The County will pay for future service at the same ratio (percentage) as previously established. In this regard, and as the retirement benefit has increased, the employee retirement cost will increase to reflect the benefits enumerated under Government Code, section 31676.12, of the retirement formula. However, this formula shall not apply to persons who are defined as "new members" under PEPRA.

Employees who are defined as “new members” under PEPRA will constitute a new tier. “New members” will be subject to all applicable PEPRA provisions, which include the 2% at 62 formula.

B. Service Buy-back

If an employee has prior service which qualifies for purchase, the employee must make the employee contributions only.

(*California Public Employees' Pension Reform Act of 2013, Section 7522.30(c)*).

B. Safety Benefit Eligibility

Upon retirement, sufficient funds will be transferred to the retirement reserves to assure that the retirement benefit is paid to the member and or spouse.

- (2) Juvenile Hall Superintendent
- (3) Assistant Juvenile Hall Superintendent

C. Enhancements Limited to Future Employment

14.3 Cost-of-Living Increase for Retired Employees

Effective April 1 of each year, the cost-of living increase for retirees shall be limited to a maximum of three percent (3%).

14.4 Sick Leave Conversion to Retirement Credit

For the purpose of determining "length of service" at the time of retirement, Management Association members shall be entitled to credit for all accumulated sick leave without limitation.
