RE: ADOPTION OF RESOLUTION ESTABLISHING THE TOTAL MILEAGE OF COUNTY MAINTAINED ROADS AT 1,017.12 MILES AS OF DECEMBER 31, 2024 (COUNTY WIDE)

Honorable Board Members:

Applicable provisions of the California Streets and Highways Code require that in May of each year, each County shall submit to the California Department of Transportation (Caltrans) any changes to the adopted County Maintained Road mileage during the previous calendar year. In compliance with these provisions, the Mendocino County Department of Transportation (MCDOT) has prepared the required documentation.

MCDOT has recalculated the mileage for County Maintained Roads using current segment length measurements and the most recent functional classifications and has determined that the total mileage is 1,017.12 miles as of December 31, 2024, which is 0.07 miles more than reported last March. This includes the extension of Feed Lot Lane (CR 250B) by 361 feet.

Upon adoption of the Resolution, MCDOT will forward the required certifications to Caltrans for its review and processing.

I will, of course, respond to any questions that you may have.

Respectfully submitted,

HOWARD N. DASHIELL
Director of Transportation
