

RESOLUTION NO. 23-080

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE PROCESSING OF A CONSOLIDATED COASTAL DEVELOPMENT PERMIT BY THE CALIFORNIA COASTAL COMMISSION FOR TROUT UNLIMITED TO RESTORE AND ENHANCE ALCOVE HABITAT FOR JUVENILE AND ADULT SALMONIDS IN DRY DOCK GULCH IN THE MENDOCINO AREA

WHEREAS, the Coastal Act was amended by Senate Bill 1843 effective January 1, 2007, which allows for a consolidated permitting process for projects for which the Coastal Development Permit authority is shared by a local government and the California Coastal Commission; and

WHEREAS, SB 1843 requires that the applicant, the local government, and the California Coastal Commission agree to the consolidation; and

WHEREAS, the proposed habitat restoration project consisting of replacement of an undersized perched stream crossing, channel construction, pond conversion, off-channel alcove construction, and associated improvements at Dry Dock Gulch in the Mendocino Area is under the coastal development permit authority of both Mendocino County and the California Coastal Commission and would otherwise require a Coastal Development Permit from both Mendocino County and the California Coastal Commission for the improvements located within each jurisdiction; and

WHEREAS, pursuant to Public Resources Code Section 30601.3, added by SB 1843, consolidation may only proceed where public participation is not substantially impaired by the consolidation; and

WHEREAS, public participation will not be substantially impaired as the California Coastal Commission will hold a public hearing, which may be attended by all interested parties (by either being present during a properly noticed California Coastal Commission meeting or by timely submitting comments in advance of a meeting) and the consolidation of the permit process will allow for this project, which involves the replacement of an undersized perched stream crossing, channel construction, pond conversion, off-channel alcove construction, and associated improvements at Dry Dock Gulch in the Mendocino Area, to be evaluated in its entirety.

NOW, THEREFORE, BE IT RESOLVED that the Mendocino County Board of Supervisors authorizes the California Coastal Commission to accept and process a consolidated Coastal Development Permit application for the Trout Unlimited for the replacement of an undersized perched stream crossing, channel construction, pond conversion, off-channel alcove construction, and associated improvements at Dry Dock Gulch in the Mendocino Area finding that pursuant to Public Resources Code Section 30601.3 consolidation for this project is appropriate as public participation will not be substantially impaired by the consolidation.

The foregoing Resolution introduced by Supervisor Williams, seconded by Supervisor Mulheren, and carried this 25th day of April, 2023, by the following vote:

AYES: Supervisors McGourty, Mulheren, Haschak, Gjerde, and Williams
NOES: None
ABSENT: None

WHEREUPON, the Chair declared said Resolution adopted and SO ORDERED.

ATTEST: DARCIE ANTLE
Clerk of the Board
