Section 10A.17.080 Permit Phases and Requirements Specific to each Phase

Unless specifically exempted, in addition to compliance with all other requirements of this Chapter, all Permits shall comply with the following requirements:

(B) Requirements specific to Phase One Permits.

- (4) Multiple Permits may be applied for and granted on a single legal parcel that is owned by multiple persons ~~residing in separate habitable dwelling units on that legal parcel.~~ Each owner may individually apply for a Permit to cultivate cannabis for medical use, provided that each owner must provide proof of prior cultivation pursuant to paragraph (B)(1) above. Each owner shall be limited to a Type C, Type C-A or Type C-B Permit, unless that owner was previously enrolled in a permit program pursuant to the County's Chapter 9.31, or unless the cumulative total square footage of plant canopy applied for by all owners does not exceed the maximum square footage permitted on a parcel for the relevant zoning district.
