Re: *Notice of Possible Action Regarding Requests by Millview County Water District and Russian River Flood Control & Water Conservation Improvement District to Consolidate their respective District Elections with the November Statewide General Election in Even-Numbered Years*

To Whom It May Concern:

Please take notice that Millview County Water District and Russian River Flood Control & Water Conservation Improvement District have submitted their resolutions to the Board of Supervisors to change their regularly scheduled district elections for governing board members from odd-numbered years to even-numbered years so that said elections are consolidated with the statewide general election that takes place during November in even numbered years. Millview County Water District and Russian River Flood Control & Water Conservation Improvement District have adopted resolutions to move their respective district elections to even-numbered years starting in 2020. Copies of the resolutions requesting the changes are attached to this letter.

Please take further notice that the Mendocino County Board of Supervisors will consider and possibly approve the requests of the districts identified in this letter during the Board of Supervisors' meeting on January 23, 2018. Please provide input to the Mendocino County Clerk of the Board by January 16, 2018, as to the effect that these consolidations may have on your district. Correspondence can be mailed to the Clerk of the Board, c/o Executive Office, 501 Low Gap Road, Room 1010, Ukiah, CA 95482, or emailed to cob@mendocinocounty.org.

If you have any questions about this topic, please call (707) 463-4441.
