and at the bottom of new ramp. New concrete curb and gutter will be constructed at the bottom of the new ramp providing a pedestrian safety area (bulb out). Existing drainage in project area will be modified and updated with new drop inlets and drainage pipes. Existing crosswalk stripes across Kasten Street will be repainted. Total area of new construction is 658 square feet.

**LOCATION:** Intersection of Main Street (CR 407E) and Kasten Street (CR 407L) in the Town of Mendocino.

**PROJECT COORDINATOR:** BILL KINSER

**ACTION BEING APPEALED:**

MHRB 2016-0001 was approved by the Mendocino Historical Review Board with the addition to the applicant's request that stairs and rail will be built concurrent with the access ramp in the location identified on the site plan. The applicant is appealing MHRB's addition to the request.

The Department of Planning and Building Services has determined the project is categorically exempt from CEQA pursuant to CEQA Guidelines Section 15301(c), minor alteration of existing facilities, including existing highways, streets, sidewalks, gutters, bicycle and pedestrian trails and similar facilities (this includes road

grading for the purpose of public safety. Mendocino Historical Review Board Staff Reports are available on the Department of Planning and Building Services website at [www.co.mendocino.ca.us/planning](http://www.co.mendocino.ca.us/planning).

All interested parties are invited to attend and be heard at this time. Applicants or their agents must appear for their hearings. If you challenge the above matter(s) in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing. All documents will be available for review in the Clerk of the Board's Office. For further information, call 463-4441, Monday - Friday.
