

Dear Supervisors,

I am writing today to express my support for the ordinance to establish a Citizen's Advisory Committee for Law Enforcement Oversight (CACLEO). Law enforcement agencies all over the country are taking steps towards transparency, community involvement and oversight for officer and administration in order to make policing safer and more equitable for civilians and officers alike. Please support Supervisor Williams ordinance and vote yes on establishing the CACLEO for the Mendocino County Sheriff's Office.

Thank you,
Rick & Megan Sacks
