

RESOLUTION NO. 24-086

RESOLUTION OF INTENTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS TO ESTABLISH A NEW SPECIAL BENEFIT ASSESSMENT FOR THE MAINTENANCE, DRAINAGE, AND FLOOD CONTROL OF THE "WILLITS CREEK AND FIRCO EMERGENCY ACCESS ROUTES"

WHEREAS, Government Code, §§ 54703, et seq. creates a means for Counties to raise funds to finance property-related services through the imposition of an assessment upon the property that specially benefits from those services; and

WHEREAS, Government Code section 54715 permit the County to propose a special benefit assessment upon properties that will receive special road maintenance and drainage services where residents are willing to pay for those property-related services; and

WHEREAS, the area commonly referred to as "Sherwood Firewise Communities (SFC)," contains approximately 3,700 residents and some 6,500 parcels within portions of Brooktrails, Spring Creek, Sylvandale, and Gates Subdivisions and is only regularly accessible by two main public roads; and

WHEREAS, SFC is an area at a high risk of wildfire emergency, most recently the Oak Fire in September 2020, which required the evacuation of nearly all SFC residents and destroyed fifty-six structures; and

WHEREAS, maintaining emergency service roads to be used by emergency service vehicles and maintaining and operating drainage and flood control for those roads are essential components to providing emergency and ambulance services because emergency evacuation procedures on the established vehicle routes inhibit effective access to wildfire areas by emergency service vehicles; and

WHEREAS, certain emergency access routes in SFC, commonly referred to as the "FirCo Haul Road" and the "Willits Creek Trail," require regular maintenance of their road surfaces, drainage, and vegetation to be reliably accessible as emergency service routes; and

WHEREAS, residents of SFC have indicated a wish to receive the services and be subject to the special benefit assessment; and

WHEREAS, the Board now considers it necessary and desirable to propose a special benefit assessment to enable the property owners within SFC to contribute toward a special benefit assessment for the maintenance of the emergency service roads and the operation and maintenance of drainage and flood control for the emergency service roads and to allow the ability to collect benefit assessments in the future to be utilized solely such services.

NOW THEREFORE, BE IT RESOLVED AND ORDERED by the Board of Supervisors, County of Mendocino, State of California, that it finds, determines and hereby declares that:

1. That the recitals hereinabove are adopted as true and correct; and
2. The Board proposes to adopt a special benefit assessment pursuant to Government Code section 54715; and
3. The reason for levying the special benefit assessment is to maintain access road alternatives for ingress/egress of equipment and resources during emergency events (primarily dry

weather access during wildfires) and to operate and maintain drainage and flood control for such alternative access roads; and

4. The special benefit assessment will provide enhanced access road alternatives for ingress/egress of equipment and resources by establishing regular operation and maintenance of designated road surfaces, drainage, flood control, and vegetation on the FirCo Haul Road and the Willits Creek Trail routes so that they may be used by emergency service vehicles in case of an emergency to have greater access to the SFC area; and
5. The Board adopts the Engineer's Report attached and incorporated by reference herein as Exhibit B that supports the proposed special benefit assessment; and
6. The Board approves the draft Notice of Public Hearing, Ballot Procedure, & Sample Ballot attached and incorporated by reference herein as Exhibit C and provides County staff the authority to revise such documents as needed; and
7. The Board will hold a public hearing on the proposed special benefit assessment on July 23, 2024 at 9 a.m. located at 501 Low Gap Rd, Ukiah, CA 95482.

BE IT FURTHER RESOLVED AND ORDERED that the Clerk of the Board file and publish this resolution and the Engineer's Report in accordance with Government Code section 54716 subsections (a) and (b).

The foregoing Resolution introduced by Supervisor Haschak, seconded by Supervisor Williams, and carried this 21st day of May, 2024, by the following vote:

AYES: Supervisors McGourty, Mulheren, Haschak, Gjerde and Williams
NOES: None
ABSENT: None

WHEREUPON, the Chair declared said Resolution adopted and SO ORDERED.

ATTEST: DARCIE ANTLE
Clerk of the Board

Deputy

APPROVED AS TO FORM:
JAMES R. ROSS
Interim County Counsel

MAUREEN MULHEREN, Chair
Mendocino County Board of Supervisors

I hereby certify that according to the provisions of Government Code Section 25103, delivery of this document has been made.

BY: DARCIE ANTLE
Clerk of the Board

Deputy

Exhibit A: Assessment Roll and Map

Exhibit B: Engineer's Report

Exhibit C: Notice of Public Hearing, Ballot Procedure, & Sample Ballot

**EXHIBIT A – ASSESSMENT ROLL
SHERWOOD CORRIDOR SPECIAL BENEFIT ASSESSMENT FOR THE WILLITS
CREEK AND FIRCO EMERGENCY ACCESS ROUTES
BROOKTRAILS, SPRING CREEK, SYLVANDALE & GATES SUBDIVISION(S)**

BEING A PORTION OF SECTIONS 9, 10, 15, 16, 17, 18, 19, 20, 21, 22, 23, 27, 28, 29, 30, 32, 33, 34 AND 35 OF TOWNSHIP 19 NORTH, RANGE 14 WEST, AND SECTIONS 2, 3, 4, 5, 10, 11, 12 AND 15 OF TOWNSHIP 18 NORTH, RANGE 14 WEST, MOUNT DIABLO BASE & MERIDIAN IN THE COUNTY OF MENDOCINO, STATE OF CALIFORNIA, DESCRIBED AS FOLLOWS:

ALL THOSE PARCELS LOCATED WITHIN THE BOUNDARY SHOWN ON ATTACHED MAP ENTITLED "SHERWOOD CORRIDOR SPECIAL BENEFIT ASSESSMENT FOR THE WILLITS CREEK AND FIRCO EMERGENCY ACCESS ROUTES" DEVELOPED OR UNDEVELOPED.

TOGETHER WITH ONLY THOSE PARCELS DEVELOPED FOR RESIDENTAL OR COMMERCIAL OCCUPATION MORE PARTICULARLY DESCRIBED AS FOLLOWS:

For assessment purposes only. This description of land is not a legal property description as defined in the Subdivision Map Act (Govt. Code § 66424) and may not be used “for the purpose of lease, sale or financing, whether, immediate or future” of the land described.

Sherwood Corridor Special Benefit Assessment for the Willits Creek and FirCo Emergency Access Routes

Map produced May 2024.
Coordinate System: NAD 83, Calif. State Plane Zone II.
Projection: Lambert Conformal Conic US.
Imagery: California State Parks, Esri, TomTom, USGS,
Bureau of Land Management.
Spatial data is approximate.
This map is not a substitute for a proper land survey.

- Benefit Boundary
- U.S. Highway 101
- Sherwood Road
- Emergency Travel Routes
- Unimproved Parcels

- Improved Parcels:
- Brooktrails
 - Spring Creek
 - Sylvandale
 - The Gates

ENGINEER'S REPORT FOR SHERWOOD CORRIDOR EMERGENCY ACCESS ROADS

SECTION 1: Introduction

This report serves as the detailed engineer's report required by Section 4(b) of Article XIID of the California Constitution, Proposition 218, to support the benefit property assessments proposed to be levied within the proposed Assessment Area ("Area") in the County of Mendocino ("County"), California being established.

Bartle Wells Associates recommends that the County of Mendocino authorize and begin procedures for the establishment and formation of an Assessment District ("District") with the defined area limited to parcels specially benefitting from the proposed project and within which the Special Benefit Assessments ("Assessments") may be apportioned and levied. The discussion and analysis contained within this report constitutes the required nexus of rationale between assessment amounts levied and special benefits derived by real properties within the proposed District.

The purpose for which this benefit assessment is proposed is to provide a source of funding for the maintenance of the Willits Creek and Firco Emergency Access Routes (EARs) and operation and maintenance of drainage and flood control of the EARs for the benefit of individually identified parcels along the Sherwood corridor. Any funds collected from the benefit assessment proposed shall be expensed only for EARs identified in this report.

