Dear Ted:

Each year, the Elk Volunteer Fire Department organizes a parade on Highway One through Elk preceding the Great Day in Elk town fair and fundraising event for the Elk Community Center. In order to obtain a permit from Cal-Trans for the parade, a letter of support is required from the CHP and Sheriff, along with a resolution from the Board of Supervisors and a certificate of insurance from our insurance carrier.

Would it again be possible to get a resolution of support again for this years parade? The event this year is scheduled for Saturday, August 24th at noon. Traffic control is provided by the firemen often with help from the Sheriff and CHP.

Please address the resolution to:
