**SOUTHERN HUMBOLDT COMMUNITY HEALTHCARE DISTRICT PARCEL TAX FOR  
EMERGENCY ROOM CARE, ACUTE HOSPITAL CARE AND OTHER HEALTH SERVICES  
AND NEW OR IMPROVED FACILITIES**

The Southern Humboldt Community Healthcare District will levy a special tax on each taxable parcel of land within the District at the annual rate of \$170 on all qualified parcels within the District's boundaries, a special tax for a period of forty-five (45) years beginning July 1, 2018 and ending on June 30, 2065.

The term "qualified parcel" as used in this resolution shall be defined as every assessor's parcel for the applicable tax year, except those parcels which have a low value exemption as determined by the County Board of Supervisors and those vacant parcels which are determined by the County Assessors to be wholly or partially within a Timberland Production Zone or under an Agricultural Preserve Contract.

The purpose of this parcel tax will be to ensure, all together, or as individual uses of the tax funds, continued local access to emergency care, acute hospital care, other health services, and new or improved facilities for residents of the District and visitors to the area. The revenues raised by this special tax will only be used to defray operating expenses, capital improvement and facility related expenditures, including a new hospital, and debt repayment to accomplish the foregoing purposes.

The District's appropriations limit will be increased by the amount of this voter-approved tax.

The amount of money to be raised annually by the parcel tax levy is estimated to be \$1.63 million dollars.

The special tax revenues shall be deposited into a separate account held by the Mendocino or Humboldt County Treasurer, as appropriate, in accordance with Government Code Section 50075.1, and shall be expended solely for the above-stated purposes and according to a plan

developed annually by the District staff and approved and adopted by the District's Board of Directors.

The District will cause to be filed an annual report with its Board of Directors, which report shall include the amount of special tax revenues collected and expended, and which shall otherwise comply with the accountability measures established in Government Code Sections 50075.1 *et seq.*

4. The District hereby sets the abbreviated ballot form of the measure appearing in Paragraph 3 as follows:

Shall the Southern Humboldt Community Healthcare District renew its expiring parcel tax to continue providing local access to hospital emergency care, physician clinic services, other healthcare programs and services, including a new hospital and new or improved healthcare facilities? The renewed tax will be at a new rate of \$170 per year on all qualified parcels, annually providing \$1.63 million dollars per year for 45 years beginning July 1, 2018.

5. The tax shall take effect for forty-five (45) years on July 1, 2018 and shall be assessed against each taxable parcel of land within the District at the rate of \$170 per parcel. The term "qualified parcel" as means every assessor's parcel for the applicable tax year, except those parcels which have a low value exemption as determined by the County Board of Supervisors and those vacant parcels which are determined by the County Assessors to be wholly or partially within a Timberland Production Zone or under an Agricultural Preserve Contract.

6. The tax shall be collected by the Humboldt or Mendocino County Tax Collector, as appropriate, at the same time, in the same manner and subject to the same penalties as ad valorem property taxes collected by the Treasurer-Tax Collector. Unpaid taxes shall bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid. The collection of the parcel tax shall not decrease the funds available from other sources of the District in any period from the effective date hereof.

7. The District requests that the Registrars of Voters take all steps necessary to hold the election by all-mail ballot pursuant to Division 4 of the Elections Code (commencing with Section 4000).

8. The District shall bear the cost of the election.

9. The Chair of this Board or designees are hereby authorized to prepare and file with the Registrars of Voters a ballot argument in favor of the tax measure, or act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument, each within the time established by the Registrars of Voters, which shall be considered the official ballot arguments of this Board as sponsor of the measure.

10. The Chair of the Board or designees are hereby authorized to execute any other document and to perform all acts necessary to place the tax measure on the ballot, including making alterations in the ballot language stated in Paragraphs 3 and 4 hereto, and to comply with requirements of law and election officials.

11. The Board hereby proposes to increase its appropriations limit under Article XIII B of the California Constitution in an amount equal to the amount of proceeds of taxes for the first year the parcel tax is imposed.

12. The District shall levy the tax upon approval of two-thirds of the votes cast by voters voting upon the measure.

13. The authority for ordering this election is contained in Section 4 of Article XIII A of the California Constitution and Government Code sections 53730.01 and 50075 *et seq.* The authority for holding an all-mail ballot election is contained in Section 4000 of the Elections Code.
