Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have lived in the town of Mendocino for two years. I have experience with the MHRB as we presented our plans for a new house in Mendocino in 2014 and have appeared before the board on several occasions. I am a retired mechanical engineer with over 30 years of experience. I received my PhD in engineering from Stanford. I live full time the the town of Mendocino. I have always had an interest in history and historical preservation. I believe I would make a good member of the MHRB.
