

**MEMORANDUM OF UNDERSTANDING  
BETWEEN THE JUDICIAL COUNCIL OF CALIFORNIA  
AND THE COUNTY OF MENDOCINO  
FOR COURT FACILITY SERVICES RELATING TO  
FORT BRAGG COURT FACILITY**

This Memorandum of Understanding (“MOU”) is made and entered into on August 16, 2016, by and between the Judicial Council of California (“**Judicial Council**”), and the County of Mendocino, a political subdivision of the State of California (“**County**”), with an effective date of July 1, 2015. For purposes of this MOU, Judicial Council and County are each a “**Party**” and are sometimes referred to as the “**Parties**.”

**BACKGROUND TO AND PURPOSE OF MOU**

A. The Trial Court Facilities Act of 2002, commencing at Government Code § 70301 (the “**Act**”), provides for the County to transfer responsibility for the funding and operation of all trial court facilities, as defined at Government Code § 70301(d) located in the County to the Judicial Council of California. Pursuant to the Act, the County and the Judicial Council have entered into a Transfer Agreement (“**Transfer Agreement**”) and a Joint Occupancy Agreement (“**JOA**”) with respect to the court facility located at 700 South Franklin St, Fort Bragg, CA (“**Court Facility**”).

B. Pursuant to Section 3.2.1 of the JOA, the Judicial Council is responsible for providing all of the Operations (as defined in the JOA) for the Court Exclusive Use Area (as defined in the JOA).

C. In lieu of the Judicial Council providing the Operations for the Court Exclusive Use Area, the County has provided those services on the Judicial Council’s behalf pursuant to that certain Memorandum of Understanding with an effective date of July 1, 2013 (“**2013 MOU**”).

D. The 2013 MOU expired as of June 30, 2015, because the Judicial Council failed to timely notify the County of its desire to renew it.

E. The Judicial Council and County desire that the County continue to provide, and the County is willing to continue to provide, Operations for the Court Exclusive Use Area upon the terms and conditions more particularly described below.

**NOW, THEREFORE**, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

## AGREEMENT

### 1. Provision of Services.

#### 1.1. Levels of Service to Court Exclusive Use Area.

When requested by the Judicial Council via a work order in accordance with the Work Order Procedures set forth in Exhibit "A" of this MOU or when an Emergency Services Situation arises (defined in Section 1.6 of this MOU), County will provide Operations for the Court Exclusive Use Area ("**Services**") at a performance standard and response time substantially similar to (1) that which the County has historically provided to the Court Exclusive Use Area prior to the Effective Date of this MOU, and (2) that which the County provides to similar types and locations of County-operated facilities. County will respond to Service requests from the Judicial Council in the same manner as County responds to all other County requests.

#### 1.2. County's Services.

(a) Judicial Council may request County to provide Services including the following: to operate, repair, replace, and maintain in good order and condition those portions within the Court Exclusive Use Area to the extent that they are not covered by Section 3.2.2 of the JOA.

(b) In performing the Services, County must comply with all applicable state and federal codes, ordinances, laws, regulations, and judicial and administrative orders and directives issued by a court or governmental entity with jurisdiction over the Court Facility ("**Law**"), and all permits for building operation as required by Law.

1.3. Days and Hours of Operation. County shall be available to provide Services to the Court Exclusive Use Area each weekday (Monday through Friday) other than the court holidays, during the County's normal working hours of 7:00 a.m. to 5:00 p.m. excluding any holidays recognized as court holidays under California law. With respect to Emergency Services Situations, County shall be available 24 hours per day, seven days per week.

1.4. Service Call Log. County shall maintain a Service call log in sufficient detail to enable Judicial Council to determine whether Services are completed in accordance with the terms of this MOU. The Service Call Log shall be available for inspection by Judicial Council representatives at all reasonable times. The Service Call Log shall include the following information:

- (a) Name of the person calling from the Judicial Council;
- (b) Work Order Number;
- (c) Location within the Court Exclusive Use Area where the problem exists;
- (d) Date and time the call or Work Order was received;
- (e) Description of the action taken to resolve the problem and the time and date corrective action was taken;
- (f) Follow-up action to be taken, if any.

