Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have worked as a volunteer EMT/ Firefighter for Anderson Valley Fire Dept. and Ambulance since 2010. I was previously the Assistant Manager for Anderson Valley Ambulance prior to the agency's merger with Anderson Valley Community Service's District/ Fire Dept last July. I am currently a member of the CSD's EMS subcommittee. As part of EMS service in Anderson Valley I have seen the impacts of mental health crises directly on friends, neighbors, and EMS providers. I would like to help to address these situations in a more preventative manner. Participation with this committee seems like a good way to help. Additonally, it is an opportunity to learn more about the initiative as it develops, while assisting Anderson Valley residents in staying informed about the process. I can provide references or other documentation upon request. Feel welcome to contact me by phone/email any time. Thank you.
