RE: INTRODUCE AND WAIVE READING OF AN ORDINANCE AMENDING SECTION 15.12.040 OF THE MENDOCINO COUNTY CODE - PARKING, PROHIBITING PARKING ON THE WESTERLY SIDE OF EVERGREEN STREET (COUNTY ROAD 407P) FROM MILE POST 0.00 TO 0.14 (MENDOCINO AREA)

Honorable Board Members:

Evergreen Street runs north/south between Main Street and Pine Street (0.14miles) in the village of Mendocino. This narrow road doesn't allow vehicles to park entirely off the pavement due to the proximity of fences to the east and a drainage ditch to the west.

Area residents and the Mendocino Fire Protection District are concerned with the lack of safe passage along Evergreen Street due to vehicles parking on both sides of the road and being unable to completely park off the pavement. Prohibiting parking on the entirety of the westerly side of Evergreen Street will allow clear passage to be enforced.

The Department of Transportation is herewith submitting an Ordinance for the Board's consideration to accomplish the modification to the parking portion of the County Code.

The Ordinance (copy enclosed) has been reviewed by County Counsel and approved as to form.

I will, of course, respond to any questions that the Board may have.

Respectfully submitted,

HOWARD N. DASHIELL
Director of Transportation