1.5. County's Default. County shall be in default of its obligations under this Section 1, if County fails to perform and complete non-emergency Services within seven (7) working days after written notice by Judicial Council to County of the need for such Services. If, due to the nature of the particular Service obligation, more than seven (7) days are reasonably required to complete it, County shall not be in default under this Section 1 if County begins work within this seven (7) day period and diligently prosecutes this work to completion.

1.6. Emergency Services Situation.

(a) An **“Emergency Service Situation”** means the existence of any condition arising from a sudden or unexpected occurrence, and as to which prompt Services must be performed to avoid or minimize the impact of such condition or occurrence on any of the following:

(i) protection of the life, health, or safety of persons occupying or visiting the Court Exclusive Use Area;

(ii) the Court's ability to conduct Court business in the Court Exclusive Use Area in an orderly, neat, clean, safe, and functional environment;

(iii) the security of the Court Exclusive Use Area or the security of the persons occupying and visiting the Court Exclusive Use Area or building;

(iv) preservation of the asset value of the Court Exclusive Use Area;

(v) protection of files, records, and documents located in the Court Exclusive Use Area;

(vi) prevention or avoidance of an unsafe, unsanitary, or non-functional condition affecting the Court Exclusive Use Area.

County agrees to make a commercially-reasonable best effort to resolve Service requests arising from Emergency Service Situations promptly and in a manner similar to the County's response to Emergency Service Situations in other County buildings. County will provide a pager or cell phone number(s) for emergency service requests 24 hours per day, seven days a week.

(b) If County becomes aware of an Emergency Service Situation, County shall have the authority and obligation to perform repairs or replacements necessitated by an Emergency Service Situation, as and if required to avoid or minimize the impact of the Emergency Service Situation. Should any Services be required, in the professional judgment of County, in response to an Emergency Service Situation, County shall promptly notify Judicial Council of the nature and extent of the Emergency Service Situation and shall describe the services performed by County in response to the Emergency Service Situation. County shall seek the guidance and concurrence of the Judicial Council to the degree possible, but in any case shall have full authority to exercise its professional judgment to remediate the Emergency Service Situation.

(c) If Judicial Council notifies County of an Emergency Service Situation, then County shall commence appropriate Services promptly after receiving such notice. Judicial Council may give such notice via telephone, facsimile, personal contact, or any other means, and Judicial Council shall follow any non-written request for Services with written confirmation of the request to County within twenty-four (24) hours of Judicial Council's initial call.

(d) With respect to Emergency Services Situations, each party may give such notice via telephone, facsimile, personal contact, or any other means, and that party shall follow any non-written notice with written confirmation of notice to the other party within twenty-four (24) hours of the initial non-written notice.

(e) When performing Services in response to an Emergency Service Situation, County must comply with the applicable provisions of the Work Order Procedures set forth in Exhibit "A" of this MOU.

(f) If County performs Services in response to an Emergency Service Situation, then within sixty (60) days after written demand by County, Judicial Council will reimburse County for the costs and expenses incurred by County to respond to the Emergency Service Situation so long as such costs and expenses have been invoiced to the Judicial Council and are documented and consistent with the hourly rates set forth in Appendix 1 to Exhibit "B."

1.7. Excluded Elements. The Services to be provided by the County under this MOU shall not include the following:

(i) Common Area. Any maintenance or repair work to the Common Area (as defined in the JOA) which is covered under Section 3.2.2 of the JOA. Under the JOA, including without limitation Section 3.2.2 of the JOA, the County is responsible for providing maintenance, and repairs to the Common Area. This MOU is not intended to change any provisions of the JOA which relate to the Common Area. In addition, under the terms of JOA, the County is responsible for providing utilities to the Common Area and the Court Exclusive Use Area subject to cost allocation in JOA.

(ii) Janitorial Services. Janitorial Services are not covered in this MOU.

1.8. Criminal Background Screening.

(a) Access to Restricted Areas. Unless a person is responding to and correcting a Deficiency arising from an Emergency Services Situation under section 1.6 of this MOU, only County employees and County Contractor employees who are screened and approved pursuant to section 1.8 (b) of this MOU (“**Approved Persons**”) may have unescorted access to Restricted Areas (as defined in the JOA). Unscreened County employees and unscreened County Contractor employees may access Restricted Areas if they are escorted and monitored by any of the following: (1) an Approved Person, or (2) an employee of the Court if the Court’s Executive Officer, or their designee, consents to a Court employee escorting and monitoring the unscreened person. The County must take all reasonable steps to ensure that all work pursuant to this MOU in and of all Restricted Areas is at all times consistent with this section 1.8.

