Performance deficiencies, if any, and necessary corrective actions will be documented in formal evaluations. Evaluations shall include space for employee comments. An employee's signature on a performance evaluation indicates receipt of the evaluation only and is not to be construed as an agreement of the evaluation, or comments made by the evaluator.
- An appointing authority may require the evaluation of an employee at such other times as he/she feels appropriate.
- The appointing authority, or designee, shall arrange for explanation and discussion of the evaluation with the employee. The employee may make written comments regarding the evaluation which shall be attached to the evaluation, which shall be placed in the employee's personnel file.

Mendocino County shall comply with the applicable provisions of the Americans with Disabilities Act (ADA).

ADA Accommodation Provisions

Because the ADA requires accommodations for individuals protected under the Act, and because these accommodations must be determined on an individual, case-by-case basis, the parties agree that the provisions of this MOU may be waived in order for the County to avoid discrimination.

The Teamsters recognizes that the County has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions. The Teamsters will be notified of these proposed accommodations prior to implementation by the County.

Any accommodation provided to an individual protected by the ADA shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the grievance procedure.

A waiver may be granted for any provision of this MOU in order to undertake required accommodations for an individual protected by the Act. The County will provide the Teamsters with notice of its intent to waive the provision and will discuss Teamsters proposed options in a non-meet and confer forum.

8. No Discrimination Based on Teamsters Activity

Provisions of this MOU shall be equally applied to all employees in the bargaining unit without discrimination based on Teamsters activity.

9. Reassignment / Relocation

Assignment of job duties is a management right. It is the sole discretion of a department head to assign employees to job duties within the scope of their classifications or as emergency conditions require, in a manner to effectively carry out the functions of the department and service to the public.

The County and the Teamsters recognize that reassignments may occur in the fulfillment of these functions.

However, in the furtherance of fairness to employees, creating better service to the public, and better communications and morale, the County agrees that in the absence of agreement by the employee, the County will provide the following information to an affected employee, prior to initiating a reassignment that requires the relocation of an employee to a facility more than twenty-five (25) miles from their current job site:

The appointing authority shall notify the Teamsters at the time of the request of any charges that are appropriate to offset the costs of such use.

6. Communications

These systems are under the sole control of the County and all communications may be monitored to ascertain authorized use. Improper use of these systems may result in discipline, up to and including discharge.

The Teamsters understand that the continuance or discontinuance of the interdepartmental messenger service and its e-mail system is a matter within the sole discretion of the County, and that not all work locations or employees have e-mail or Internet access. All time for the above recognized steward activity shall be paid release time.

The Teamsters and the County agree that employee performance evaluation meetings, or other meetings that do not include a discussion of discipline, will not create a right for steward representation or assistance at the meeting.

While the Teamsters are free to choose its stewards from employees, the parties agree that the number of stewards from any one department, division, or work area will not hinder effective working relationships or productivity and delivery of County services. Neither the County nor the Teamsters shall interfere with, intimidate, coerce, or discriminate against employees or Teamsters stewards for performing their representational duties.

Probation Officers who are required to work through their lunch time may be allowed to flex their schedule to make up for the lost lunch period within the same day or during the applicable work period.

3. Flex-Time Schedule

The County reserves the right to utilize a flex-time schedule. An employee and the employee's appointing authority must agree to the flex-time assignment before the hours are worked. Employees assigned to a flex-time schedule will be eligible for compensation for overtime when required by law or when the employee's pay status hours exceed eighty (80) in the employee's regular fourteen (14) day work period. The County reserves the right to discontinue the flex-time schedule and reassign an employee to a normal daily work schedule based on the operational needs of the department.

4. Changes of Schedule

Except when operational emergencies arise, notice of a change in an employee's work schedule – other than for changes caused by a transfer, re-assignment or promotion- will be given to an affected employee not less than five (5) calendar days prior to the effective date of the schedule change. An employee may agree to waive the full notice requirement.

Unless the change in schedule has been requested or waived by the employee, failure to give the five (5) calendar days notice to a full-time employee shall entitle the affected employee to compensation equaling one-and-one-half (1½) times the employee's base hourly rate for all hours actually worked on the new schedule which are exclusive of the old schedule until five (5) calendar days notice has been achieved. However, for each such hour worked that constitutes statutory overtime, compensation shall be based on the regular rate of pay so that one-and-one half (1½) time is not compounded upon one-and-one-half (1½) time.

