medi-Cal PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks or locked offices in facilities which are multi-use (meaning that there are personnel other than contractor personnel using common areas that are not securely segregated from each other.) The contractor shall have policies which indicate that Contractor and their personnel are not to leave records with Medi-Cal PII unattended at any time in vehicles or airplanes and not to check such records in baggage on commercial airlines.
- E. Use all reasonable measures to prevent non-authorized personnel and visitors from having access to, control of, or viewing Medi-Cal PII.

VI. Computer Security Safeguards

The Contractor agrees to comply with the general computer security safeguards, system security controls, and audit controls in this section. In order to comply with the following general computer security safeguards, the Contractor agrees to:

- A. Encrypt portable computer devices, such as laptops and notebook computers that process and/or store Medi-Cal PII, with a solution using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution. One source of recommended solutions is specified on the California Strategic Sourced Initiative (CSSI) located at the following link: www.pd.dgs.ca.gov/masters/EncryptionSoftware.html. The Contractor shall use an encryption solution that is full-disk unless otherwise approved by DHCS.
- B. Encrypt workstations where Medi-Cal PII is stored using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- C. Ensure that only the minimum necessary amount of Medi-Cal PII is downloaded to a laptop or hard drive when absolutely necessary for current business purposes.
- D. Encrypt all electronic files that contain Medi-Cal PII when the file is stored on any removable media type device (i.e. USB thumb drives, floppies, CD/DVD, etc.) using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- E. Ensure that all emails sent outside the Contractor's e-mail environment that include Medi-Cal PII are sent via an encrypted method using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- F. Ensure that all workstations, laptops and other systems that process and/or store Medi-Cal PII have a commercial third-party anti-virus software solution and are updated when a new anti-virus definition/software release is available.

Addendum A – Page 4

- G. Ensure that all workstations, laptops and other systems that process and/or store Medi-Cal PII have current security patches applied and up-to-date.
- H. Ensure that all Medi-Cal PII is wiped from systems when the data is no longer legally required. The Contractor shall ensure that the wipe method conforms to Department of Defense standards for data destruction.
- I. Ensure that any remote access to Medi-Cal PII is established over an encrypted session protocol using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI. The Contractor shall ensure that all remote access is limited to minimum necessary and least privilege principles.

VII. System Security Controls

In order to comply with the following system security controls, the Contractor agrees to:

- A. Ensure that all Contractor systems containing Medi-Cal PII provide an automatic timeout after no more than 20 minutes of inactivity.
- B. Ensure that all Contractor systems containing Medi-Cal PII display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only. User shall be directed to log off the system if they do not agree with these requirements.
- C. Ensure that all Contractor systems containing Medi-Cal PII log successes and failures of user authentication and authorizations granted. The system shall log all data changes and system accesses conducted by all users (including all levels of users, system administrators, developers, and auditors). The system shall have the capability to record data access for specified users when requested by authorized management personnel. A log of all system changes shall be maintained and be available for review by authorized management personnel.
- D. Ensure that all Contractor systems containing Medi-Cal PII use role based access controls for all user authentication, enforcing the principle of least privilege.
- E. Ensure that all Contractor data transmissions over networks outside of the Contractor's control are encrypted end-to-end using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI, when transmitting Medi-Cal PII. The Contractor shall encrypt Medi-Cal PII at the minimum of 128 bit AES or 3DES (Triple DES) if AES is unavailable.
- F. Ensure that all Contractor systems that are accessible via the Internet or store Medi-Cal PII actively use either a comprehensive third-party real-time host based intrusion detection and prevention program or be protected at the perimeter by a network based IDS/IPS solution.

VIII. Audit Controls

Contractor agrees to an annual system security review by the County to assure that systems processing and/or storing Medi-Cal PII are secure. This includes audits and keeping records for a period of at least three (3) years. A routine procedure for system review to catch unauthorized access to Medi-Cal PII shall be established by the Contractor.