(b) Screening and Approval Process. When conducting screenings of County employees and County Contractor employees, Managing Party shall utilize a Live Scan background check or, if the Live Scan system becomes unavailable during the Term of this MOU, by other similar or successor system. Exhibit “C” to this MOU sets forth the criteria for approval of a County employee or County Contractor employee based on the results of the screening. In lieu of the Managing Party conducting the screening and approval process set forth herein, the Contributing Party may, but is not obligated to, conduct the screening and approval of County employees or County Contractor employees that have access to the Restricted Areas, and, in such event, County agrees to cooperate with the Judicial Council with respect to the screening of County employees or County Contractor employees that access the Restricted Areas.

(c) Identification of Approved Persons. The County must issue and provide an identification badge to each Approved Person bearing the Approved Person’s name and picture, which badge will indicate that the Approved Person is permitted to access the Restricted Areas. If the County issues identification badges to its

employees, the County need not issue a separate badge to Approved Persons, but may affix a sticker or other marking on the existing badges of Approved Persons to indicate their right to access Restricted Areas. If the Judicial Council has chosen to conduct the screening and approval of County employees or County Contractor employees, the Judicial Council will either (1) notify the County if an employee is approved, whereupon the County will provide and issue an identification badge for that Approved Person, or (2) provide an identification badge for the Approved Person to the County, and the County will be responsible for issuing the identification badge to that Approved Person. All Approved Persons must wear their identification badges in a readily-visible manner whenever they are in a Restricted Area.

(d) DOJ and DMV Requirements. Notwithstanding anything in this JOA to the contrary, County must comply with background check and clearance requirements of the California Department of Justice (“DOJ”) and the California Department of Motor Vehicles (“DMV”) relating to any County employee or County Contractor employee who has either remote or direct access to any area which is either connected to, or contains records from, the DOJ criminal computer database, including, without limitation, the California Law Enforcement Telecommunications System (CLETS) and the Criminal Offender Record Information (CORI), or the DMV computer database (collectively the “Databases”). If requested by either the Court (as defined in the JOA) or the Judicial Council, County must provide to either the Court or the Judicial Council suitable documentation evidencing the County’s compliance with the policies, practices, and procedures of the DOJ and the DMV regarding background check and clearance requirements relating to access to the Databases.

(e) County Facilities Payment. Nothing in this MOU diminishes or modifies the County’s obligations under the Act and the Agreement for payment of the County Facilities Payment.

1.9. Cooperation Regarding Third-Party Vendors. Each Party shall at all times cooperate with the other Party’s vendors or contractors, shall not interfere with the other Party’s vendors or contractors in the performance of their contractual obligations, and shall advise the other Party of any cooperation or coordination problems that may arise.

1.10. Judicial Council’s Right to Perform Services. Judicial Council reserves the right to utilize third party contractors or the Judicial Council’s own employees to provide operations and maintenance services to the Court Exclusive Use Area. The Judicial Council will notify the County in writing that it intends to utilize its own third party contractors or employees prior to such engagement so as to not duplicate maintenance efforts as defined in the MOU.

## 2. Insurance.

2.1. County's Insurance Programs. County may provide for all or any portion of its obligations under Section 2 of this MOU by commercial insurance, an authorized program of self-insurance, or participation in a joint power authority established for the purpose to pool self-insured claims. County must notify Judicial Council of any material changes to its insurance or self-insurance programs from what existed on the effective date of the Transfer Agreement.

2.2. Workers' Compensation Insurance. County must maintain and keep in force workers' compensation insurance or similar insurance for its employees who are employed in connection with the performance of County's obligations under this MOU. That insurance must comply with applicable State statutes and contain Employer's Liability Insurance with limits of not less than One Million Dollars (\$1,000,000) per person per accident. The insurance must also comply with all applicable federal and State withholding tax, Social Security, unemployment, and other Laws existing or enacted in the future for the benefit of, affecting, or respecting the employment of such County employees.