5. Shift Bidding

Juvenile Hall employees will be subject to schedule sign-up every six (6) months (approximately 180 days). Members shall be awarded their shift bid based on seniority. The Chief Probation Officer or designee retains the right to make exceptions, at their discretion, due to business necessity circumstances. Seniority of members, for purpose of scheduling is established first by time in rank, second by total length of time in service with the Probation Department and third by total length in time with Mendocino County. Training Officers may be rotated at the discretion of the Juvenile Hall Division Manager based on training needs of other members.

No employee shall work overtime unless authorized by the employee's designated supervisor.

After the twelfth (12th) consecutive hour, no employee shall be required to work mandatory overtime, except when operational emergencies arise.

Non-statutory ("contractual") overtime is defined as hours in pay status in excess of the normal full-time work schedule, e.g. hours worked in excess of eighty (80) per pay period or in excess of an employee's normal daily work shift. Contractual overtime is also defined as hours actually worked on the seventh consecutive full (8, 9, 10, or 12) hour day and any consecutive full (8, 9, 10, or 12) hour days worked thereafter; however, individual employees may waive such overtime with the consent of the Teamsters.

Overtime eligibility provisions are not cumulative. An employee shall not be entitled to multiple overtime compensation even though more than one of the conditions set forth above may apply with respect to a particular unit of time.

8. Assignment of Overtime

Employees who wish to work discretionary overtime may notify the supervisor in writing of their availability.

In non-emergency situations, the department head or designee will assign overtime to employees on the availability list, on a rotating basis, with as much advance notice as is reasonably possible.

Except in emergency operations, no bargaining unit employee shall be required to work in excess of sixteen (16) hours in a twenty-four (24) hour period.

In assigning overtime, the department may consider such factors as – but not limited to – location of work assignment, the type of work activity, level of supervision needed by the employee, the skills needed to perform the work, and the availability of the employee.

When an overtime assignment is accepted, the County shall indicate the method of payment (i.e., cash or compensatory time off).

Probation officers on overtime assignments at Juvenile Hall shall be paid cash overtime only.

9. Overtime Compensation

All overtime shall be earned at the rate of one-and-one-half (1½) hours for each one (1) overtime hour worked. Overtime compensation will be payable on the pay date for the pay period in which it was earned, or later as permissible by law.

Non-exempt employees shall be compensated for overtime earned either in cash or as compensatory time off.

No employee shall take compensatory time off without prior approval of the employee's appointing authority. The appointing authority shall attempt to schedule such time off at the time agreeable to the employee.

Unused CTO shall be paid out in pay period 13. Notification of pay out date shall be provided to all employees upon hire.

11. Rest Period

Each department head shall grant rest breaks to employees, except where unusual operational demands prevent a rest break. Rest breaks will not be unreasonably or consistently denied. The rest period shall not exceed fifteen (15) minutes in any four (4) consecutive hours of work and shall be considered as time worked.

12. Duty-Free Meal Period – Adult and Juvenile Division

Employees shall be granted a duty-free meal period during each work shift which exceeds six (6) consecutive hours. The duration of the meal period may be not less than thirty (30) minutes nor greater than sixty (60) minutes and will be scheduled as near to the middle of the work shift as reasonably possible. Different meal periods may be assigned to different work units in the same County department or division. Duty-free meal periods shall not be considered as time worked.

13. On Duty Meal Periods – Youth Corrections Officers

When a holiday listed herein above falls on a Sunday, and an employee is not regularly scheduled to work on the Sunday, the following Monday is designated as a paid holiday in lieu of a paid holiday on the Sunday.

Nothing contained in this Article shall be construed to result in an employee receiving any consideration, credit, or payment for the same holiday twice.

An employee shall receive holiday pay if the employee is in pay status on either the workday prior to the holiday or the workday immediately following the holiday.

3. Holidays – Juvenile Hall Division

Juvenile Hall Division employees who work on holidays will be paid time and one-half for every hour worked on the holiday.

