CONTRACTOR shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to its officers, agents or employees and agrees to indemnify and hold County harmless from any and all liability which COUNTY may incur because of CONTRACTOR's failure to pay such amounts.

In carrying out the work contemplated herein, CONTRACTOR shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and agrees that such officers, agents, and/or employees will be considered as Independent Contractors and shall not be treated or considered in any way as officers, agents and/or employees of COUNTY.

CONTRACTOR does, by this Agreement, agree to perform his/her said work and functions at all times in strict accordance with all applicable federal, state and County laws, including but not limited to prevailing wage laws, ordinances, regulations, titles, departmental procedures and currently approved methods and practices in his/her field and that the sole interest of COUNTY is to ensure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the County agency concerned.

Notwithstanding the foregoing, if the COUNTY determines that pursuant to state and federal law CONTRACTOR is an employee for purposes of income tax withholding, COUNTY may upon two (2) week's written notice to CONTRACTOR, withhold from payments to CONTRACTOR hereunder federal and state income taxes and pay said sums to the federal and state governments.

2. **INDEMNIFICATION:** CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever including damages to property and injuries to, or death of persons, reasonable attorney's fees, expert fees and court costs occurring or resulting, or alleged to be occurring or resulting, to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connections with the CONTRACTOR'S performance or its obligations under this AGREEMENT, and from any and all claims, liabilities, and losses occurring or resulting, or alleged to be occurring or resulting, to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance of its obligations under this AGREEMENT, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of COUNTY. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

CONTRACTOR shall provide such written assurances and written plan within thirty (30) calendar days of its receipt of COUNTY's request and shall thereafter diligently commence and fully perform such written plan.  - b. If CONTRACTOR is obligated to defend COUNTY pursuant to this Section 32 and fails to do so after reasonable notice from COUNTY, COUNTY may defend itself and/or settle such proceeding, and CONTRACTOR shall pay to COUNTY any and all losses, damages and expenses (including attorney's fees and costs) incurred in relationship with COUNTY's defense and/or settlement of such proceeding.
 - c. In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for COUNTY the right to continue using the

CONTRACTOR Products; or (2) replace or modify the CONTRACTOR Products so that that they become non-infringing, but equivalent in functionality and performance.

- d. Notwithstanding this Section 32, COUNTY retains the right and ability to defend itself, at its own expense, against any claims that CONTRACTOR Products infringe any patent, copyright, or other intellectual property right.

33. OTHER AGENCIES:

Other tax supported agencies within the State of California who have not contracted for their own requirements may desire to participate in this contract. EXHIBIT A

DEFINITION OF SERVICES

I. PROGRAM OVERVIEW

Wraparound Services have shown to be an effective practice that allows counties to reallocate existing State foster care dollars in a more lasting and meaningful way for high needs children and youth in or at risk of being placed in out-of-home care. The result of the Wraparound process is that counties are able to keep children with their birth families, relative caretakers, or foster families by providing intensive, comprehensive, strength based, integrated, and creative treatment for intervention and support services.

Service Philosophy and Practice Model of Lake County Wrap:

- A. Vision: Lake County Wraparound is creatively strengthening community and families through private, public, and family partnerships to keep and empower youth in healthier family-like settings.
- B. Wraparound Principles: All services provided through Wraparound will be based on principles that are family focused, strength based, collaborative, team based, community based, outcome based, and will include natural supports and "voice and choice."
- C. Lake County Wraparound provides a high fidelity process where youth and their families have a high level of voice and choice to ensure that they are connected to services, community resources, and natural supports that allow them to stabilize and sustain success.

II. PROCESS

After a referral is made to the Redwood Community Services (RCS) Wraparound Program confirming a child/youth's eligibility, the child and his/her family will meet with a qualified Wraparound Facilitator (Care Coordinator) and the Parent Partner to begin the Engagement Phase. The Wraparound Facilitator and the Parent Partner will help the family identify natural team members and comfortable meeting times and locations to ensure that the family's natural resources, preferences, and culture are incorporated into the process. To ensure a needs driven process, the Care Coordinator and Parent Partner will also work with the family and referring agency to identify immediate concerns and safety needs.

Once the family team is established, the Care Coordinator will support the family team to identify the strengths of the family and team. After strengths are identified, the Planning Phase will begin and will include meetings to address family needs and identify goals and strategies. The team will ensure that each Wraparound principle is incorporated at every stage of planning and transition.

Plans and expenditures are reviewed by the RCS Wraparound Program Manager to

ensure that the plans incorporate each Wraparound principle and in order to monitor the program and specific family outcomes. The program will be fiscally, programmatically, and clinically supervised by the RCS Lake County Program Manager. An on-going effort will occur to ensure that County staff, RCS Staff, and the general community are trained and knowledgeable about the Wraparound process and the benefits it provides.

III. PROGRAM EXCLUSION

Services under this agreement shall not be provided to any Mendocino County child/youth who is a participant in the Mendocino County Residential Based Services (RBS) program.

IV. SERVICES

A. COUNTY shall provide:

1. Routine case management services and monitoring of the implementation of case plans for each child.
2. Payments as identified in Exhibit B.

B. CONTRACTOR shall provide:

V. TERM

process which may affect the provisions, terms, or findings of this agreement in any manner.

- B. This agreement may be terminated by either party upon thirty (30) days written notice.

This is a one-year agreement and CONTRACTOR should make no assumption of continued funding from the COUNTY for this purpose at the end of this contract period.

Medi-Cal Data Privacy and Security Agreement

The California Department of Health Care Services (DHCS) and the County of Mendocino Health and Human Services Agency (MC-HHSA) have entered into a Medi-Cal Data Privacy and Security Agreement in order to ensure the privacy and security of Medi-Cal Personally Identifiable Information (PII).

Medi-Cal PII is information directly obtained in the course of performing an administrative function on behalf of Medi-Cal, such as determining Medi-Cal eligibility or conducting IHSS operations, that can be used alone, or in conjunction with any other information, to identify a specific individual. PII includes any information that can be used to search for or identify individuals, or can be used to access their files, such as name, social security number, date of birth, driver's license number or identification number. PII may be electronic or paper.

AGREEMENTS

NOW THEREFORE, County and the Contractor mutually agree as follows:

I. Privacy and Confidentiality

- A. Contractors may use or disclose Medi-Cal PII only to perform functions, activities or services directly related to the administration of the Medi-Cal program in accordance with Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq, or as required by law.

Disclosures which are required by law, such as a court order, or which are made with the explicit written authorization of the Medi-Cal client, are allowable. Any other use or disclosure of Medi-Cal PII requires the express approval in writing of DHCS. Contractor shall not duplicate, disseminate or disclose Medi-Cal PII except as allowed in the Agreement.

- B. Access to Medi-Cal PII shall be restricted to only contractor personnel who need the Medi-Cal PII to perform their official duties in connection with the administration of the Medi-Cal program.
- C. Contractor and/or their personnel who access, disclose or use Medi-Cal PII in a manner or for a purpose not authorized by this Agreement may be subject to civil and criminal sanctions contained in applicable Federal and State statutes.

II. Employee Training and Discipline

Contractor agrees to advise its personnel who have access to Medi-Cal PII of the confidentiality of the information, the safeguards required to protect the information, and the civil and criminal sanctions for non-compliance contained in applicable Federal and State laws. Contractor shall:

Addendum A – Page 2

- A. Train and use reasonable measures to ensure compliance with the requirements of this Agreement by their personnel who assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII; and take corrective action against such personnel who intentionally violate any provisions of this Agreement, up to and including by termination of employment. New employees will receive privacy and security awareness training from Contractor within 30 days of employment and receive regular reminders throughout their employment. This information will be recorded in employee records with dates of each training/reminder. These records are to be retained and available for inspection for a period of three years after completion of the training/reminders.

III. Management Oversight and Monitoring

The Contractor agrees to establish and maintain ongoing management oversight and quality assurance for monitoring workforce compliance with the privacy and security safeguards in this Agreement when using or disclosing Medi-Cal PII and ensure that ongoing management oversight includes periodic self-assessments.

