

**COUNTY OF MENDOCINO
FUNDING ALLOCATION AGREEMENT**

This Agreement, dated as of August 21st, 2018, is by and between the COUNTY OF MENDOCINO, hereinafter referred to as the "COUNTY", and City of Ukiah (Fire Department), hereinafter referred to as "FIRE AGENCY". The term of this agreement shall commence on the date this agreement is executed by the County and shall continue until June 30, 2019.

WHEREAS, the City of Ukiah (Fire Department), has been identified to provide the inhabitants, within Agency Boundaries, with protection against fire; and

WHEREAS, in 1992 the State of California implemented the Education Revenue Augmentation Fund (ERAF) "shift", which reduced city, county, and some special districts' revenue to provide funding for schools, causing an annual revenue loss to cities and some special districts and over \$14.35 million loss to Mendocino County;

WHEREAS, in an effort to reduce the impact of the ERAF shift the voters of California passed Proposition 172 in 1993, which provides public safety funding to cities and counties that provide police protection, prosecution, corrections, probation, fire protection, and/or coastal life guard services;

WHEREAS, the Mendocino County Board of Supervisors allocated the Proposition 172 revenue to the eligible functions that are provided directly by the County, which are the Sheriff, Jail, District Attorney, and Probation;

WHEREAS, Fire Agency is authorized by law to provide fire protection;

WHEREAS, California Government Code section 26227 provides that the Board of Supervisors of any county may appropriate and expend money from the county's general fund to finance programs deemed to be necessary to meet the social needs of the population of the county, including, but not limited to, the areas of health, law enforcement and public safety;

WHEREAS, Fire Agency has requested funding from the County, through the Mendocino County Association of Fire Districts, for support of fire protection (Attachment A);

WHEREAS, the Mendocino County Board of Supervisors has agreed to appropriate a portion of the total County Proposition 172 public safety sales tax revenue to certain local fire agencies for support of fire protection services in Fiscal Year 2018-19. Local fire agencies are defined as local Government entities or tax exempt 501(c)(3) organizations authorized by California Statutes to provide first response fire, rescue, and EMS public safety services to the general public. Additionally, these agencies must (1) participate in the Mutual Aid Coordinating System and have an assigned MACS ID

Agency Designator, and (2) be regularly dispatched by the Emergency 911 dispatch center; and

WHEREAS, the Mendocino County Association of Fire Districts has submitted a distribution formula, to which the Board of Supervisors has agreed and approved, for the appropriation based on a minimum distribution for each Fire Agency plus a variable distribution based on estimated population in the area serviced by the agency.

NOW, THEREFORE, the parties agree as follows:

1. The County agrees to appropriate a portion of the County's Proposition 172 revenue and other funding, in Fiscal Year 2018-19, to local fire protection agencies as defined above;
2. The County accepts the Mendocino County Association of Fire Districts' distribution formula, as attached hereto, and incorporated herein (refer to Attachment A);
3. The County agrees to make a lump-sum, one-time payment to Fire Agency (for an amount not to exceed Fifty One Thousand Six Hundred Fifty Five Dollars (\$51,655));
4. The Fire Agency agrees to utilize the funds only for the purpose of local fire protection services;
5. The Fire Agency agrees to provide the County with a copy of its budget and revenue and expenditure detail for Fiscal Year 2018-19, which includes a clear accounting of where the funding is appropriated in the Fire Agency budget and its intended use. Accounting records of Fire Agency shall be kept in a manner approved by the County Auditor-Controller and shall be open to inspection by the County Auditor-Controller at any time during business hours for the purpose of determining whether the funds were utilized only for the purpose of fire protection services as required;
6. The term of this agreement shall commence on the date executed by the County, but only for the purposes of providing funding support for fire protection services by the Fire Agency in the current fiscal year;
7. The Fire Agency is a separate legal entity from the County with respect to all matters set forth in this agreement. This agreement is not intended, and shall not be construed to create the relationship of agent, servant, employee, joint venture, joint powers, or association between Fire Agency and County;
8. The Fire Agency agrees to cooperate and supply any documentation reasonably necessary for the convenience and information of the County;

9. The Fire Agency shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever including damages to property and injuries to, or death of persons, reasonable attorney's fees, expert fees and court costs occurring or resulting, or alleged to be occurring or resulting, to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connections with the Fire Agency's performance or its obligations as a provider of fire protection services, and from any and all claims, liabilities, and losses occurring or resulting, or alleged to be occurring or resulting, to any person, firm, or corporation for damage, injury, or death arising out of or connected with the Fire Agency's performance of its obligations as a provider of fire protection services.
10. The Fire Agency's shall comply with any and all applicable federal, state and local laws affecting the services covered by this agreement;