Effective January 1, 2020, Juvenile Hall Division employees will receive holiday leave hours in lieu of paid holidays off or other lump sum holiday compensation. The hours added to the bank annually shall be as follows:

ARTICLE 15. VACATION

1. Vacation Accrual

A. Full-Time Employees

Permanent full-time employees shall begin to accrue vacation on their first day of hire, but they are not eligible to use it until they have completed six (6) months of service (i.e., 13 pay periods). Thereafter, vacation shall accrue at the rate of 3.079 hours per pay period of service until the employee has completed three (3) years of service; thereafter, vacation shall accrue at the rate of 4.616 hours every pay period until the employee has completed eight (8) years of service; thereafter, vacation shall accrue at the rate of 6.157 hours per pay period until the employee has completed fifteen (15) years of service; thereafter, vacation shall accrue at the rate of 7.694 hours per pay period.

B. Accrual for Part-Time

Every permanent, part-time employee who is employed a minimum of twenty (20) hours per week shall receive a portion of the vacation benefits in direct relation to the fixed percentage of full-time work to which the position is budgeted and allocated.

2. Calculation of Service for Vacation

Each year of service shall consist of twenty-six (26) bi-weekly pay periods as calculated from the first day of the pay period following the day on which the employee commenced County service, unless said service commenced on the first working day of the pay period, in which case, years of service shall be calculated from the day that the employee commenced County service. Paid sick leave, paid military leave, or other forms of leave with pay shall be counted in years of service. Any employee absent from his duties without pay for more than sixteen (16) hours in a pay period shall neither accrue vacation leave for that pay period nor have the pay period counted for the purpose of calculating length of service.

3. Vacation Accrual Limits

- An employee, who has worked three (3) years or less, may accrue up to two-hundred and forty (240) hours of vacation.
 - An employee, who has worked fifteen (15) years or less, may accrue up to three-hundred and twenty (320) hours of vacation.
 - Thereafter, an employee may accrue up to four hundred (400) hours of vacation.
 - No Accrual in Excess of Limits
Notwithstanding the accrual provisions set forth in Article 14.3 above, except as hereinafter provided in Article 14.4 herein below, an employee whose accrual exceeds the limits set forth above shall accrue no additional vacation.
4. Accrual Limits During Sick Leave
When an employee who is receiving paid sick leave reaches the maximum number of accrued vacation hours set forth in Article 14.3, during the period of such paid sick leave, the accrual limits shall be waived and the employee shall continue to accrue vacation at the normal rate. The waiver of the normal accrual limits shall not become effective until the employee has filed with the Human Resources Department a valid statement from their physician stating that they cannot return to work. The waiver of the stated vacation accrual limits shall continue for thirteen (13) pay periods, if necessary, after the pay period in which the employee returns to work. During the waiver period, the employee will use enough vacation so that the balance of accrued vacation will not exceed the stated limits. Any such excess vacation accrual not used shall be forfeited and removed from the employee's record, with no compensation being made for the employee. After the stated period of thirteen (13) pay periods, the vacation accrual limits will again be effective for the employee.
 5. Vacation Accrual Upon Termination
When an employee terminates, the accrual of vacation shall cease as of the last day of work, except when an employee is on paid sick leave. If an employee should be on paid sick leave, the accrual of paid vacation shall continue until paid sick leave has been exhausted.
 6. Vacation Accrual Upon Layoff/Re-Employment
An employee who has been laid off from County service because a position is abolished, or because of a lack of work or lack of funds, and who is re-employed within the period provided for restoration or re-employment, shall accrue vacation benefits at the same rate their benefits accrued prior to the date of layoff. Continuous County service immediately prior to the date of layoff shall be added to future service after re-employment for purposes of calculating years of service, pursuant to this Section.
 7. Use of Accrued Vacation
Except as hereinafter provided, every effort shall be made to arrange vacation schedules so that each employee will take as much vacation in each year as accrued to them in that year.
 8. Scheduling of Vacations
The scheduling of vacations for employees shall be the responsibility of each department head who shall see that applications for vacation are made far enough in advance so as to achieve the most efficient functioning of the department and of the County service. Use of vacation may be allowed to a minimum of fifteen (15) minutes and to a maximum of the employee's accrual balance. Vacation leave accruing during the period of vacation leave may be taken in conjunction with vacation leave already accrued. No employee shall work for compensation for the County in any capacity during the period of their paid vacation from County service.
 9. Cash Out for Exceptional Circumstances
In exceptional circumstances, such as cases of extreme emergency, compensation in lieu of unused vacation leave, not to exceed the equivalent of eighty (80) hours, may be paid to an employee upon approval of the Board of Supervisors, provided that the employee consents and the department head

