TO: HONORABLE BOARD OF SUPERVISORS
FROM: SHARI L. SCHAPMIRE, TREASURER-TAX COLLECTOR
SUBJECT: INVESTMENT REPORT – MARCH 31, 2018

Attached herewith is a listing of all investments held by the Mendocino County Investment Pool as of March 31, 2018. The investments have been made in accordance with the Investment Policy and are permitted investments according to current California law. Due to the nature of a public funds portfolio, it is mandatory that moneys be available to meet the monetary requirements inherent to operating a public entity. The attached Investment Report demonstrates that sufficient liquidity is available to meet anticipated expenditures during the next six months.

The primary and overriding objective for the investment pool is to protect the safety of the principal. The second objective is to ensure a sufficient portion of all funds are invested in securities providing a high degree of liquidity and availability. The third objective is to obtain a yield commensurate to current conditions; yield shall not be the driving force in determining which investments are to be selected for purchase. In the event all general objectives mandated by State law are met and created equal, investments in corporate securities and depository institutions will be evaluated for social and environmental concerns.

At its March 21, 2018 meeting, the Federal Open Market Committee (FOMC) raised the fed funds target rate to a range of 1.50%-1.75%. Projections include two more rate hikes before the end of the calendar year. Excluding food and energy, inflation continues to run below 2.0%; however, projections include a slight uptick in the coming months. The portfolio should continue to experience a modest increase in interest apportionment rates as we move through the calendar year.
