## Certification

Please read the following statements and indicate your acceptance thereof.

---

I hereby certify that I am a registered voter in the State of California, County of Mendocino, a citizen of the United States, and will be at least 18 years of age at the time of the next election. I am not imprisoned or on parole for the conviction of a felony. I certify under penalty of perjury, under the laws of the State of California, that the information on this application is true and correct. I understand that assuming this public responsibility could result in public knowledge of my background and/or qualifications, including financial interests. Applications will be kept on file for one year.

  - o FMA (Fabricators and Manufacturers Association)

Hands on and practical. From Engineering to business 101 and macroeconomics, lean manufacturing, CAD software and PDM (Product Data Management) training. I read endless trade publications.

#### Awards and Honorable Recognitions

Multiple supplier recognition awards for Factory Pipe from Polaris Industries for Quality, Cost Reduction and On Time Delivery and Supplier of Excellence awards.

#### Volunteer Work

Generally limited to local political advocacy and those other items listed in "Professional Experience" above.

#### Other accomplishments:

My locally visible accomplishments would be growing Factory Pipe, LLC to be a significant employer bringing 60+ or so basic industry jobs to our community and, of course, buying the old Masonite site, rehabilitating the buildings and developing an Industrial Park there encouraging further job creation by others.

Factory Pipe successfully competes against companies in low cost countries (Malaysia, China, Mexico) while providing top of market compensation packages for our employees. It is my goal to grow Factory Pipe in the next few years to 3 times our current size and head count and the move to the old Masonite site is part of that plan.