submits a request to said Board prior to the date that the employee's accrued vacation leave reaches the maximum allowed. The amount of compensation paid to an employee shall be calculated at the employee's current rate of pay.

10. Annual Vacation Cash-Out

Once each fiscal year, an employee who is accruing 6.157 hours or more of vacation per pay period and who has utilized 80 hours of vacation in the previous twenty-six (26) pay periods may cash-out up to forty (40) hours of vacation provided that the employee is left with an accrued balance of at least forty (40) hours. To be eligible for the annual vacation cash-out, the employee must submit an irrevocable election form no later than December 15th of each year to receive payment of accrued vacation in the following year. Vacation will be cashed out at the employee's hourly rate.

A. Irrevocable Election

To cash out vacation leave in the subsequent calendar year, each employee must fill out an Irrevocable Election Form and submit it to Human Resources during the County open enrollment period. The County will provide employees with the Irrevocable Election Form in advance of the deadline for receipt of the form.

Employees who do not submit a completed Irrevocable Election Form by the required date will not be permitted to cash out leave in the subsequent calendar year.

On the Irrevocable Election Form, an employee must irrevocably elect the number of vacation leave hours he or she wishes to cash out in the subsequent calendar year. For example, if an employee wishes to cash out up to 40 hours of vacation leave in calendar year 2023, he or she must irrevocably elect to do so in calendar year 2022.

Employees who irrevocably elect to cash out leave in the subsequent calendar year are not required to do so. However, employees may only cash out leave in an amount up to the amount set forth in their Irrevocable Election Form.

Employees must submit an Irrevocable Election form on an annual basis.

B. Cash Out Must Be Accrued in the Same Calendar Year

An employee may only cash out vacation leave accrued in the same calendar year - regardless of how many vacation leave hours the employee has accrued in previous years. For example, if an employee wishes to cash out 40 hours of vacation leave in February, but has only accrued 24 at the time of the request, the employee may only cash out 24 hours at the time of the request.

11. Vacation Pay Upon Termination

Any employee after thirteen (13) pay periods of part-time service of twenty (20) hours or more per week in a permanent allocated position or after thirteen (13) bi-weekly pay periods of permanent full-time service shall be paid, upon termination, an amount of money equal to their accrued vacation. When an employee's effective date of termination occurs after the completion of one (1) full week in a given pay period, they shall be deemed to have accrued vacation leave for that pay period. A terminated employee may not be re-employed by the County for compensation in any capacity until the total number of working days of accrued vacation has elapsed. This Article shall not prevent a department head from filling a vacated position immediately following the effective date of the employee's separation from their department, provided funds are available.

A. Vacation Pay Upon Termination of Probationary Employees

When a permanent full-time employee is terminated prior to the completion of twenty-six (26), the employee shall receive payment for 3.079 hours of vacation accrual for each pay

period worked. A permanent-part-time employee who is employed a minimum of twenty (20) hours per week shall receive payment in direct relation to the fixed percentage of full-time work to which the position is budgeted and allocated.

County employees summoned for jury duty or subpoenaed for court appearances shall be compensated as follows:

- 1) Any employee summoned for duty shall be entitled to a leave of absence with full pay for such period of time as may be required to attend court in response to such summons. The employee may retain such payments as may be allowed for travel, lodging and meal expenses; but as a condition for entitlement to court leave, said employee shall not be entitled to any and all fees as payment for services as a juror or witness. Any such payment(s) shall be made payable to the County of Mendocino.
- 2) As an option, an employee, when summoned for duty, may choose to use accrued vacation, CTO, personal leave, or leave of absence without pay. In these cases, the

employee will be entitled to retain all fees received as payment for jury and witness duty, including allowances paid for travel, meals, and lodging.

