

RESOLUTION NO. 26-076

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS ADOPTING THE LIST OF ROAD MAINTENANCE AND REHABILITATION ACCOUNT PROJECTS FOR FISCAL YEAR 2026-27, FUNDED BY SENATE BILL 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 (CASPAR/COMPTCHE, REDWOOD VALLEY, POTTER VALLEY, UKIAH, AND CALPELLA AREAS)

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017, to address the significant transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Mendocino County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year (FY); and

WHEREAS, Mendocino County must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, Mendocino County, will receive an estimated \$5,962,776 in RMRA funding in FY 2026-27 from SB 1; and

WHEREAS, this is the ninth year Mendocino County is receiving SB 1 funding, which will enable Mendocino County to continue essential road maintenance and rehabilitation projects for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, Mendocino County has undergone a robust public process to ensure public input into our community's transportation priorities, including presenting the project list on page 583 of the FY 2025-26 County Budget and in the 20-year plan of the Department of Transportation Director's Report at the January 8, 2019 Board of Supervisors meeting; and

WHEREAS, Mendocino County used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help Mendocino County maintain and rehabilitate approximately eleven miles of surfaced roads this year and approximately 300 miles of similar projects into the future; and

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that Mendocino County's streets and roads are in an "at-risk/poor" condition, and SB 1 revenue will help us increase the overall quality of our road system, and over the next twelve years, will bring our streets and roads into a "fair" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure, with a focus on basic maintenance and safety and using cutting-edge technology, materials, and practices will have significant positive co-benefits statewide.

NOW, THEREFORE, BE IT RESOLVED by the Mendocino County Board of Supervisors as follows:
