SUMMARY OF PROPOSED
ORDINANCE**

**AN ORDINANCE AN ORDINANCE
OF THE MENDOCINO COUNTY
BOARD OF SUPERVISORS
AMENDING SECTION 16.08.015
OF CHAPTER 16.08 – ON-SITE
SEWAGE SYSTEMS**

This ordinance amends Section 16.08.015 of Chapter 16.08 of the Mendocino County Code, regarding on-site sewage systems. This section currently requires that all structures from which or in which domestic waste may be generated to be connected to an approved septic system. The proposed amendment would create an exception for certain operations engaged in the seasonal commercial cultivation or processing of plants from the requirement to construct bathrooms connected to an approved septic system. Such operations can either (1) rely on a nearby bathroom with either a path of travel connecting the operation to the bathroom or the construction of an arrival space at both the operation and the bathroom, or (2) use a portable chemical toilet and handwashing station under specific requirements.

The proposed ordinance is scheduled for adoption on January 2, 2018.

A complete copy of the ordinance is on file with the Clerk of the Board of Supervisors and is available for inspection and copying in accordance with the Public Records Act. Additionally, a complete copy of the ordinance may be viewed online at: www.mendocinocounty.org/government/board-of-supervisors/county-code.