2.3. Liability Insurance. County must maintain and keep in force during the term of this MOU comprehensive general liability insurance with limits of liability of not less than One Million Dollars (\$1,000,000) per occurrence and if subject to an annual aggregate limit of liability, such aggregate limit of liability shall be for an amount of not less than Five Million Dollars (\$5,000,000). The liability insurance may be issued in one or more policies by insurers acceptable to Judicial Council and shall include without limitation coverage for the following:

(i) Bodily injury and property damage liability, including the products and completed operations hazard, resulting from the County's performance, pursuant to the terms of this MOU, of Services in or to Court Exclusive Use Area; and

(ii) Bodily injury or property damage resulting from the County's assumption, if any, of its liabilities under any contract related to County's performance under this MOU; and

(iii) Damages resulting from personal and advertising injury resulting from the County's performance, pursuant to the terms of this MOU, of Services in or to Court Exclusive Use Area.

2.4. Automobile Liability. County must maintain and keep in force during the term of this MOU automobile liability insurance with limits of liability of not less than One Million Dollars (\$1,000,000) combined single limit per occurrence with respect to owned, non-owned, hired or leased vehicles assigned to or used in connection

with the County's performance, pursuant to the terms of this MOU, of Services in or to the Court Exclusive Area.

2.5. The County shall provide verification of coverage from insurers that are satisfactory to the Judicial Council as evidence that the coverage required under this Section 2 is in force. Such verifications of coverage shall identify this MOU and shall contain a written provision requiring not less than thirty (30) days' prior written notice will be provided to Judicial Council of cancellation, non-renewal, or material change in coverage of said policies. The Judicial Council reserves the right to request and receive copies of any of the above insurance policies and/or endorsements. If the County provides the required insurance through commercial insurance companies, such insurers shall have an A.M. Best rating of at least equal to, or better than an "A-VII" and be authorized to do business in California. Only as it relates to the County's performance, pursuant to the terms of this MOU, of Services in or to Court Exclusive Use Area the policies required under Section 2.3 shall be endorsed to include the Judicial Council and the Court, as well as their agents, officials, and employees as additional insureds, or covered parties, as appropriate, shall stipulate that the coverage afforded shall be primary insurance, and any insurance, self-insurance of risk retention programs maintained by the Judicial Council will be excess and non-contributory to the insurance required by Section 2.3 and 2.4, and shall waive all rights of recovery against the Judicial Council and the Court.

2.6. To the extent that County contracts with third parties (other than with each other) for any provision of Services, goods, or supplies of any nature whatsoever in or to the Court Exclusive Use Area, then County shall require that such third-party contractors, all levels of subcontractors, and their respective employees, consultants, and representatives: (a) obtain not less than the insurance required of County under this Section 2; (b) name Judicial Council and the Court as additional insureds; (c) provide a waiver of subrogation in favor of the Judicial Council, the Court and County; (d) provide to Judicial Council, the Court, and County a 30-day notice of cancellation or material change in any insurance policy coverages required hereunder; and (e) promptly deliver to Judicial Council, the Court, and County written evidence that all insurance coverage required by this Section 2.6 is in place and complies with the requirements hereof. However, this provision does not preclude the County's ability to require any third-party contractor to provide additional limits of liability and insurance coverages which are usual and customary to their type of business or exposures arising from the work being performed. Notwithstanding the foregoing, third-party contractors engaged by County need only carry general liability insurance with limits of liability of not less than One Million Dollars (\$1,000,000) per occurrence or Three Million Dollars (\$3,000,000) in the aggregate.

3. Compensation Payment for Services and Reimbursement Costs.

3.1. Compensation for Services. Judicial Council agrees to compensate County for Services provided pursuant to this MOU in accordance with the Payment Provisions set forth in Exhibit "B."

Judicial Council hereby agrees, ratifies and confirms that it will compensate County for all Services provided prior to the Effective Date of this MOU including but not limited to those performed during the time between the June 30, 2015, expiration of the 2013 MOU and the Effective Date of this MOU, in accordance with the Payment Provisions set forth in Exhibit "B" to the 2013 MOU.

