RE: RN_2018-0002 GOLDEN RULE CHURCH ASSOCIATION

The applicant, Brian Bartholomew, together with the Department of Planning and Building Services has submitted a petition to adopt names for the network of roads that currently serve the Golden Rule Church Association property. Currently there are only two addresses assigned to the general areas; 16100 N. Highway 101 for the mobile home park, and 16200 N. Highway 101 for everything else.

The church parcels are home to two single family residences, at least eight multi-family apartment units, a school, a community building and the church itself. The Church Association has its own on-site volunteer fire and medical team, but adoption of the individual road names and subsequent addressing will greatly improve the ability for mutual aid and outside services to respond in time of crisis.

All parcels subject to this naming are owned entirely by the Golden Rule Church Association, and they have submitted the appropriate paperwork with Mr. Bartholomew acting as the agent. Staff is recommending approval of the project as proposed.