IX. Paper Document Controls

In order to comply with the following paper document controls, the Contractor agrees to:

- A. Dispose of Medi-Cal PII in paper form through confidential means, such as crosscut shredding and pulverizing.
- B. Not remove Medi-Cal PII from the premises of the Contractor except for identified routine business purposes or with express written permission of DHCS.
- C. Not leave faxes containing Medi-Cal PII unattended and keep fax machines in secure areas. The Contractor shall ensure that faxes contain a confidentiality statement notifying persons receiving faxes in error to destroy them. Contractor personnel shall verify fax numbers with the intended recipient before sending.
- D. Use a secure, bonded courier with signature of receipt when sending large volumes of Medi-Cal PII. The Contractor shall ensure that disks and other transportable media sent through the mail are encrypted using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.

X. Notification and Investigation of Breaches

The Contractor agrees to notify John Martire, Chief Welfare Investigator, at 467-5856.

XI. Assessments and Reviews

In order to enforce this Agreement and ensure compliance with its provisions, the Contractor agrees to inspections of its facilities, systems, books and records, with reasonable notice from the County, in order to perform assessments and reviews.

XII. Assistance in Litigation or Administrative Proceedings

In the event of litigation or administrative proceedings involving DHCS based upon claimed violations, the Contractor shall make all reasonable effort to make itself and its personnel who assist in the administration of the Medi-Cal program and using or disclosing Medi-Cal PII available to DHCS at no cost to DHCS to testify as witnesses.

8. **Agreements by Third Parties.** Business Associate shall enter into an agreement with any agent or subcontractor of Business Associate that will have access to PHI. Pursuant to such agreement, the agent or subcontractor shall agree to be bound by the same restrictions, terms, and conditions that apply to Business Associate under this Agreement with respect to such PHI.
9. **Access to Information.** Within five (5) days of a request by Covered Entity for access to PHI about an individual contained in a Designated Record Set, Business Associate shall make available to Covered Entity such PHI for so long as such information is maintained by Business Associate in the Designated Record Set, as required by 45 C.F.R. § 164.524. In the event any individual delivers directly to Business Associate a request for access to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.
10. **Availability of PHI for Amendment.** Within five (5) days of receipt of a request from Covered Entity for the amendment of an individual's PHI or a record regarding an individual contained in a Designated Record Set (for so long as the PHI is maintained in the Designated Record Set), Business Associate shall provide such information to Covered Entity for amendment and incorporate any such amendments in the PHI as required by 45 C.F.R. § 164.526. In the event any individual delivers directly to Business Associate a request for amendment to PHI, Business Associate shall within two (2) days forward such request to Covered Entity.
11. **Documentation of Disclosures.** Business Associate agrees to document disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528.
12. **Accounting of Disclosures.** Within five (5) days of notice by Covered Entity to Business Associate that it has received a request for an accounting of disclosures of PHI regarding an individual during the six (6) years prior to the date on which the accounting was requested, Business Associate shall make available to Covered Entity information to permit Covered Entity to respond to the request for an accounting of disclosures of PHI, as required by 45 C.F.R. § 164.528. In the case of an electronic health record maintained or hosted by Business Associate on behalf of Covered Entity, the accounting period shall be three (3) years and the accounting shall include disclosures for treatment, payment and healthcare operations, in accordance with the applicable effective date of Section 13402(a) of HITECH. Business Associate/Qualified Service Organization, Business Associate shall within two (2) days forward such request to Covered Entity.