The rate of the special benefit assessment is set at \$30.88 per developed parcel and \$1.39 per undeveloped parcel. The proposed assessment is set to recover immediate road repairs needed for drainage and to install, repair, and maintain culverts, perform roadside fuel clearing, and install new gates and turnouts in compliance with California Code of Regulations, Division 1.5, Chapter 7 Subchapter 2, Articles 1-5 State Minimum Fire Safe Standards and includes costs for ongoing routine maintenance such as vegetation firebreak maintenance and road surfacing and drainage conduit function.

To maintain full cost recovery for subsequent years, the assessment rate is recommended to increase by the change in the Consumer Price Index for all Urban Consumers (CPI-U) for the West Region from April of the prior assessment year to April of the current assessment year. The purpose of indexing EAR benefits is to provide for reasonable increases for inflationary costs without requiring additional costly noticing and mailing procedures that may add to District costs and subsequently to assessments. As part of the District formation, the notice presented to property owners for approval will include the assessment amount for the upcoming fiscal year 2024/2025 initial assessment and identification of the corresponding maximum annual adjustment by the annual percentage change in CPI-U – West Region. Any unexpended funds raised by the assessments remaining at the end of each fiscal year shall be carried over for the same purpose in the next fiscal year until expiration of the Assessment period at the end of the fiscal year 2044/2045.

This report relies on data provided by the North Coast Resource Management "Willits Creek and Firco Emergency Access Routes" Report (2020) and other data provided by Mendocino County Staff related to this project.

SECTION 2: Background

The Mendocino County Board of Supervisors is requesting that landowners approve the formation of an Assessment District to fund the maintenance, including the operation and maintenance of drainage and flood control of, emergency access roads. The County of Mendocino has been working with Sherwood Firewise Communities and Brooktrails Township Community Services District to keep the Firco and Willits Creek Trail roads cleared of vegetation and safe for emergency use as emergency access routes. The project area consists of approximately 4.3 miles of private road. The Firco route traverses 2.3 miles of private property from Poppy Drive (approximately 1 mile northwest of the Willits Airport to Highway 101). The Willits Creek road traverses 2 miles of private property from Birch Street in Brooktrails Township to Mill Creek Drive in the City of Willits. Private roadways are gated to prevent use except in case of an emergency as declared by the Mendocino Board of Supervisors.

The communities within Mendocino County are at high risk of damage from wildfire. In September 2020, the Oak Fire affected Brooktrails Township and the City of Willits, located within the County. During this emergency, all parcels in this area of the Sherwood Road Corridor received a notification from the Mendocino County Department of Transportation regarding the evacuation process, wherein Firco Road was used effectively as an emergency access route and provided for a successful and safe evacuation of the area until the fire was contained seven days later.

The Mendocino County Board of Supervisors proposes to establish a special benefit assessment district pursuant to the provisions of Benefit Assessment Act of 1982, Government Code §§ 54703, et seq. to fund the maintenance, including the operation and maintenance of drainage and flood control, of the Willits Creeks and Firco Emergency Access Routes (EARs) for all parcels, developed and undeveloped, within the District boundary to fund safe access and passage through established emergency access roads.

To approve the assessment, the County is required to follow the Proposition 218 process including, but not limited to: (1) adopting an engineer's report, (2) notifying all parcel owners of the date and time of a public hearing considering proposed assessments, and (3) holding a public hearing. A more detailed list of requirements under Proposition 218 are listed in Section 10 of this report.

If approved, the levying of assessments would be facilitated by the creation of an assessment District and will collect an assessment on all parcels, developed and undeveloped, within the District boundaries.

The newly formed assessment district, located in Mendocino County, will be formed if successfully agreed upon by the majority vote of the ballots returned from property owners within the proposed District boundaries, as authorized under Proposition 218. The Mendocino County Board of Supervisors intends to serve as the Board of Directors for the District.

Proportional benefit costs are to be distributed amongst all identified benefitting properties based on the proportional amount of special benefit each property is expected to derive from the EARs. An assessment of \$30.88 per year for developed parcels and \$1.39 per year for undeveloped parcels is proposed to fully recover the costs associated with the special benefit provided to each parcel. Only those properties expected to derive special benefit from the EARs are to be assessed, and only in amounts proportional to the relative special benefit expected to be received per parcel. Section 6 of this report details Methods of Apportionment.

SECTION 3: Estimate of Project Costs and Assessment Budget

3.1 Project Cost Estimate

The calculation for the annual assessment for EAR project costs include estimates for all known cost components for capital project costs and ongoing road maintenance and assessment administration costs to determine future annual revenue requirements from assessments. All funds collected are to be used exclusively for EAR related costs. Historical cost components for capital projects and related prevailing wage labor hours were provided by County staff in original 2020 value estimates.

To bring costs to current, 2020 values provided are escalated based on the most recent available data from the Engineering News Record - Construction Cost Index (ENR-CCI, April 2024). The ENR-CCI tracks the change in prices for construction costs and is useful for projecting current costs. Table 1 below provides total capital project expenses for needed road repairs.

Table 1 – Capital Costs

Road Repair Component	Capital Costs
Willits Creek EAR	\$43,980
FIRCO EAR	21,450
Labor (Prevailing Wages)	<u>36,734</u>
Estimated Costs, 2020	\$102,164
Inflation adjustment	<u>18,000</u>
Estimated Costs, 2024	\$120,164

The Willits Creek EAR has a higher cost associated due to larger gate installations to allow for safe passage of larger vehicles and equipment in an emergency, and culvert installations. The Firco EAR has lower costs associated for capital repairs, mostly comprised of ditch relief culvert installations. Recommended repairs to both EARs would greatly improve the emergency access road drainage and flood control and ensure safe ingress/egress for evacuation and fire suppression resources for direct tangible benefit to the District. Details for all proposed road safety improvements are listed within the Appendix B - NCRM Report.

Repayment of capital costs are recommended to be amortized over a 10-year payment cycle to avoid undue financial hardship to assessed parcels. Any unexpended funds raised by the assessments remaining at the end of the fiscal year shall be placed into reserves and carried over for project costs in the next fiscal year until expiration at the end of Fiscal Year 2044/2045. Table 2 provides the proposed annual recovery for capital project expenses.

Table 2 – Annual Capital Costs

Road Repair Component	Capital Costs
Estimated Costs, 2024	\$120,164
PayGo (10-yr Cycle)	<u>10</u>
Annual Capital Costs	\$12,016

The assessment is proposed to recover all costs related to the EARs, including costs of annual road maintenance and assessment administration. The annual maintenance includes regular emergency access route grading and maintenance of inboard drainage ditches, vegetation clearing and removal of hazards, erosion control, and annual inspections or minor repairs of culverts and identifiable erosion control issues. Table 3 provides the annual costs for ongoing EAR maintenance and administration.

Table 3 – Annual Maintenance and Administration Costs

Maintenance and Administration Component	Amount
Willits Creek EAR	\$10,650
FIRCO EAR	12,110
Labor (Prevailing Wages)	<u>13,393</u>
Estimated Costs, 2020	\$36,153
Inflation	<u>6,370</u>
Estimated Costs, 2024	\$42,523
Assessment Administration	<u>8,500</u>
Annual Maintenance and Administration Costs	\$51,023

Table 4 provides a summary of the annual recovery for all costs related to the EAR project.

Table 4 – Annual Costs

Annual Component	Amount
Maintenance Costs	\$42,523
Assessment Administration	8,500
Capital Repairs – PayGo (10-yr Cycle)	<u>12,016</u>
Estimated Annual Costs, 2024	\$63,039

3.2 Projected Assessment Budget

Each identified assessed parcel within the District will be assessed the full amount of the proportionate special benefit conferred upon it based on the level of District funded services provided within the benefit zone.

The proposed benefit assessment term is set at 20 years. The assessments may increase for each individual parcel each year during the 20-year effective period. Assessment increases are limited to the same increase in CPI-U – West Region for the same benefit period and must remain commensurate to special benefits received by each assessed parcel. Table 5 provides the projected assessment budget.

Table 5 – Projected Assessment Budget

Projected Budget	Year 1*	% of Budget
Maintenance Costs	\$42,523	68%
Assessment Administration	8,500	13%
Capital Repairs – PayGo (10-yr Cycle)	<u>12,016</u>	<u>19%</u>
Estimated Annual Costs, 2024	\$63,039	100%

*Subsequent adjustment for Years 2-20 indexed to the same change in the CPI-U – West Region.

SECTION 4: Assessment District Parcels

The Mendocino County Board of Supervisors proposes to establish a District by Resolution of Intention which if formed, will serve the EARs. The District is intended for the purpose of paying for and maintaining EARs and operation and maintenance of drainage and flood control of the EARs for the District.

The Benefit Assessment Act of 1982 authorizes assessments to operate and maintain drainages, flood control, street lighting and street maintenance services and to install and improve drainage and flood control facilities. The District would provide maintenance services for emergency road access. No assessment will be imposed if a majority protest exists. A majority protest exists if ballots submitted in opposition to the EAR Benefit Assessment exceed ballots submitted in favor of assessment, with protests weighted according to the proportional financial obligation of the affected parcel as required by Proposition 218. Additional details of the requirements of Proposition 218 are listed in Section 9 of this report.

The benefit zone for the EARs includes the Brooktrails, Spring Creek, Sylvandale, and Gates subdivisions and includes both developed and undeveloped benefiting parcels, including any publicly owned benefitting parcels.

Figure 1 provides the identified boundaries and specially benefitted parcels of the benefit zone.

Figure 1 – Benefit Zone Map

**Sherwood Corridor Special Benefit District for the Willits Creek
and Firco Emergency Access Routes**

THIS MAP AND DATA ARE PROVIDED WITHOUT WARRANTY OF ANY KIND.
 DO NOT USE THIS MAP TO DETERMINE LEGAL PROPERTY BOUNDARIES

A list of all parcels included in the proposed District is shown in Appendix A of this report and identified by their respective Mendocino County Assessor parcel number. Table 6 below provides a summary of the proposed District Parcels.

Table 6 – Summary of Parcels

Total Assessed Parcels	Developed Parcels	Undeveloped Parcels
6,524	1,617	4,907

SECTION 5: Method of Apportionment

As stated in Article XIID Section 4(b) of the California Constitution, assessment district programs and activities confer a combination of general and special benefits to properties, but the only program benefits that can be assessed are those that provide special benefit to the assessed properties.

Consistent with the requirements under Article XIII D, assessments are proposed to be apportioned upon all assessable lots or parcels of land, including undeveloped parcels, within the Assessment District. The following statutory requirements are met based on the proposed structure:

- 1) The charges are distributed in proportion to the estimated benefit attributable to each lot or parcel.
- 2) Each parcel's assessment shall not exceed the reasonable cost of the proportional benefit to each parcel.
- 3) Revenues derived from the assessment may only be used for the purpose for which the assessment is imposed.
- 4) The assessment is for a service that is immediately available to the property owner.

5.1 General Benefits

For the purposes of this analysis, a "general benefit" is hereby defined as a benefit to properties in the area and in the surrounding community or benefit to the public in general resulting from the improvement, activity, or service to be provided by the assessment levied. In other words, a general benefit is an overall and similar benefit to the public at-large resulting from the services provided. As a result of providing EARs to properties within the proposed District, EARs also provide general benefits to additional areas outside of the proposed District boundaries to the general benefit to persons and property not associated with real property within the defined District boundaries.

In the case of the EARs, it is projected that general benefits do not exceed 10% of the total benefit provided by the EAR project. Based on the Brooktrails Second Access Trip Diversion Study (2012) conducted by Whitlock & Weinberger, the Brooktrails subdivision, the largest subdivision within the District, accounts for 85% of traffic along the Sherwood Corridor. However, in addition to Brooktrails, the District includes the communities of Spring Creek, Sylva Dale, Gates subdivisions, and other developed and undeveloped parcels identified along the Sherwood Corridor. It is also likely that in a fire emergency, traffic generated north of the District would likely be diverted prior to entering the District. The larger District area will account for most of the 15% of traffic along the Sherwood Corridor generated outside of Brooktrails. Although it is likely higher than actual general benefits conferred, an assumption of a 10% general benefit is used in the report.

Any benefit that is considered to be of general benefit shall be funded by other revenue sources and has been separated and excluded from the special benefit assessments allocated to properties within the District. General benefits associated with EARs are further explored in this section.

5.1.1 Benefit to Property Not Assessed

The EARs will provide a level of benefit to some property owners and individuals in general within proximity to the District. By developing and maintaining emergency access roads to the Assessed Benefit Area, a property neighboring the District is more likely to receive a similar benefit during a declared emergency. Safe access during a declared emergency for evacuation efforts or emergency vehicle and equipment delivery is considered to be a general benefit to the extent that properties and individuals not assessed for EAR costs derive a benefit from availability of EARs during an emergency.

For example, timely fire suppression efforts within the proposed District due to EARs reduce the fire risk for neighboring properties. Since these properties are outside the District, this is considered to be a general benefit. The amount of general benefit that is conferred to property neighboring the District is separated and excluded from the Benefit Assessment.

5.1.2 Benefit to Pass-Through Traffic

People and vehicles traveling in or through the District during a declared emergency would receive EAR benefits regardless of whether their property is within the Benefit Area. In these instances, EARs are providing a general public benefit. The benefit to passthrough traffic is limited to instances when access is granted through the declaration of an emergency. The amount of general benefit that is conferred to pass-through traffic within the District is separated and excluded from the Benefit Assessment.

5.2 Special Benefits

Section 2 of Article XIID defines special benefit to mean “a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at-large.” In other words, special benefits are benefits that provide direct benefit to individually identifiable parcels.

The special benefit the EARs confer on the real property in the District include protection of 1) persons associated with real properties within the Area, such as owners, residents, and employees; and 2) personal property (e.g., vehicles, furniture, clothes) owned or possessed by persons associated with real property within the District. The special benefits associated with safe access to EARs for Assessment Parcels along the Sherwood Corridor within the Benefit District are explored in this section.

5.3 Special Benefit Provided by the District

The Assessment Area must identify all parcels in Mendocino County that will have a "special benefit" conferred upon them, for which the proposed assessment will be levied. Under Proposition 218, a "special benefit" is defined as "a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large."

The project area consists of approximately 4.3 miles of private road. The Firco route traverses 2.3 miles of private property from Poppy Drive (approximately 1 mile northwest of the Willits Airport to Highway 101). The Willits Creek road traverses 2 miles of private property from Birch Street in Brooktrails Township to Mill Creek Drive in the City of Willits. Both EARs are single lane, nonresidential roads. Willits Creek EAR is surfaced with rock/gravel. Firco EAR is dirt surfaced.

Within the District, the special benefit provided to all parcels from the EAR is road maintenance and repairs within the District.

The proposed assessment will be used for the purpose of funding the following expenses related to providing this special benefit:

- 1) Road repairs and maintenance
- 2) Labor
- 3) Professional services
- 4) Assessment Administration

All identified parcels within the described boundaries are proposed to be assessed to fund EAR repairs and maintenance as detailed in this report only to the extent that said parcels are conferred a special benefit from EARs. The Benefit Area includes 6,524 parcels identified as assessable within the special benefit zone. A complete list of Assessment Area parcels is shown in Appendix A.

5.3.1 Increased Protection of Property

Providing for safe access to EARs during an emergency provides for an increased level of safety to property within the Benefit Area. The EARs identified in this report have been evaluated by public safety professionals, namely CalFire, and have been determined to be a high priority for minor infrastructure improvements and continued long-term maintenance to provide needed access alternatives for ingress/egress of equipment and resources during the next wildfire emergency in the Benefit Area.

A wildfire emergency response is a time sensitive task. The special benefit is derived from the ready delivery of emergency response resources made possible by the EARs. In minimizing the risk of property loss through facilitating emergency response times, a special benefit to Benefit Assessment Parcels over and above the benefit provided to the public at large is conferred. Table 7 contains the weight assigned to each identifiable benefit component.

Table 7 – Special Benefits Identified

Special Benefit Component	Estimated Benefit Weight
Life Safety / Emergency Access Route	70%
Protection of Property	20%
Insurance Savings	<u>10%</u>
Total	100%

No benefit assessment has been imposed on any specially benefited parcels which exceeds the reasonable cost of the proportional special benefit conferred on such parcel from EARs. Any general benefits from EAR services have been separated from the special benefits and only special benefits are proposed to be assessed for the individually identified specially benefiting parcels.

