Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I serve as chief medical officer at Howard Memorial Hospital and work in close liaison with our local mental health system. I have a special interest in participating in overall improvement of medical care, including mental health and substance abuse, as this has traditionally been the weak link in our ability to effectively care for our patients, both in the hospital and in the outpatient clinics.

Certification

Please read the following statements and indicate your acceptance thereof.

I hereby certify that I am a registered voter in the State of California, County of Mendocino, a citizen of the United States, and will be at least 18 years of age at the time of the next election. I am not imprisoned or on parole for the conviction of a felony. I certify under penalty of perjury, under the laws of the State of California, that the information on this application is true and correct. I understand that assuming this public responsibility could result in public knowledge of my background and/or qualifications, including financial interests. Applications will be kept on file for one year.
