Mendocino County Board of Supervisors:

I am the Executive Director of Willits Seniors, Inc. (Harrah Senior Center). I am passionate about my job and working with our senior and disabled population.

Many of the clients we see at the Senior Center are low income and need help with low income housing applications, utility assistance, money management, and other assorted needs.

Community Development Commission does an amazing job of keeping some of these qualified seniors and low income families safe and off the streets. Unfortunately, the need for affordable housing far outweighs the current housing availability.

I have firsthand accounts of unmet housing needs from our Outreach Department.

Being a participant on the Community Developments Board of Commissioners would enable me to bring those needs to a body that is in the business of looking at and solving affordable housing issues.

I thank you in advance for your consideration of my request. Should you need any more information please don't hesitate to call (459-6826).

Warmest Regards,
