Mendocino County Board of Supervisors  
501 Low Gap Road, Room 1010  
Ukiah, CA 95482

RE: ADOPTION OF RESOLUTION AUTHORIZING DEPARTMENT OF TRANSPORTATION TO ADVERTISE FOR BIDS AND AWARD DEPARTMENT OF TRANSPORTATION CONTRACT NUMBER 170001 TO PERFORM A 2017 OVERLAY AND BASE REPAIRS PROJECT ON VARIOUS COUNTY MAINTAINED ROADS (LITTLE RIVER, GUALALA, AND UKIAH AREAS)

Honorable Board Members:

This Mendocino County Department of Transportation (MCDOT) Contract Number (No.) 170001 will provide for road pavement preservation treatment of a three inch asphalt concrete overlay on the following County Roads (CR):

Road Name	From Mile Post	To Mile Post	Length in Miles	Pavement Condition Index	Average Daily Traffic
Fish Rock Road, CR 122	0.10	2.10	2.00	35	182
Little River Airport Road, CR 404	2.78	5.88	3.10	36	105
Fish Rock Road, CR 122	2.85	4.39	1.54	35	182

**Total Length: 6.64 miles**

MCDOT Contract No. 170001 will also provide for Base Repairs or "dig outs" on the following road:

Road Name	From Mile Post	To Mile Post	Length in Miles	Pavement Condition Index	Average Daily Traffic
Orr Springs Road, CR 223	36.00	43.00	7.00	40	377

This project is to be constructed through the use of Road Funds in Budget Unit (BU) 3041. BU 3041 has \$2.0M from budgeted road maintenance funds. The Department will not exceed funding available.

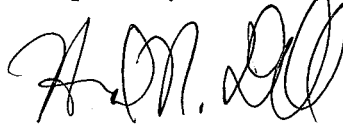

MCDOT intends to advertise for bids and have this project completed this calendar year. MCDOT will prepare construction plans, specifications, estimates and contract documents, advertise and award a County contract, and coordinate the project with the other governmental agencies.

I recommend and request that the Board authorize and direct the Director of Transportation to advertise for construction bids and to award a MCDOT contract to perform the 2017 Overlay and Base Repairs Project on Various County Maintained Roads. Total distance to be treated is estimated to be 13.64 miles but, the distance treated could be adjusted depending on bids received. If needed, reductions in miles of roadway treated will be made from the bottom up.

Department of Transportation staff personnel have prepared a draft Resolution which provides said authorization for the Board's consideration and adoption.

I will, of course, respond to any questions that you may have.

Respectfully submitted
