501 Low Gap Road, Room #1010

Dear Directors,

Please consider appointing me for the position of board director for the Mendocino County Waterworks District II in lieu of election. During the process of applying to be a candidate, I made a mistake on one paper which caused me to miss the application deadline. I have resided at _____ since 2007 and I am a registered voter in Mendocino County. I have served on the water district board of directors for the past eight years and hope to continue serving the community of Anchor Bay. If you require any additional information, please contact me via email at _____ or cellular phone at _____.

Respectfully Submitted,
