Subject: GMO in Mendo County

Hello,

I understand that there will be a discussion and possibly a vote about GMO in Mendocino County at the meeting on Tuesday, Feb 5.

As a voter in Philo, I wish to register my support for continued ban of ALL GMO products in Mendocino County. I think the ban should apply EVERYWHERE, including but not limited to:

- * Cannabis cultivation
- * Cannabis product manufacture
- * Cannabis product sales
- * Wine cultivation, manufacture, sales
- * Nursery sales - NOTE: I have noticed that Costco regularly sells trees, bulbs, seeds and plant plants that ARE GMO in violation of local law
- * Grocery stores & Pharmacy stores
- * Other stores too numerous to mention

Thank you,

Dawn