5.4 Benefits to Developed Versus Undeveloped Parcels

Special benefits must reflect benefits derived by parcel based on property characteristics. The assessment factor on which proposed assessments are based relate directly to the existence of development. As such, two types of parcels are identified within the Benefit Area: 1) developed parcels and 2) undeveloped parcels. Developed parcels, parcels with existing structures, located within the District are expected to impact the demand for the emergency access route benefit program to a greater extent than undeveloped parcels and are assigned a greater proportionate degree of assessment program costs. The proportionate special benefit cost for each parcel type has been calculated based on the method of assessment developed in Section 7 of this report.

SECTION 6: Method of Assessment

6.1 Benefit District

The benefit District for the proposed EAR program includes the Brooktrails, Spring Creek, Sylvandale, and Gates subdivisions and other developed and undeveloped benefiting parcels identified along the Sherwood Corridor. The proposed Benefit Area consists of 6,524 parcels and includes all benefitting parcels, including any publicly owned benefitting parcels.

6.2 Assessment Apportionment

The continued safe use of EARs as provided for by the District, and for which benefitting parcels will be assessed all identified special benefit project costs, are allocated based on the special benefits provided to individual parcels. General benefits costs of 10%, or \$6,304, have been excluded from total project costs, \$63,039. The total benefit assessment is the remaining 90%, or \$56,735, of project costs.

Figure 2 provides project costs for the first year of assessment, beginning in FY 2024/2025.

Figure 2 – First Year Costs Recovered by the EAR Benefit Assessment

Project Costs - FY 2024/2025

The special benefit received by each lot or parcel is equated to the overall land use of parcels within the district based on the parcels actual land use as defined in sections 6.2.1 and 6.2.2 of this report. Table 8 provides the allocation of special benefit per parcel type.

Table 8 – Special Benefit Allocation

Special Benefit Component	Estimated Benefit Weight	Developed	Undeveloped
Life Safety / Emergency Access Route	70%	85%	15%
Protection of Property	20%	95%	5%
Insurance Savings	<u>10%</u>	<u>95%</u>	<u>5%</u>
Total	100%	88%	12%

6.2.1 Developed Parcels

Developed parcels are parcels that contain structural improvements to the land. Benefits for parcels containing structural improvements are likely to be significantly higher than for undeveloped parcels due to the anticipated higher benefit i.e. use of the identified emergency access routes, and the estimated protection of property and insurance savings that may result from the availability of EARs for expedited emergency response services to such parcels. As such, developed parcels are allocated 88% of the Benefit Assessment. There are a total of 1,617 developed parcels identified in the benefit District as of the time of this report. To fully recover the Assessment Benefit for developed parcels developed parcels will be assessed at a rate of \$30.88 for the first year of assessment, FY 2024/2025, until and unless they meet the definition of an undeveloped parcel as defined in sections 7.2.2 of this report.

6.2.2 Undeveloped Parcels

Undeveloped parcels are parcels that do not contain any structural improvements to the land. Benefits for parcels containing no structural improvements are also likely occupied infrequently or rarely by property owners. This results in an anticipated lower benefit i.e. use of the identified emergency access routes, and the estimated protection of property and insurance savings that may result from the availability of EARs for expedited emergency response services to such parcels. As such, undeveloped parcels are allocated 12% of the Benefit Assessment. There are a total of 4,907 undeveloped parcels identified in the benefit zone as of the time of this report. To fully recover the Assessment Benefit for undeveloped parcels undeveloped parcels will be assessed at a rate of \$1.39 for the first year of assessment, FY 2024/2025, until and unless they meet the definition of a developed parcel as defined in section 6.2.1 of this report.

6.3 Annual Adjustment of Assessments

The maximum Benefit Assessment per Benefit Parcel identified in this report will automatically adjust each year based on the annual change in the Consumer Price Index for all Urban Consumers (CPI-U – West Region) published by the U.S. Department of Labor, Bureau of Labor Statistics. Indexing the assessments will allow for increases in normal repair, maintenance and operating costs throughout the period of Assessment. CPI adjustments establish the maximum increase for assessments for the duration of the assessment period but may not equal actual costs. Any unexpended funds raised by the assessments remaining at the end of the fiscal year shall be carried over for the same purpose in the next fiscal year until expiration at the end of Fiscal Year 2044/2045.

Any adjustments to the Assessment beyond cost-indexed levels will require initiating Proposition 218 proceedings and future voter approval.

6.4 Term and Sunset of Assessments

The Benefit Assessment is to be levied beginning with the 2024/2025 Fiscal Year and continue for a term of 20 years. Fiscal Year 2044/2045 is the final year in which Benefit Assessment is to be levied without further approval by the Assessment process described in this report.

SECTION 7: Assessment

Table 9 provides a summary of the annual assessment allocation for year 1. Assessment years 2-20 may be increased each year based on the annual change in the Consumer Price Index for all Urban Consumers (CPI-U – West Region).

Table 9 – Summary of Annual Assessment Allocation

	Total	Developed	Undeveloped
Parcels	6,524	1,617	4,907
Cost Allocation, %	100%	88%	12%
Cost Allocation, \$	\$56,735	<u>\$49,927</u>	<u>\$6,808</u>
Annual Assessment per Parcel, Year 1		\$30.88	\$1.39

SECTION 8: Proposition 218 Requirements

In November 1996, the California voters approved Proposition 218, the "Right to Vote on Taxes Act", Articles XIII C and XIII D to the California Constitution. Proposition 218 imposes requirements for the levying of assessments. Before a public agency can levy a new or increased assessment, the following requirements must be met:

- 1) Preparation of a detailed engineer's report by a registered engineer certified by the State of California which calculates the proposed assessment for each parcel.
- 2) The record owner of each parcel must be given written notice by mail of the proposed assessment, the total amount chargeable to the entire District, the amount chargeable to the owner's particular parcel, the duration of the payments, the reason for the assessment, and the basis upon which the amount of the proposed assessment was calculated.
- 3) Notice to the record owner must include the time, date, and location of the public hearing on the assessment. Each notice must also include a summary of the procedures applicable to the completion, return, and tabulation of the ballots, and a disclosure statement that a majority protest will result in the assessment not being imposed.
- 4) Each notice mailed to parcel owners must contain a ballot including the agency's address for receipt of the completed ballot by any owner receiving the notice. The ballot form must include sections for the owner's name, reasonable identification of the parcel, and his or her support or opposition to the proposed assessment.
- 5) A public hearing to consider protests and tabulate the ballots must be conducted not less than 45 days after mailing the notice to landowners.
- 6) The agency shall not impose an assessment if there is a majority protest. A majority protest exists if the ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. In tabulating the ballots, the ballots must be weighted according to the proportional financial obligation of the affected property.
- 7) The assessment may include an annual adjustment tied to a cost inflator such as the Consumer Price Index (CPI).

The proposed assessment calculated in this engineer's report was developed pursuant to Article XIII D of the California Constitution.

SECTION 9: Certificates & Conclusion

The assessments ordered by the County of Mendocino and as detailed in this Engineer's Report and as summarized in the table below are made to cover the portion of the estimated costs of maintenance, operation, and servicing of the improvements to be paid by the assessable real property within the proposed District in proportion to the special benefit received by each individually identified parcel.

Table 10 – FY 2024/2025 Budget Summary

Cost Component	Number of Parcels	Total Costs FY 2024/2025
Maintenance Costs		\$42,523
Assessment Administration		8,500
Capital Repairs – PayGo (10-yr Cycle)		<u>12,016</u>
Estimated Annual Costs, 2024		\$63,039
Less General Benefits		<u>6,304</u>
Proposed Assessment Benefit		\$56,735
Total Benefit Units		6,524
Proposed Assessment – Developed Parcels	1,617	\$30.88
Proposed Assessment – Undeveloped Parcels	4,907	\$1.39

I, the undersigned, respectfully submit the enclosed Engineer's Report and, to the best of my knowledge, information, and belief, the Engineer's Report, Assessments, and the Assessment Diagram herein have been prepared, computed, and levied in accordance with the assessment methodology adopted, approved, and ordered by the County of Mendocino and in compliance with The Benefit Assessment Act of 1982 and Proposition 218.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the County of Mendocino will conduct a public hearing to establish a new special benefit assessment for the operation and maintenance of Willits Creek and FirCo Emergency Access Routes on July 23, 2024 at 9 a.m. located at 501 Low Gap Road, Room 1070, Ukiah, CA 95482.

