call 367-4254
when full

TO: The Mendocino County Board of Supervisors:

WHEREAS: We request that all the Building and Planning fees be waived for victims of the Valley Fire of October 2017 who are rebuilding. The fees for a building permit, some over \$6,000.00, are incredibly burdensome to homeowners who must also pay the extremely high costs of implementing new state and county building codes.

WE, the undersigned, petition the Mendocino County Board of Supervisors as follows:

WAIVE Building and Planning permit fees for all fire victims of the Redwood Valley and Potter Valley who are rebuilding due to the Valley Fire of October 8/9, 2017.