An employee who works on the night shift or the p.m. shift, who is called to jury duty may be excused from all or part of their shift to accommodate their jury service. Any time that is excused in excess of the number of hours in jury duty attendance, plus reasonable travel time, must be "made up". The Department Head and the employee will make every reasonable effort to schedule the "makeup" of any hours. Hours may be made up by scheduling additional hour of work, or by utilizing vacation and compensatory time. This makeup of work time owed to the County shall not be compensated as overtime.

To be eligible for such jury duty leave, the employee must advise the affected Department Head in writing of his/her summons to jury duty and, after jury duty service, report to the Department Head the number of hours the employee was detained for jury duty service; including reasonable travel time

B. Appearance Regarding County Duty

Whenever a permanent employee is subpoenaed to appear in court for any reason pertaining to their regular Mendocino County duties, they shall receive their regular County salary for such court appearance. Such court appearance shall be counted as hours worked by them and as part of their regular work week. Such employee shall make payable to the County any fee which they receive for serving as a witness.

C. Appearance for Non-County Reasons

Whenever a permanent employee is subpoenaed to appear in court for a matter or reason not pertaining to their regular Mendocino County duties, such appearance shall not be considered a part of their regular work week, and such employee shall not receive County pay unless the employee chooses to use CTO, vacation, or personal leave for such appearance. Additionally, such employee shall be entitled to retain any fee paid for service as a witness, together with all allowances paid for travel, meals, and lodging.

11. Unpaid Leave

Department heads may grant leaves without pay, not to exceed five (5) working days, to employees of their department.

Requests for leaves without pay for periods up to three (3) months shall be submitted to the affected department head and the Human Resources Department; requests for leaves without pay in excess of three (3) months shall be submitted to the Civil Service Commission for approval or disapproval.

ARTICLE 20. DISCIPLINARY ACTIONS

1. Definitions:

A "disciplinary action" includes the following actions: reprimand, dismissal, demotion, or suspension without pay.

For the purposes of this Section a "working day" is defined as a day in which Mendocino County administrative offices are open to the public.

2. Representation

The employee may be represented throughout the process of discipline by a representative of the employee's choice.

3. Notice of Charges

To initiate disciplinary action against a permanent Civil Service employee, the appointing authority must submit to the employee a written Notice of Intent to Take Disciplinary Action and file a copy with the Human Resources Director. The Notice must state specifically the reason(s) for the action with accompanying documentation and explain the employee's "Skelly" rights of appeal.

A. Rights of Access

The employee shall be given access to copies of all materials supporting the proposed action and shall be provided with copies upon request.

B. Request for "Skelly" Hearing

The employee may appeal the proposed action and request a hearing by responding in writing to the appointing authority within five (5) working days of receipt of the Notice. Upon receipt of timely response, the appointing authority or designee shall schedule and conduct a "Skelly" hearing as soon as possible.

C. Conduct of Skelly Hearing

The appointing authority or designee shall be the hearing officer at the informal "Skelly" hearing. Upon consideration of all materials and discussions presented at the hearing, the appointing authority or designee may determine to uphold, modify, or revoke the proposed disciplinary action.

4. Order of Disciplinary Action

If the employee does not respond to the Notice of Intent within the prescribed time limits, or if, after hearing, the appointing authority determines that disciplinary action is appropriate, the appointing authority shall submit to the employee a written Order of Disciplinary Action. The Order shall state the proposed action, the reasons for the action, and the employee's rights of appeal.

A. Appeal of Order of Disciplinary Action

The employee, within ten (10) working days after the Order is furnished to the employee, may appeal the Order in writing to the Civil Service Commission. Such appeal shall be submitted to the Human Resources Director who shall schedule the matter for hearing by the Civil Service Commission within twenty (20) working days of the submittal date, or a specific date that is mutually agreed upon by the Appellant, the County, and the Civil Service Commission. The agreed upon date shall be confirmed in writing to all parties.

Within twenty (20) working days from filing an appeal, the Commission, or its referee, shall hold a hearing which may be continued from time-to-time, and at the conclusion thereof either affirm, modify, or revoke the Order. The appellant may appear personally, produce evidence, be represented by counsel, and have a public hearing if it is desired. If the Commission appoints a referee, a complete transcript shall be made and presented to the Commission.

