Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have been the managing partner of Ravenridge Cottages, a vacation rental business in Yorkville, for the past 13 years. During this time, I have observed and participated in the developing local tourism and hospitality industry. I am a retired educational program manager from the non-profit sector. I currently serve as a member of the Yorkville Highlands Growers and Vintners Association, and am an advisor to Sonoma State University's Galbreath Wlidlans Reserve in Yorkville. I have previously served as a member and president of the BID Advisory Board. I believe that responsible growth in hospitality and tourism can make significant contribution to the health of the local economy.