IV. Confidentiality Statement

Contractor agrees to ensure that all contractor personnel who assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII sign a confidentiality statement. The statement shall include at a minimum, General Use, Security and Privacy Safeguards, Unacceptable Use, and Enforcement Policies. The statement shall be signed by the Contractor and their personnel prior to access to Medi-Cal PII.

V. Physical Security

Contractor shall ensure that Medi-Cal PII is used and stored in an area that is physically safe from access by unauthorized persons during working hours and non-working hours. Contractor agrees to safeguard Medi-Cal PII from loss, theft or inadvertent disclosure and, therefore, agrees to:

- A. Secure all areas of Contractor facilities where personnel assist in the administration of the Medi-Cal program and use or disclose Medi-Cal PII. The Contractor shall ensure that these secure areas are only accessed by authorized individuals with properly coded key cards, authorized door keys or access authorization; and access to premises is by official identification.
- B. Ensure that there are security guards or a monitored alarm system with or without security cameras 24 hours a day, 7 days a week at Contractor facilities and leased facilities where a large volume of Medi-Cal PII is store
- C. Issue Contractor personnel who assist in the administration of the Medi-Cal program identification badges and require County Workers to wear the identification badges at facilities where Medi-Cal PII is stored or used.

Addendum A – Page 3

- D. Store paper records with Medi-Cal PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks or locked offices in facilities which are multi-use (meaning that there are personnel other than contractor personnel using common areas that are not securely segregated from each other.) The contractor shall have policies which indicate that Contractor and their personnel are not to leave records with Medi-Cal PII unattended at any time in vehicles or airplanes and not to check such records in baggage on commercial airlines.
- E. Use all reasonable measures to prevent non-authorized personnel and visitors from having access to, control of, or viewing Medi-Cal PII.

VI. Computer Security Safeguards

The Contractor agrees to comply with the general computer security safeguards, system security controls, and audit controls in this section. In order to comply with the following general computer security safeguards, the Contractor agrees to:

- A. Encrypt portable computer devices, such as laptops and notebook computers that process and/or store Medi-Cal PII, with a solution using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution. One source of recommended solutions is specified on the California Strategic Sourced Initiative (CSSI) located at the following link: www.pd.dgs.ca.gov/masters/EncryptionSoftware.html. The Contractor shall use an encryption solution that is full-disk unless otherwise approved by DHCS.
- B. Encrypt workstations where Medi-Cal PII is stored using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- C. Ensure that only the minimum necessary amount of Medi-Cal PII is downloaded to a laptop or hard drive when absolutely necessary for current business purposes.
- D. Encrypt all electronic files that contain Medi-Cal PII when the file is stored on any removable media type device (i.e. USB thumb drives, floppies, CD/DVD, etc.) using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- E. Ensure that all emails sent outside the Contractor's e-mail environment that include Medi-Cal PII are sent via an encrypted method using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.
- F. Ensure that all workstations, laptops and other systems that process and/or store Medi-Cal PII have a commercial third-party anti-virus software solution and are updated when a new anti-virus definition/software release is available.

Addendum A – Page 4

- G. Ensure that all workstations, laptops and other systems that process and/or store Medi-Cal PII have current security patches applied and up-to-date.
- H. Ensure that all Medi-Cal PII is wiped from systems when the data is no longer legally required. The Contractor shall ensure that the wipe method conforms to Department of Defense standards for data destruction.
- I. Ensure that any remote access to Medi-Cal PII is established over an encrypted session protocol using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI. The Contractor shall ensure that all remote access is limited to minimum necessary and least privilege principles.