3.2. Supporting Documentation. County shall provide additional supporting documentation regarding the amount charged by County in an invoice within thirty (30) days of a request by the Judicial Council Designated Representative. Judicial Council's payment of any County invoice will not preclude Judicial Council from questioning the accuracy of the particular invoice provided by County or any information or changes contained in the Invoice.

3.3. Retention of Records. County shall maintain all supporting documentation regarding any amounts charged by County for a minimum retention period of at least three (3) years.

4. Term.

This MOU has a term commencing on the Effective Date of this agreement, and terminating on June 30, 2017. The MOU will automatically renew for three one (1) year terms unless the Judicial Council provides the County written notice of its intent not to renew prior to the termination of the existing term or renewal term of the MOU. This MOU may be terminated by either party with ninety (90) days written notice.

5. Indemnification.

County shall, and hereby does, protect, defend, indemnify, and hold harmless the Judicial Council and the Court, and their officers, agents, and employees (collectively "**Indemnitees**") from and against any and all loss, cost, damage, expense, and liability of any and every kind or nature, including without limitation, attorney fees and court costs (herein "**Claims**") arising from or in any way connected with the performance or nonperformance by County of its obligations under this MOU except to the extent that such claims arise out of or relate to the negligence or willful misconduct of the Indemnitees. County will be relieved of its obligations to protect, defend, indemnify, and hold harmless Indemnitees upon County receiving a judgment of no liability and being dismissed from a case by a court of competent jurisdiction for the alleged acts or omissions which gave rise to the Claim. In the event any legal action(s) or any other

proceeding(s) may be brought against the Indemnitees by reason of any such Claims, County, upon written notice from Judicial Council, shall promptly defend Indemnitees at County's sole cost and expense. The foregoing indemnity shall survive the termination of this MOU.

In addition, County agrees to indemnify and hold Indemnitees harmless from any acts, errors, omissions of any nature whatsoever arising out of or from each of their respective contractual arrangements with their third-party vendors, contractors, and all tiers of subcontractors, their employees, consultants, agents, or representatives. County shall require their third party vendors, contractors, and all tiers of subcontractors who provide goods or services of any nature whatsoever for the care, maintenance, or repair of the Court Facility to indemnify and hold harmless the Indemnitees.

6. Dispute Resolution.

6.1. Continuation of Services. Whenever County and Judicial Council disagree as to any matter governed by this MOU, the dispute resolution process set forth in this Section 6 shall govern. While the dispute is pending, County shall continue to provide Services, and Judicial Council shall continue to pay for those Services, as set forth herein.

6.2. Request for Meeting. If, after seven (7) days, Judicial Council and County cannot resolve any dispute, either Party may give the other Party a written request for a meeting between Judicial Council Designated Representative and County Designated Representative for the purpose of resolving a disagreement between the Parties. Such meeting shall be held within fourteen (14) days of the receipt of such request. If the meeting fails to occur or fails to resolve the disagreement, nothing in this MOU shall preclude the Parties from exercising their legal remedies.

7. Miscellaneous.

7.1. Entire Agreement. This MOU and the Exhibits to this MOU, together with the Transfer Agreement and other agreements related to the transfers of responsibility for the Court Exclusive Use Area covered by this MOU, collectively contain the entire and complete understanding of the Parties hereto and supersede any and all other previous agreements, oral or written.

7.2. Amendment. No addition to or alteration of the terms of this MOU shall be valid unless made in the form of a written amendment to this MOU, which is formally approved and executed by the governing bodies of each of the Parties to this MOU.

7.3. Time of Performance. Unless specifically stated to the contrary, all references to days herein shall be deemed to refer to calendar days. If the final date for

payment of any amount or performance of any act falls on a Saturday, Sunday or Court holiday, such payment shall be made or act performed on the next-succeeding business day.

7.4. Further Assurances. Each Party hereto agrees to cooperate with the other, and to execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and to take all such other actions as may be reasonably requested of it from time to time, in order to effectuate the provisions and purposes of this MOU.

7.5. Time of the Essence. Time is of the essence in each and all of the provisions of this MOU.

7.6. Assignment. A significant consideration for this MOU is the familiarity of County with the Exclusive Use Area and its operations that will allow County to efficiently provide the Services utilizing trained County staff. For this reason, County and Judicial Council agree that County shall not assign any interest in this MOU, or subcontract any of the Services that County is to perform hereunder without the prior written consent from Judicial Council.

