Re: Support for the Boonville Road/Woodyglen Lane Cannabis Prohibition Combining District.

Dear Members of the Board of Supervisors,

We live within the boundaries of the Boonville Road/Woodyglen Lane proposed Cannabis Prohibition Combining District(CPCD) and we strongly support the creation of this district. We personally feel that including CPCD's as well as inclusion overlays in Mendocino County's Cannabis ordinance provides choices for residents and allows for more self-determination in our very diverse county.

Our neighborhood very much appreciates the process the County initiated for the creation of these Combining Districts and the involvement of Michael Baker International in successfully creating proposed changes to the code. We would also like to acknowledge and thank the Planning Commission for unanimously recommending approval of this CPCD.

Please approve the Boonville Road/Woodyglen CPCD and the implementation of this district before the end of this calendar year.

Thank you.