ARTICLE 21. GRIEVANCE PROCEDURE

1. Purpose
The County and the Teamsters agree to this Grievance Procedure in order to provide an orderly procedure to promptly resolve grievances of employees covered by this MOU.
2. Definitions
Grievance Defined. A grievance is a claim by an employee(s) (1) concerning or alleging that a written County-wide rule, regulation, resolution, ordinance, policy, procedure, OR (2) provision of this MOU, has been violated or misapplied to the disadvantage of the employee or the Bargaining Unit. Excluded from this definition is:
 - An allegation intended for the purpose of changing a written County-wide rule, regulation, resolution, ordinance, policy, procedure, or provision of this MOU; or,
 - An allegation for which appeal is already provided in Civil Service Rules or the Mendocino County Code.
- A. Working Day Defined
For the purpose of this Article, a "working day" is defined as a day in which Mendocino County administrative offices are open to the public.
3. Standing to Initiate Grievance
The Union, and/or an individual employee or the Teamsters, in good faith, has an actual grievance with the County over a grievable matter as defined in Article 21 may file a grievance. If the Teamsters and the Human Resources Director mutually agree the grievance may initially be filed at the Department Head level.

At any step of the grievance procedure, the employee may represent themselves, or may be represented by a Teamsters representative, who may be a County employee (excluding their supervisor or manager).
4. Grievance Procedure - Initiation
The grievance must be initiated within ten (10) working days from the date of the action or occurrence giving rise to the grievance, or within ten (10) working days of when the grievant knew of, or could have reasonably discovered, such action or occurrence.
5. Time Limits
Time limits specified in each step of the procedure shall be strictly observed and may only be extended by mutual agreement of the parties in writing.

Failure of a grievant to observe a time limit shall terminate the grievance. Failure of the party to whom the grievance is submitted to observe the time limits shall give the grievant the right to move the grievance to the next level.
6. First Step
The grievance shall first be discussed on an informal basis by the grievant with the grievant's immediate supervisor within ten (10) working days from the date of the action causing the grievance, as provided in Article 21.4 above. The immediate supervisor shall respond within ten (10) working days. Every effort shall be made by the parties to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. Such discussions will be held, whenever possible, during the grievant's work hours.
7. Second Step

In the event the employee believes the grievance has not been satisfactorily resolved at Step 1, the employee shall submit the grievance in writing, with a copy to County Human Resources and the Teamsters, to the next level supervisor within ten (10) working days after receipt of the immediate supervisor's response. Such written grievance shall:

- A. Fully describe the grievance and how the employee was adversely affected by the County;
- B. Set forth the written County-wide rule, regulation, resolution, ordinance, policy, procedure, or provision of this MOU, that has been allegedly violated;
- C. Indicate the date(s) of the incident(s) grieved; and
- D. Specify the remedy or solution to the grievance sought by the employee.

8. Response to Second Step

The written grievance shall be responded to in writing by the responsible supervisor within ten (10) working days from the time the written grievance is received, and a copy sent to County Human Resources and the Teamsters. The written response shall include:

- 1) A complete statement of the supervisor's position and the facts upon which it is based; and
- 2) The remedy or correction which has been offered, if any.

If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the department head, with a copy to County Human Resources and the Bargaining Unit within ten (10) working days of receipt of the written response at Step Two.

9. Third Step

Within ten (10) working days after receiving the completed grievance form, the department head, or their representative, shall meet with the employee and shall discuss the grievance. The department head shall give their decision within ten (10) working days after the discussion and send a copy of the decision to Human Resources and the Teamsters.

Should the employee remain aggrieved, the decision of the Department Head may be appealed to Step Four, binding arbitration. Such appeal must be made within ten (10) working days of receipt of the written decision of the Department Head.

A. Optional Mediation

Prior to a grievance moving to Step Four, the parties may, by mutual agreement, request the assistance of a mediator from the State Conciliation & Mediation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance. If the grievance is not resolved, discussions during mediation shall not be admissible in any subsequent hearing.

