Subject: For Agenda Item File # 17-1020 on Meeting Date 3-7-17

Subject:

Approval of Revenue Agreement No. 2017-28 with the U.S. Department of Justice Drug Enforcement Administration in the Amount of \$70,000 for the Eradication and Suppression of Illicit Cannabis on Federal Lands for the period term of October 1, 2016 to September 30, 2017

My Comment: Please **SPECIFICALLY condition the acceptance of the grant to eradication and enforcement on federal or public lands only.**

Also, did the Board of Supervisors authorized the December 31,2016 permit expiration date?

If so, please do not to delay the ordinance for Supervisor Gjerde's issue, which can be addressed as a project outside of the ordinance approval process. It is important for individuals who are working toward being in compliance with the ordinance, but are must be able to begin moving forward with this season to not be caught in a void between compliance and non-compliance. Timing and protection are imperative the the good standing citizens who with comply with the county's ordinance.

Thank you.