13. **Electronic PHI.** To the extent that Business Associate creates, receives, maintains or transmits electronic PHI on behalf of Covered Entity, Business Associate shall:
 - (a) Comply with 45 C.F.R. §§164.308, 301, 312, and 316 in the same manner as such sections apply to Covered Entity, pursuant to Section 13401(a) of HITECH, and otherwise implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of electronic PHI;
 - (b) Ensure that any agent to whom Business Associate provides electronic PHI agrees to implement reasonable and appropriate safeguards to protect it; and
 - (c) Report to Covered Entity any security incident of which Business Associate becomes aware.
14. **Judicial and Administrative Proceedings.** In the event Business Associate receives a subpoena, court or administrative order or other discovery request or mandate for release of PHI, Covered Entity shall have the right to control Business Associate/Qualified Service Organization's response to such request. Business Associate shall notify Covered Entity of the request as soon as reasonably practicable, but in any event within two (2) days of receipt of such request.
15. **Availability of Books and Records.** Business Associate shall make its internal practices, books, and records relating to the use and disclosure and privacy protection of PHI received from Covered Entity, or created, maintained or received by Business Associate on behalf of the Covered Entity, available to the Covered Entity, the State of California, and the Secretary of the Department of Health and Human Services, in the time and manner designated by the Covered Entity, State or Secretary, for purposes of determining Covered Entity's compliance with the Privacy Standards. Business Associate shall notify the Covered Entity upon receipt of such a request for access by the State or Secretary, and shall provide the Covered Entity with a copy of the request as well as a copy of all materials disclosed.
16. **Breach of Contract by Business Associate.** In addition to any other rights Covered Entity may have in the Relationship, this Agreement or by operation of law or in equity, Covered Entity may i) immediately terminate the Relationship if Covered Entity determines that Business Associate has violated a material term of this Agreement, or ii) at Covered Entity's option, permit Business Associate to cure or end any such violation within the time specified by Covered Entity. Covered Entity's option to have cured a breach of this Agreement shall not be construed as a waiver of any other rights Covered Entity has in the Relationship, this Agreement or by operation of law or in equity.
17. **Effect of Termination of Relationship.** Upon the termination of the Relationship or this Agreement for any reason, Business Associate shall return to Covered Entity or, at Covered Entity's direction, destroy all PHI received from Covered Entity that Business Associate maintains in any form, recorded on any medium, or stored in any storage system, unless said information has been de-identified and is no longer PHI. This provision shall apply to PHI that is in the possession of Business Associate/Qualified Service Organizations or agents of Business Associate/Qualified Service Organization. Business Associate shall retain no copies of the PHI. Business Associate shall remain bound by the provisions of this Agreement, even after termination of the Relationship or the Agreement, until such time as all PHI has been returned, de-identified or otherwise destroyed as provided in this Section.

18. **Injunctive Relief.** Business Associate stipulates that its unauthorized use or disclosure of PHI while performing services pursuant to this Agreement would cause irreparable harm to Covered Entity, and in such event, Covered Entity shall be entitled to institute proceedings in any court of competent jurisdiction to obtain damages and injunctive relief.
19. **Indemnification.** Business Associate shall indemnify and hold harmless Covered Entity and its officers, trustees, employees, and agents from any and all claims, penalties, fines, costs, liabilities or damages, including but not limited to reasonable attorney fees, incurred by Covered Entity arising from a violation by Business Associate of its obligations under this Agreement.
20. **Exclusion from Limitation of Liability.** To the extent that Business Associate has limited its liability under the terms of the Relationship, whether with a maximum recovery for direct damages or a disclaimer against any consequential, indirect or punitive damages, or other such limitations, all limitations shall exclude any damages to Covered Entity arising from Business Associate/Qualified Service Organization's breach of its obligations relating to the use and disclosure of PHI.
21. **Owner of PHI.** Under no circumstances shall Business Associate be deemed in any respect to be the owner of any PHI used or disclosed by or to Business Associate by Covered Entity.
22. **Third Party Rights.** The terms of this Agreement do not grant any rights to any parties other than Business Associate and Covered Entity.
23. **Independent Contractor Status.** For the purposed of this Agreement, Business Associate is an independent contractor of Covered Entity, and shall not be considered an agent of Covered Entity.
24. **Changes in the Law.** The parties shall amend this Agreement to conform to any new or revised legislation, rules and regulations to which Covered Entity is subject now or in the future including, without limitation, HIPAA, HITECH, the Privacy Standards, Security Standards or Transactions Standards.

IN WITNESS WHEREOF, each Party hereby executes this Agreement as of the Effective Date.
