CULVER CITY

Culver City is quickly becoming a major hub for new media ventures, as Amazon recently announced plans to lease 280,000 square feet of space at the Culver Studios, which is just a few blocks from the Apple site.

Culver city is a hip, modern and progressive community that sits right between the beach and downtown Los Angeles. Culver City combines unique restaurants and entertainment with a rapidly expanding multimedia hub. Culver City is an ideal retail location on Los Angeles' Westside, just minute. from LAX, Marina Del Rey, Santa Monica, and Downtown Los Angeles. Surrounded by nearly 295,000 households within a five mile radius, and a network of high-volume freeways (the 405 (San Diego) and the 10 (Santa Monica), Culver City offers great opportunity for businesses.

A daytime population of 60,000 creates tremendous demand for retail and personal services in the City's business districts. Culver City captures more than twice its share of Los Angeles County employment and 3x its share of sales tax revenues.

A UNIQUE DESTINATION

Culver City is a destination filled with outdoor cafes, unique shops and galleries opening onto pedestrian-friendly boulevards. Handsome landmark buildings, cutting-edge media facilities and creative workshops exist throughout. Culver City is also becoming a major food destination. Old restaurants are thriving again, and new ones pop up every day. Downtown Culver City is home to around twenty non-chain restaurants that offer everything from sushi to barbecue to Korean to organic fare. Downtown Los Angeles is one of Los Angeles' most talked about walking neighborhoods.

While most known for its vast array of delicious local and global cuisine, it is also home to a burgeoning art scene and live music venues consistently showcase the best bands from all over LA.
