I spent five years/10,000 plus hours as a volunteer with the American Red Cross. I am a former volunteer Firefighter/Engineer/EMT-1A with Ophir Hill Fire Protection District. I was a member of the HazMat sub-committee for Nevada County. More recently I worked seventeen years in Information Services for Sutter Health. Primarily/simultaneously in network architecture, network engineering and network security. I was the I.S. lead on one billion plus dollars of hospital construction projects. Currently I am retired because of disabilities both physical (muscular dystrophy) and mental (major depression and generalized anxiety). I am being treated by a Sonoma county Psychiatrist and a local therapist/LCSW.