7.7. Notices. Any notices required or permitted hereunder shall be in writing and may (a) be personally delivered; (b) be mailed by depositing such notice in the United States mail, first class postage prepaid; or (c) be sent by reputable overnight delivery service; addressed as follows or to such other place as each Party hereto may designate by subsequent written notice to the other Party:

7.15. Independent Contractor. In performing its duties pursuant to this MOU, County shall at all times be an independent contractor of Judicial Council, and it is expressly understood and agreed that payments hereunder shall be payments by Judicial Council to County as an independent contractor and not as an employee, partner, or joint venture of Judicial Council. County, with its departments as its agents, shall perform this MOU as an independent contractor, exercising due care and providing the Services with such skill that is customary for providers of such Services. County and the officers, agents and employees of County are not, and shall not be deemed, Judicial Council employees for any purpose, including workers' compensation and shall not be entitled to any of the benefits accorded to Judicial Council employees. County shall determine, at its own risk and expense, the method and manner by which the duties imposed on County in general by this MOU shall be performed; provided, however, that Court may monitor the work performed. Judicial Council shall not deduct or withhold any amounts required to be withheld for state and federal taxes or employee benefits for County employees or sub-contractors. County alone shall be responsible for all such withholdings.

7.16. Designated Representatives. Judicial Council and County shall each identify and appoint a designated representative who shall have the authority to bind Judicial Council and County, respectively, for all matters and approvals related to provision of Services under this MOU. As of the Effective Date of this MOU, the designated representative for Judicial Council is Brent Dalrymple, Facilities Management Administrator, of the Judicial Council of California, Real Estate and Facilities Management ("**Judicial Council Designated Representative**" or "**Project Manager**"), and the designated representative for County is Christopher Shaver, Deputy Court Executive ("**County Designated Representative**" or "**County Representative**"). Judicial Council and County each may change its respective Designated Representative by written notice to the other in accordance with the notice provisions set forth in Section 7.7 of this MOU. The Parties hereby acknowledge and agree that their respective Designated Representatives are the persons who shall bear primary responsibility for the giving and receipt of notices, and for the coordination of the administrative obligations of the Party that each Designated Representative represents under this MOU; but neither

- 5) Maximum Approved Cost, including all Labor Costs and Materials Reimbursement.

- D. County will perform the work specified in each WO in accordance with the requirements of this MOU. Upon receipt of a WO, if County estimates that the Work necessary to complete the task cannot be provided for less than the Maximum Approved Cost set forth on that WO, then County will provide the Judicial Council with justification for the additional cost and obtain a new Maximum Approved Cost. County shall not exceed the original Maximum Approved Cost without express written consent of the Judicial Council. Once the County has commenced the Work and County becomes aware that completion of Work may exceed the original applicable Maximum Approved Cost, County shall immediately notify the Judicial Council and provide the Judicial Council with justification for additional cost and obtain a new Maximum Approved Cost. County agrees to complete all work specified on the Work Order for no more than the applicable Maximum Approved Cost. County shall not be reimbursed for more than the applicable Maximum Approved Cost with respect to any WO. If the Judicial Council and the County cannot agree upon a Maximum Approved Cost for the Work, then the Work Order will be cancelled.
- E. Any commencement of work prior to the County's receipt of an authorized WO shall be done at the County's own risk.
- F. Within 48 hours of completing the Work Order, the County will notify the Judicial Council of the completion of the work and provide the cost of the Work Order and the number of hours of labor utilized to complete the Work Order and a line item list of any material cost exceeding \$20.

2) Work Order Procedure for Services arising from an Emergency Service Situation

The Maximum Approved Cost for any single event of Emergency Work shall be limited to three thousand five hundred dollars (\$3,500.00) per incident unless authorization to exceed that amount is obtained pursuant to Section 2.B of this Exhibit.
- B. As soon as practical but before the \$3,500 threshold is reached, the County must contact Judicial Council for a WO to document the Emergency Work and receive additional authorization to the Maximum Approved Cost, if necessary.
- C. Except as noted in A and B above, all other aspects of the Work Order Procedure for Non-emergency Work are applicable.
