To the Mendocino County Board of Supervisors:

I am a property owner on Deerwood Drive within the proposed Cannabis Prohibition Combining District (CPCD), and I strongly support this program and proposed zoning changes.

I feel that commercial cannabis production is not appropriate in our neighborhood. The neighborhood is purely residential in nature, road access is limited, and there are currently no commercial or industrial operations anywhere in the neighborhood. Water quotas can also be a problem during dry years.

Our neighbors all know each other, and have cooperated to form a Fire Safe District as well as meeting for other discussions and social events. That 94% of us voted in favor of this district is no accident -- we all love our neighborhood, and want to protect its peaceful and residential qualities.

I appreciate the work of the Planning Commission and consultants. They have worked hard to take into account the wants and needs of current residents. Please support their hard work, and the will of the residents, and vote to approve the Deerwood CPCD. Thank you for the opportunity to comment.

Sincerely,

Marc Levine