VII. System Security Controls

In order to comply with the following system security controls, the Contractor agrees to:

- A. Ensure that all Contractor systems containing Medi-Cal PII provide an automatic timeout after no more than 20 minutes of inactivity.
- B. Ensure that all Contractor systems containing Medi-Cal PII display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only. User shall be directed to log off the system if they do not agree with these requirements.
- C. Ensure that all Contractor systems containing Medi-Cal PII log successes and failures of user authentication and authorizations granted. The system shall log all data changes and system accesses conducted by all users (including all levels of users, system administrators, developers, and auditors). The system shall have the capability to record data access for specified users when requested by authorized management personnel. A log of all system changes shall be maintained and be available for review by authorized management personnel.
- D. Ensure that all Contractor systems containing Medi-Cal PII use role based access controls for all user authentication, enforcing the principle of least privilege.
- E. Ensure that all Contractor data transmissions over networks outside of the Contractor's control are encrypted end-to-end using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI, when transmitting Medi-Cal PII. The Contractor shall encrypt Medi-Cal PII at the minimum of 128 bit AES or 3DES (Triple DES) if AES is unavailable.
- F. Ensure that all Contractor systems that are accessible via the Internet or store Medi-Cal PII actively use either a comprehensive third-party real-time host based intrusion detection and prevention program or be protected at the perimeter by a network based IDS/IPS solution.

VIII. Audit Controls

Contractor agrees to an annual system security review by the County to assure that systems processing and/or storing Medi-Cal PII are secure. This includes audits and keeping records for a period of at least three (3) years. A routine procedure for system review to catch unauthorized access to Medi-Cal PII shall be established by the Contractor.

IX. Paper Document Controls

In order to comply with the following paper document controls, the Contractor agrees to:

- A. Dispose of Medi-Cal PII in paper form through confidential means, such as cross cut shredding and pulverizing.
- B. Not remove Medi-Cal PII from the premises of the Contractor except for identified routine business purposes or with express written permission of DHCS.

The Contractor shall ensure that faxes contain a confidentiality statement notifying persons receiving faxes in error to destroy them. Contractor personnel shall verify fax numbers with the intended recipient before sending.
- D. Use a secure, bonded courier with signature of receipt when sending large volumes of Medi-Cal PII. The Contractor shall ensure that disks and other transportable media sent through the mail are encrypted using a vendor product that is recognized as an industry leader in meeting the needs for the intended solution, such as products specified on the CSSI.

X. Notification and Investigation of Breaches

The Contractor agrees to notify John Martire, Chief Welfare Investigator, at 467-5856.

XI. Assessments and Reviews

XII. Assistance in Litigation or Administrative Proceedings

In the event of litigation or administrative proceedings involving DHCS based upon claimed violations, the Contractor shall make all reasonable effort to make itself and its personnel who assist in the administration of the Medi-Cal program and using or disclosing Medi-Cal PII available to DHCS at no cost to DHCS to testify as witnesses.

DUTY TO REPORT CLIENT THREATS TO HARM SELF, OTHERS OR HHSA

All employees and contracted personnel who facilitate groups or classes for the Mendocino County Health and Human Services Agency (HHSA) are considered mandated reporters and shall report within 24 hours, to a supervisor or a manager, any conversation or dialogue from a client that could be interpreted or construed as a possible threat to hurt themselves, others or HHSA. The supervisor or manager will fill out an incident report and notify the Deputy Director immediately. The Deputy Director or their designee will notify the Special Investigation Unit of the possible threat.

The facilitators of these groups and classes, including Intake Support Group, Family Empowerment Group and all parenting classes, represent HHSA and when necessary share information on a "need to know" basis. The confidentiality of participants in the groups and classes is to protect the client from their personal identifying information being distributed to people who do not need to know their personal information; however information is shared with social workers, and the Court. Facilitators of these groups and classes should 1) encourage participants to contact their social worker when there is pertinent and important information the social worker should know about and 2) inform the participant that if they do not feel comfortable contacting their social worker, the facilitator can give the information to the social worker for them.

Facilitators will make sure that all group/class participants understand upon beginning the group or class that when they, the participant, declare anger, frustration or irritation about their social worker, the Agency or anyone in a threatening manner or express a threat to harm themselves, the facilitator will report it to the necessary people. The facilitator will make sure that all participants understand upon beginning the group or class that confidentiality is to protect the participant's personal identifying information, but the facilitators do report the participant's progress or lack of progress in the group/class to social workers and the Court, as well as any threats to harm themselves, others or the Agency.

I understand this policy and understand that non-compliance will lead to disciplinary action (for staff) and termination of contract (for contractors).