The Mendocino County Board of Supervisors proposes to establish a special benefit assessment pursuant to the provisions of the Benefit Assessment Act of 1982, California Government Code §§ 54703, et seq., to fund road repairs and ongoing maintenance of the Willits Creeks and FirCo Emergency Access Routes (EARs) for safe access and passage through established emergency routes.

The reason for levying the special benefit assessment within the Brooktrails, Spring Creek, Sylvandale, and Gates Subdivisions is to maintain access alternatives for ingress/egress of equipment and resources during emergency events (primarily dry weather access during wildfires) and to operate and maintain drainage and flood control for the alternative access roads.

The special benefit assessment will provide enhanced access alternatives for ingress/egress of equipment and resources by establishing regular operation and maintenance of designated road surfaces, drainage, flood control, and vegetation on the FirCo Haul Road and the Willits Creek Trail routes so that they may be used by emergency service vehicles in case of an emergency.

The rate of the special benefit assessment is set at \$30.88 per developed parcel and \$1.39 per undeveloped parcel, until improved, with the ability to make annual increases each year based on the Consumer Price Index (CPI) for the West Region. The proposed assessment is set to recover immediate road repairs needed for drainage and to install, repair, and maintain culverts, perform roadside fuel clearing, and install new gates and turnouts in compliance with California Code of Regulations, Division 1.5, Chapter 7 Subchapter 2, Articles 1-5 State Minimum Fire Safe Standards and includes costs for ongoing routine maintenance such as vegetation firebreak maintenance and road surfacing and drainage conduit function. The proposed benefit assessment term is set at 20 years. The total amount of the assessment against all parcels receiving a special benefit is \$56,735 per year.

NOTICE IS FURTHER GIVEN that prior to making a final determination thereon, the Mendocino County Board of Supervisors will establish a new special benefit assessment for the operation and maintenance of Willits Creek and FirCo emergency access routes. Said Public Hearing will commence on Tuesday, July 23, 2024, at 9:00 a.m., or as soon thereafter as the matter may be heard, in the Board of Supervisors Chambers at 501 Low Gap Road, Room 1070, Ukiah, CA. The hearing may be continued from day to day, commencing at 9:00 a.m., until concluded but not to exceed a total of ten calendar days.

Meetings are live streamed and available for viewing online on the Mendocino County YouTube page at <https://www.youtube.com/MendocinoCountyVideo> or by toll-free, telephonic live stream at 888-544-8306

The public may participate digitally in meetings in lieu of personal attendance. Comment may be made in any of the following ways: via written comment to bos@mendocinocounty.gov, through our online eComment platform at <https://mendocino.legistar.com/Calendar.aspx>, through voicemail messaging by calling 707-234-6333, or by telephone via telecomment. Information regarding telecomment participation can be found at: <https://www.mendocinocounty.gov/government/board-of-supervisors/agendas-and-minutes>

Questions regarding the Public Hearing may be directed to the Executive Office at 707-463-4441.

**Sherwood Corridor Special Benefit Assessment
for the Willits Creek and Firco Emergency Access Routes**

PROPOSITION 218 NOTICE & BENEFIT ASSESSMENT BALLOT PROCEDURES

Why did you receive this ballot?

On May 21, 2024, by its adoption of Resolution No. [##-###], the Mendocino County Board of Supervisors proposed to establish a special benefit assessment pursuant to the provisions of the Benefit Assessment Act of 1982.

The enclosed ballot is for the use of the property owner(s) who will receive a special benefit as a result of the proposed special benefit assessment which has been proposed for private road maintenance over two alternative routes that can be used for emergency services traffic; routes commonly referred to as the FirCo Haul Road and the Willits Creek Trail Road. This private road maintenance over two alternative routes is being proposed as a means to protect area occupants by reducing emergency equipment traffic over the County maintained public roads serving the following areas:

Brooktrails, Spring Creek, Sylvandale, and Gates Subdivisions

The reason that an assessment is proposed for your parcel, or parcels, is that many property owners and/or registered voters within the aforementioned areas have asked the County of Mendocino to provide the above-described alternative routes. Based on this request, the Board of Supervisors has determined that your parcel, or parcels, is/are specially benefitted by the proposed FirCo Haul Road and the Willits Creek Trail Road maintenance service if provided.

The basis upon which the proposed assessment was calculated was determined by preparing a budget with the estimated annual costs to provide private road maintenance service including vegetation clearance, road drainage ditches and conduit cleaning and replacement, and road surface gravel and grading treatments. Said maintenance services will ensure that alternative dry weather access is at the ready for emergency equipment over FirCo Haul Road and the Willits Creek Trail Road in order for evacuation traffic to have full use of 3.5 miles of Sherwood Road from the Poppy Drive intersection to North Main Street Willits. The annual cost was divided between the parcels that receive a special benefit from the aforementioned maintenance services.

The proposed special benefit assessment in fiscal year 2024/25 is \$30.88 per improved parcel and \$1.39 for unimproved parcel. For each fiscal year after 2024/25, the special benefit assessment will be \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels until improved—along with the ability to make annual increases based on the CPI as necessary—for ongoing routine private road maintenance service including vegetation clearance, road drainage ditches and conduit cleaning and replacement, road surface gravel and grading treatments.

The total amount of the special benefit assessment against all parcels receiving the special benefit is \$56,735 per year. The amount chargeable to your parcel is \$30.88.

The special benefit assessment rate may be increased by a percentage that does not exceed the percentage increase in Consumer Price Index for the Western Region (the "CPI"), most recently published for each applicable fiscal year by the U.S. Department of Labor, Bureau of Labor Statistics or its successor and its value

twelve months before. The assessment rate will be increased only when necessary to meet approved expenses, and would not increase automatically each year. If in any year the assessment rate is not increased, or is increased by an amount less than the increase in the CPI, the difference between the rate of increase in the assessment rate and the rate of increase in the CPI will remain available for use in future years to raise the assessment rate as necessary to meet approved expenses. The Engineers Report anticipates future projects beyond normal routine maintenance that could result in a needed assessment rate above CPI and in such case the assessment cannot be raised without another vote; however, the full incremental applications of CPI will be applied until those future project needs exceed the ability to meet needs and only then will an increase another vote be pursued.

How long will the assessment last?

This \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels until improved - along with the ability to make annual increases based on the CPI as necessary-- is set at 20 years with an assessment expiration at the end of fiscal year 2044/2045. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement. Assessments cannot be raised beyond the annual CPI without another vote.

A "YES" vote means:

A "Yes" vote for the assessment means:

The County is authorized to levy \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels until improved - along with the ability to make annual increases based on the CPI as necessary, effective for twenty years. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement. Assessments cannot be raised beyond the annual CPI without another vote.

A "NO" vote means:

A "No" vote for the assessment means:

This \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels, until improved may not be levied and the private road maintenance over two alternative routes to be used for emergency services traffic will not be performed by the County if a majority of the votes returned oppose the assessment.

Who may complete a ballot?

A special benefit assessment ballot may be completed by (1) sole owner, (2) an owner acting on behalf of a spouse who holds a community property interest, all joint tenants, or all tenants in common, (3) a general partner or legal representative of a corporate general partner, (4) a legal representative of a corporate landowner, trust, estate, or public agency, or (5) as a tenant of the parcel whose lease or other rental agreement expressly requires that the tenant directly pay assessments, such as the proposed assessment.

Proportional assessment ballots

If a parcel has multiple owners, any owner may request a proportional assessment ballot. If the ownership interest of the owner is not shown on the last equalized secured property tax assessment roll, such request must include evidence, satisfactory to the County, of the owner's proportional rights in the parcel. The County will provide the proportional ballot to the owner at the address shown on the assessment roll. Any request for a ballot to be mailed to another location must be made in writing and must include evidence, satisfactory to the County, of the identity of the person requesting the ballot. Each proportional ballot will be marked to show the date on which the ballot was provided, to identify it as a proportional ballot and to indicate the owner's proportional rights in the parcel. The County will keep a record of each proportional ballot provided to an owner.

