

RESOLUTION NO. 17-140

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE PROCESSING OF A CONSOLIDATED COASTAL DEVELOPMENT PERMIT BY THE CALIFORNIA COASTAL COMMISSION FOR THE NATURE CONSERVANCY TO INCREASE WINTER SURVIVAL AND REARING CAPACITY FOR COHO SALMON THROUGH VARIOUS IMPROVEMENTS TO THE SOUTH FORK OF THE TEN MILE RIVER

WHEREAS, the Coastal Act was amended by Senate Bill 1843 effective January 1, 2007, which allows for a consolidated permitting process for projects for which the Coastal Development Permit (CDP) authority is shared by a local government and the California Coastal Commission; and

WHEREAS, SB 1843 requires that the applicant, the local government and the California Coastal Commission agree to the consolidation; and

WHEREAS, the proposed winter survival and rearing capacity improvements for coho salmon to the South Fork of the Ten Mile River are under the coastal development permit authority of both Mendocino County and the California Coastal Commission and would otherwise require a coastal development permit from both Mendocino County and from the California Coastal Commission for the improvements located within each jurisdiction; and

WHEREAS, pursuant to Public Resources Code Section 30601.3, added by SB 1843, consolidation may only proceed where public participation is not substantially impaired by the consolidation; and

WHEREAS, public participation will not be substantially impaired as the California Coastal Commission will hold a public hearing, which may be attended by all interested parties (by either being present during a properly noticed California Coastal Commission meeting or by timely submitting comments in advance of a meeting) and the consolidation of the permit process will allow for this project, which involves improvements to the South Fork of the Ten Mile River to increase winter survival and rearing capacity for coho salmon, to be evaluated in its entirety.

NOW, THEREFORE, BE IT RESOLVED that the Mendocino County Board of Supervisors authorizes the California Coastal Commission to accept and process a consolidated Coastal Development Permit application for the Nature Conservancy to increase winter survival and rearing capacity for coho salmon in the South Fork of the Ten Mile River.