10. Fourth Step

If the grievance is not settled following completion of the Third Step of the grievance procedure, the Teamsters may request binding arbitration. The request for binding arbitration must be submitted to the Human Resources Director, in writing, within ten (10) working days of receipt of the response from Step Three.

An arbitrator may be selected by mutual agreement of the County and the Teamsters. Should the parties fail to agree on an arbitrator, they shall make a joint request to the State Conciliation Service for a list of five (5) qualified arbitrators. The arbitrator shall be selected from the list by the parties alternately striking names, with the opportunity to strike determined by chance.

All documentation supporting the parties' positions shall be filed at least ten (10) days before the hearing with the arbitrator.

The arbitrator shall not have power to alter, amend, change, add to, or subtract from any of the terms of this MOU. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties. The decision of the arbitrator shall be final and binding upon the parties.

The cost of employing the arbitrator shall be borne equally by the parties. All other costs such as, but not limited to, attorney's fees and witness fees shall be borne only by the party incurring that cost.

A. Court Reporter/Transcript Fees

If a court reporter is requested, the requesting party is obligated to pay for the services of the court reporter.

Cost of transcript copies shall be borne by those parties requesting copies.

B. Individual Obligation for Non-Union Approved Arbitration

If the grievance has not been sanctioned by the Union, the grievant will incur all expenses of arbitration and the Union and the County shall be held harmless.

11. Non-Retaliation

Employees who file a grievance or who participate in a grievance procedure shall be free from harassment or retaliation as a result of filing or participating in a grievance.

12. Maintenance of Performance Standards by Grievant

Employees who file a grievance are in no manner excused or exempt from performance standards of the job. Job performance standards will be maintained throughout and following any action undertaken as a result of this grievance procedure.

13. Award Limit

The arbitrator's award shall be binding upon the Teamsters. To the extent that the award of the arbitrator is in excess of Five Thousand Dollars (\$5,000) per individual grievant, it is advisory only to the amount of the award over Five Thousand Dollars (\$5,000). All other terms shall be binding on the County. If within sixty (60) days of receiving notice of decision and award requiring an expenditure in excess of Five Thousand Dollars (\$5,000) per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of Five Thousand Dollars (\$5,000) per individual grievant. The Teamsters may then resort to a court of competent jurisdiction to pursue other available legal remedies.

ARTICLE 22. FULL UNDERSTANDING, MODIFICATION, WAIVER

1. Full Understanding

This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein. Any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

A. Waiver

Except as specifically provided herein, it is agreed and understood that the Teamsters voluntarily and unqualifiedly waives its right to and releases the County from any obligation to meet and confer on any subject or matter contained herein. The Teamsters acknowledge that the County has fulfilled its obligations under Government Code §3505 for the length of this MOU for the matters contained herein.

B. Modification

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto, unless made and executed in writing by the parties hereto, and if required, approved and implemented by the County's Board of Supervisors.

To the extent a side letter between the parties is not expressly incorporated in this MOU or explicitly mentioned herein, all other previously executed side letters between the parties are recognized as obsolete and no longer in effect as of the date of execution of this MOU. The following side letters are exempt from this exclusion:

C. No Limit on Civil Service Commission Authority

Nothing in this MOU shall be construed to limit or remove the existing or future jurisdiction or authority of the Civil Service Commission.

D. Non-Precedent Setting

The waiver of any breach, term, or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

E. Invalidation (Severability)

If, during the term of this MOU, any item or portion thereof is held to be invalid by operation of any applicable law, rule, regulation, or order issued by governmental authority or tribunal of competent jurisdiction; or if compliance with, or enforcement of the item or portion thereof shall be restrained by any tribunal, such provision of this MOU shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this MOU shall not invalidate any remaining portion which shall continue in full force and effect.

F. Replacement

In the event of suspension or invalidation of any article or section of this MOU, the parties agree, except in an emergency situation, to meet and confer within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE 23. TERM OF AGREEMENT

This MOU shall be effective on July 1, 2023 and shall remain in full force and effect through and including June 30, 2026 and shall continue thereafter from year to year unless at least sixty (60) days prior to June 30, 2026 either party files written notice with the other of its desire to amend, modify or terminate this MOU.