Duplicate ballots

If an assessment ballot is lost, withdrawn, destroyed, or never received, the County will mail or otherwise provide a duplicate ballot to the owner upon receipt of a request in writing delivered to the County Executive Office. The duplicate ballot will be marked to show the date on which the ballot was mailed or provided and to identify it as a duplicate ballot or a duplicate proportional ballot.

Only assessment ballots provided by the County will be accepted

The County will only accept ballots mailed or otherwise provided to owners by the County. No facsimile, mechanically duplicated, or other ballots will be accepted.

Return of ballots**Who may return ballots?**

An assessment ballot may be returned by the owner of the parcel or by anyone authorized by the owner to return the ballot.

Where to return ballots

Ballots may be mailed to the address indicated on the ballot. Ballots may also be delivered in person to the Mendocino County Registrar of Voters located at 501 Low Gap Road, Room 1020, Ukiah, CA 95482 or Brooktrails Community Service District located at 24860 Birch Street, Willits, CA 95490 before the close of the public hearing on July 23, 2024.

When to return ballots

All returned ballots must be received by Mendocino County Registrar of Voters before the Board of Supervisors closes the public hearing on the proposed assessment. Mailed ballots received on the hearing date will only be counted if the ballots are received by the Mendocino County Registrar of Voters before the conclusion of the public hearing. The County makes no representation whether the public input portion of the public hearing will be concluded on the date scheduled for commencement of the public hearing or continued to a later date.

Marking and signing the ballot

To complete an assessment ballot, the owner of the parcel must (1) mark the appropriate box supporting or opposing the proposed assessment, and (2) sign, under penalty of perjury, the statement on the ballot that the person completing the ballot is the owner of the parcel or the owner's authorized representative. Only one box may be marked on each ballot. Ballots must be completed in ink.

Withdrawal of assessment ballots

After returning an assessment ballot to the County, the person who signed it may withdraw the ballot by submitting a written statement to the County directing staff to withdraw the ballot before the close of the public hearing on the proposed assessment. When ballots for the assessment are tabulated, County staff will segregate withdrawn ballots from all other returned ballots. County staff will retain all withdrawn ballots and will indicate on the face of such withdrawn ballots that they have been withdrawn. If any ballot has been withdrawn, the person withdrawing the ballot may request a duplicate ballot.

Changes to assessment ballots

To change a ballot that has been submitted, the person who has signed it must (1) request the ballot be withdrawn, (2) request a duplicate ballot, and (3) return the duplicate ballot fully completed by the deadline noted above. Each of these steps must be completed as set forth above.

Which assessment ballots will be counted?

Only ballots which are received by the County in compliance with these procedures will be counted. Ballots received by the Mendocino County Registrar of Voters after the close of the public input portion of the public hearing on the proposed assessment will not be counted. Ballots which are not signed by the owner will not be counted. Ballots with no boxes marked, or with more than one box marked, will not be counted. Ballots withdrawn in accordance with these procedures will not be counted. None of these is a valid ballot.

The County will keep a record of each proportional or duplicate ballot mailed or otherwise provided to an owner and will verify, prior to counting any duplicate ballot, that only one ballot has been returned for the parcel (or for an owner in the case of proportional ballots).

The following rules will apply if more than one valid ballot for a parcel (or owner) has been returned. If a non-duplicate ballot has been returned, the County will count the non-duplicate ballot and disregard all duplicate ballots. If only duplicate ballots have been returned, the County will count the duplicate ballot first issued by the County and disregard subsequently issued duplicate ballots. If an owner returns both a nonproportional ballot and a proportional ballot, the County will count the proportional ballot and disregard the non-proportional ballot.

When and where ballots will be tabulated

The tabulation of ballots will be performed, in view of those present, at the public hearing following the close of the public input portion of the public hearing. The public hearing may be continued from time to time for the purpose of tabulating ballots. Ballots will not be unsealed until the tabulation begins.

How ballots will be tabulated

The voting is weighted by the amount each property owner pays. The weighting of the vote is required by Proposition 218, which passed in 1996.

During and after the tabulation, the assessment ballots and the information used to determine the weight of each ballot shall be treated as disclosable public records, as defined in Govt. Code Section 6252, and equally available for inspection by the proponents and the opponents of the proposed assessment. The ballots shall be preserved for a minimum of two years, after which they may be destroyed as provided in the Govt. Code Sections 26202, 34090, and 60201.

Ballots may be counted by hand, by computer or by any other tabulating device. Ballots will be tabulated by adding the ballots received in opposition to the assessment and adding the ballots received in favor of the assessment. Ballots shall be weighted according to the proportional financial obligation of the property with respect to which they are cast; provided, however, that proportional ballots shall also be weighted with respect to the ownership interests of each proportional ballot submitted. If one or more proportional ballots are received for a parcel and a non-proportional ballot is returned for the parcel, the non-proportional ballot will be disregarded (if the same owner has returned a proportional ballot) or treated as a proportional ballot (if the same owner has not returned a proportional ballot).

Who will tabulate the ballots?

Ballots will be tabulated by designated County staff who do not have a vested interest in the outcome of the proposed assessment. County staff may be assisted by consultants to the County.

Results of tabulation

The results of the tabulation will be announced following the completion of the tabulation and entered in the minutes of the Board of Supervisors meeting. If ballots submitted in opposition to the proposed assessment exceed ballots submitted in favor of it (as tabulated above), the assessment will not be imposed.

Resolution of disputes

In the event of a dispute regarding whether the signer of a ballot is the owner of the parcel to which the ballot applies, County staff will make such determination from the last equalized assessment roll and any evidence of ownership submitted to the County before the conclusion of the public hearing. The County will be under no duty to obtain or consider any other evidence as to ownership of property and its determination of ownership will be final and conclusive.

In the event of a dispute regarding whether the signer of a ballot is an authorized representative of the owner of the parcel, County staff may rely on the statement on the ballot signed under penalty of perjury that the person completing the ballot is the owner's authorized representative and any evidence submitted to the County before the conclusion of the public hearing. The County has no duty to obtain or consider any other evidence as to whether the signer of the ballot is an authorized representative of the owner and its determination will be final and conclusive. Any other dispute shall be resolved by the County staff.

Public record

During and after the tabulation, assessment ballots shall be treated as disclosable public records and be equally available for inspection by the proponents and opponents of the proposed assessment.

Public hearing

The Board of Supervisors will hold a Public Hearing on July 23, 2024, at 9:00 a.m. at 501 Low Gap Road, Room 1070, Ukiah, CA 95482.

You are invited, but not required, to attend the public hearing and to present oral or written testimony to the Board of Supervisors. If you wish to challenge the Board of Supervisors' action on these matters in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the County at or prior to the public hearing. At the public hearing, the County will consider all objections or protests, if any, to the proposed assessment. The public hearing may be continued from time to time. During the public hearing, the Board will receive any last minute ballots and count the ballots. All ballots must be in the Registrar of Voters possession by the end of the public hearing in order to be counted.

**Sherwood Corridor Special Benefit Assessment
for the Willits Creek and Firco Emergency Access Routes**

PROPOSITION 218 NOTICE & BENEFIT ASSESSMENT BALLOT PROCEDURES

Why did you receive this ballot?

On May 21, 2024, by its adoption of Resolution No. [##-###], the Mendocino County Board of Supervisors proposed to establish a special benefit assessment pursuant to the provisions of the Benefit Assessment Act of 1982.

The enclosed ballot is for the use of the property owner(s) who will receive a special benefit as a result of the proposed special benefit assessment which has been proposed for private road maintenance over two alternative routes that can be used for emergency services traffic; routes commonly referred to as the FirCo Haul Road and the Willits Creek Trail Road. This private road maintenance over two alternative routes is being proposed as a means to protect area occupants by reducing emergency equipment traffic over the County maintained public roads serving the following areas:

Brooktrails, Spring Creek, Sylvandale, and Gates Subdivisions

The reason that an assessment is proposed for your parcel, or parcels, is that many property owners and/or registered voters within the aforementioned areas have asked the County of Mendocino to provide the above-described alternative routes. Based on this request, the Board of Supervisors has determined that your parcel, or parcels, is/are specially benefitted by the proposed FirCo Haul Road and the Willits Creek Trail Road maintenance service if provided.

The basis upon which the proposed assessment was calculated was determined by preparing a budget with the estimated annual costs to provide private road maintenance service including vegetation clearance, road drainage ditches and conduit cleaning and replacement, and road surface gravel and grading treatments. Said maintenance services will ensure that alternative dry weather access is at the ready for emergency equipment over FirCo Haul Road and the Willits Creek Trail Road in order for evacuation traffic to have full use of 3.5 miles of Sherwood Road from the Poppy Drive intersection to North Main Street Willits. The annual cost was divided between the parcels that receive a special benefit from the aforementioned maintenance services.

The proposed special benefit assessment in fiscal year 2024/25 is \$30.88 per improved parcel and \$1.39 for unimproved parcel. For each fiscal year after 2024/25, the special benefit assessment will be \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels until improved—along with the ability to make annual increases based on the CPI as necessary—for ongoing routine private road maintenance service including vegetation clearance, road drainage ditches and conduit cleaning and replacement, road surface gravel and grading treatments.

The total amount of the special benefit assessment against all parcels receiving the special benefit is \$56,735 per year. The amount chargeable to your parcel is \$1.39.

The special benefit assessment rate may be increased by a percentage that does not exceed the percentage increase in Consumer Price Index for the Western Region (the "CPI"), most recently published for each applicable fiscal year by the U.S. Department of Labor, Bureau of Labor Statistics or its successor and its value

twelve months before. The assessment rate will be increased only when necessary to meet approved expenses, and would not increase automatically each year. If in any year the assessment rate is not increased, or is increased by an amount less than the increase in the CPI, the difference between the rate of increase in the assessment rate and the rate of increase in the CPI will remain available for use in future years to raise the assessment rate as necessary to meet approved expenses. The Engineers Report anticipates future projects beyond normal routine maintenance that could result in a needed assessment rate above CPI and in such case the assessment cannot be raised without another vote; however, the full incremental applications of CPI will be applied until those future project needs exceed the ability to meet needs and only then will an increase another vote be pursued.

How long will the assessment last?

This \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels until improved - along with the ability to make annual increases based on the CPI as necessary-- is set at 20 years with an assessment expiration at the end of fiscal year 2044/2045. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement. Assessments cannot be raised beyond the annual CPI without another vote.

A "YES" vote means:

A "Yes" vote for the assessment means:

The County is authorized to levy \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels until improved - along with the ability to make annual increases based on the CPI as necessary, effective for twenty years. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement. Assessments cannot be raised beyond the annual CPI without another vote.

A "NO" vote means:

A "No" vote for the assessment means:

This \$30.88 per year assessment for improved parcels and \$1.39 per year for unimproved parcels, until improved may not be levied and the private road maintenance over two alternative routes to be used for emergency services traffic will not be performed by the County if a majority of the votes returned oppose the assessment.

Who may complete a ballot?

A special benefit assessment ballot may be completed by (1) sole owner, (2) an owner acting on behalf of a spouse who holds a community property interest, all joint tenants, or all tenants in common, (3) a general partner or legal representative of a corporate general partner, (4) a legal representative of a corporate landowner, trust, estate, or public agency, or (5) as a tenant of the parcel whose lease or other rental agreement expressly requires that the tenant directly pay assessments, such as the proposed assessment.

Proportional assessment ballots

If a parcel has multiple owners, any owner may request a proportional assessment ballot. If the ownership interest of the owner is not shown on the last equalized secured property tax assessment roll, such request must include evidence, satisfactory to the County, of the owner's proportional rights in the parcel. The County will provide the proportional ballot to the owner at the address shown on the assessment roll. Any request for a ballot to be mailed to another location must be made in writing and must include evidence, satisfactory to the County, of the identity of the person requesting the ballot. Each proportional ballot will be marked to show the date on which the ballot was provided, to identify it as a proportional ballot and to indicate the owner's proportional rights in the parcel. The County will keep a record of each proportional ballot provided to an owner.

Duplicate ballots

If an assessment ballot is lost, withdrawn, destroyed, or never received, the County will mail or otherwise provide a duplicate ballot to the owner upon receipt of a request in writing delivered to the County Executive Office. The duplicate ballot will be marked to show the date on which the ballot was mailed or provided and to identify it as a duplicate ballot or a duplicate proportional ballot.

Only assessment ballots provided by the County will be accepted

The County will only accept ballots mailed or otherwise provided to owners by the County. No facsimile, mechanically duplicated, or other ballots will be accepted.

Return of ballots**Who may return ballots?**

An assessment ballot may be returned by the owner of the parcel or by anyone authorized by the owner to return the ballot.

Where to return ballots

Ballots may be mailed to the address indicated on the ballot. Ballots may also be delivered in person to the Mendocino County Registrar of Voters located at 501 Low Gap Road, Room 1020, Ukiah, CA 95482 or Brooktrails Community Service District located at 24860 Birch Street, Willits, CA 95490 before the close of the public hearing on July 23, 2024.

When to return ballots

All returned ballots must be received by Mendocino County Registrar of Voters before the Board of Supervisors closes the public hearing on the proposed assessment. Mailed ballots received on the hearing date will only be counted if the ballots are received by the Mendocino County Registrar of Voters before the conclusion of the public hearing. The County makes no representation whether the public input portion of the public hearing will be concluded on the date scheduled for commencement of the public hearing or continued to a later date.

Marking and signing the ballot

To complete an assessment ballot, the owner of the parcel must (1) mark the appropriate box supporting or opposing the proposed assessment, and (2) sign, under penalty of perjury, the statement on the ballot that the person completing the ballot is the owner of the parcel or the owner's authorized representative. Only one box may be marked on each ballot. Ballots must be completed in ink.

Withdrawal of assessment ballots

After returning an assessment ballot to the County, the person who signed it may withdraw the ballot by submitting a written statement to the County directing staff to withdraw the ballot before the close of the public hearing on the proposed assessment. When ballots for the assessment are tabulated, County staff will segregate withdrawn ballots from all other returned ballots. County staff will retain all withdrawn ballots and will indicate on the face of such withdrawn ballots that they have been withdrawn. If any ballot has been withdrawn, the person withdrawing the ballot may request a duplicate ballot.

Changes to assessment ballots

To change a ballot that has been submitted, the person who has signed it must (1) request the ballot be withdrawn, (2) request a duplicate ballot, and (3) return the duplicate ballot fully completed by the deadline noted above. Each of these steps must be completed as set forth above.

Which assessment ballots will be counted?

Only ballots which are received by the County in compliance with these procedures will be counted. Ballots received by the Mendocino County Registrar of Voters after the close of the public input portion of the public hearing on the proposed assessment will not be counted. Ballots which are not signed by the owner will not be counted. Ballots with no boxes marked, or with more than one box marked, will not be counted. Ballots withdrawn in accordance with these procedures will not be counted. None of these is a valid ballot.

The County will keep a record of each proportional or duplicate ballot mailed or otherwise provided to an owner and will verify, prior to counting any duplicate ballot, that only one ballot has been returned for the parcel (or for an owner in the case of proportional ballots).

The following rules will apply if more than one valid ballot for a parcel (or owner) has been returned. If a non-duplicate ballot has been returned, the County will count the non-duplicate ballot and disregard all duplicate ballots. If only duplicate ballots have been returned, the County will count the duplicate ballot first issued by the County and disregard subsequently issued duplicate ballots. If an owner returns both a nonproportional ballot and a proportional ballot, the County will count the proportional ballot and disregard the non-proportional ballot.

When and where ballots will be tabulated

The tabulation of ballots will be performed, in view of those present, at the public hearing following the close of the public input portion of the public hearing. The public hearing may be continued from time to time for the purpose of tabulating ballots. Ballots will not be unsealed until the tabulation begins.

How ballots will be tabulated

The voting is weighted by the amount each property owner pays. The weighting of the vote is required by Proposition 218, which passed in 1996.

During and after the tabulation, the assessment ballots and the information used to determine the weight of each ballot shall be treated as disclosable public records, as defined in Govt. Code Section 6252, and equally available for inspection by the proponents and the opponents of the proposed assessment. The ballots shall be preserved for a minimum of two years, after which they may be destroyed as provided in the Govt. Code Sections 26202, 34090, and 60201.

Ballots may be counted by hand, by computer or by any other tabulating device. Ballots will be tabulated by adding the ballots received in opposition to the assessment and adding the ballots received in favor of the assessment. Ballots shall be weighted according to the proportional financial obligation of the property with respect to which they are cast; provided, however, that proportional ballots shall also be weighted with respect to the ownership interests of each proportional ballot submitted. If one or more proportional ballots are received for a parcel and a non-proportional ballot is returned for the parcel, the non-proportional ballot will be disregarded (if the same owner has returned a proportional ballot) or treated as a proportional ballot (if the same owner has not returned a proportional ballot).

Who will tabulate the ballots?

Ballots will be tabulated by designated County staff who do not have a vested interest in the outcome of the proposed assessment. County staff may be assisted by consultants to the County.

Results of tabulation

The results of the tabulation will be announced following the completion of the tabulation and entered in the minutes of the Board of Supervisors meeting. If ballots submitted in opposition to the proposed assessment exceed ballots submitted in favor of it (as tabulated above), the assessment will not be imposed.

Resolution of disputes

In the event of a dispute regarding whether the signer of a ballot is the owner of the parcel to which the ballot applies, County staff will make such determination from the last equalized assessment roll and any evidence of ownership submitted to the County before the conclusion of the public hearing. The County will be under no duty to obtain or consider any other evidence as to ownership of property and its determination of ownership will be final and conclusive.

In the event of a dispute regarding whether the signer of a ballot is an authorized representative of the owner of the parcel, County staff may rely on the statement on the ballot signed under penalty of perjury that the person completing the ballot is the owner's authorized representative and any evidence submitted to the County before the conclusion of the public hearing. The County has no duty to obtain or consider any other evidence as to whether the signer of the ballot is an authorized representative of the owner and its determination will be final and conclusive. Any other dispute shall be resolved by the County staff.

Public record

During and after the tabulation, assessment ballots shall be treated as disclosable public records and be equally available for inspection by the proponents and opponents of the proposed assessment.

Public hearing

The Board of Supervisors will hold a Public Hearing on July 23, 2024, at 9:00 a.m. at 501 Low Gap Road, Room 1070, Ukiah, CA 95482.

You are invited, but not required, to attend the public hearing and to present oral or written testimony to the Board of Supervisors. If you wish to challenge the Board of Supervisors' action on these matters in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the County at or prior to the public hearing. At the public hearing, the County will consider all objections or protests, if any, to the proposed assessment. The public hearing may be continued from time to time. During the public hearing, the Board will receive any last minute ballots and count the ballots. All ballots must be in the Registrar of Voters possession by the end of the public hearing in order to be counted.

SPECIAL ASSESSMENT BALLOT

Sherwood Corridor Special Benefit Assessment
for the Willits Creek and Firco Emergency Access Routes - 2024-2025 Tax Year

Return of Ballots:

Ballots may be mailed to the address below	Ballots may be delivered in person at the locations below
Mendocino County Registrar of Voters 501 Low Gap Road, Room 1020 Ukiah, CA 95482 Attn: Sherwood Corridor Special Assessment	Brooktrails Community Service District 24860 Birch Street, Willits, CA 95490 (M-F, 8am-5pm) Mendocino County Registrar of Voters 501 Low Gap Road, Room 1020, Ukiah, CA 95482

SPECIAL BENEFIT ASSESSMENT AMOUNT: \$30.88 for improved parcels per year and \$1.39 per year for unimproved parcels, until improved, with the ability to make annual increases each year based on the Consumer Price Index (CPI) for the West Region from April of the prior assessment year to the current assessment year. TOTAL annual maintenance and administration costs is \$56,735. The proposed benefit assessment term is set at 20 years. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement.

ASSESSOR'S PARCEL NUMBER (APN): 000000000
SITE ADDRESS: 0000 POPPY TER, WILLITS
ASSESSMENT FOR YOUR PARCEL IS \$30.88.

Ballot Question:

Shall the County of Mendocino be authorized to levy a Special Benefit Assessment ("Assessment") to solely be utilized to finance the maintenance of the Willits Creek and Firco Emergency Access Routes road surfaces, drainage, and vegetation to enhance emergency equipment ingress and population escape egress during wildfires? The new assessment will be \$30.88 for improved and \$1.39 for unimproved parcels—with the ability to make annual increases based on the Consumer Price Index (CPI) for the West Region as necessary—the basis upon which the proposed assessment was calculated is contained on page 5 of the engineer's report located at <https://www.mendocinocounty.gov/government/economic-development>. The proposed special benefit assessment term is set at 20 years. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement.

☐ YES

☐ NO

Ballot Declaration:

I, the undersigned, declare that I am authorized to cast all the vote on the assessment for the parcel identified by the Tax Parcel Number set forth above as (1) sole owner, (2) an owner acting on behalf of a spouse who holds a community property interest, all joint tenants, or all tenants in common, (3) a general partner or legal representative of a corporate general partner, (4) a legal representative of a corporate landowner, trust, estate, or public agency, or (5) as a tenant of the parcel whose lease or other rental agreement expressly requires that the tenant directly pay assessments, such as the proposed assessment.

I declare under penalty of perjury that this declaration made this _____ day of _____, 2024, at _____, _____ is true and correct.

SPECIAL ASSESSMENT BALLOT

Sherwood Corridor Special Benefit Assessment
for the Willits Creek and Firco Emergency Access Routes - 2024-2025 Tax Year

Return of Ballots:

Ballots may be mailed to the address below	Ballots may be delivered in person at the locations below
Mendocino County Registrar of Voters 501 Low Gap Road, Room 1020 Ukiah, CA 95482 Attn: Sherwood Corridor Special Assessment	Brooktrails Community Service District 24860 Birch Street, Willits, CA 95490 (M-F, 8am-5pm) Mendocino County Registrar of Voters 501 Low Gap Road, Room 1020, Ukiah, CA 95482

SPECIAL BENEFIT ASSESSMENT AMOUNT: \$30.88 for improved parcels per year and \$1.39 per year for unimproved parcels, until improved, with the ability to make annual increases each year based on the Consumer Price Index (CPI) for the West Region from April of the prior assessment year to the current assessment year. TOTAL annual maintenance and administration costs is \$56,735. The proposed benefit assessment term is set at 20 years. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement.

ASSESSOR'S PARCEL NUMBER (APN): 000000000
SITE ADDRESS: 0000 POPPY TER, WILLITS
ASSESSMENT FOR YOUR PARCEL IS \$1.39.

Ballot Question:

Shall the County of Mendocino be authorized to levy a Special Benefit Assessment ("Assessment") to solely be utilized to finance the maintenance of the Willits Creek and Firco Emergency Access Routes road surfaces, drainage, and vegetation to enhance emergency equipment ingress and population escape egress during wildfires? The new assessment will be \$30.88 for improved and \$1.39 for unimproved parcels—with the ability to make annual increases based on the Consumer Price Index (CPI) for the West Region as necessary—the basis upon which the proposed assessment was calculated is contained on page 5 of the engineer's report located at <https://www.mendocinocounty.gov/government/economic-development>. The proposed special benefit assessment term is set at 20 years. Unimproved parcels that are later improved will be assessed \$30.88 per year after the improvement.

☐ YES

☐ NO

Ballot Declaration:

I, the undersigned, declare that I am authorized to cast all the vote on the assessment for the parcel identified by the Tax Parcel Number set forth above as (1) sole owner, (2) an owner acting on behalf of a spouse who holds a community property interest, all joint tenants, or all tenants in common, (3) a general partner or legal representative of a corporate general partner, (4) a legal representative of a corporate landowner, trust, estate, or public agency, or (5) as a tenant of the parcel whose lease or other rental agreement expressly requires that the tenant directly pay assessments, such as the proposed assessment.
