

# Meet our Office

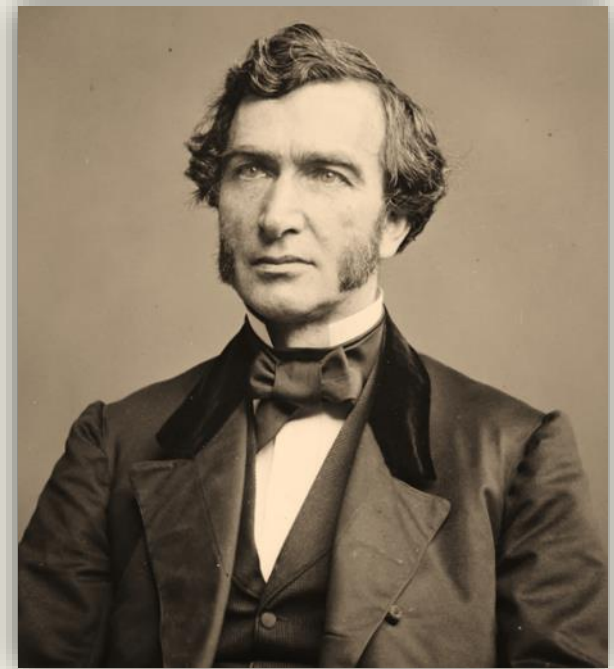

Glenn McGourty, County Director  
Winegrowing and Plant Science Advisor  
University of California Cooperative Extension  
Mendocino County

# The Land Grant Universities

- Created by the US Congress Morrill Act, 1862
- Mission: to teach agriculture, military tactics, and the mechanic arts as well as classical studies so members of the working classes could obtain a liberal, practical education.

# The Morrill Act 1862

- Each state received land and money
- California creates UC Berkeley in 1868
- UC purchases Davisville farm for university farm school 1906
- Citrus Experiment Station in Riverside in 1917
- 1959: UCD and UCR become general campuses

Justin Smith Morrill,  
Senator from Vermont

# The Smith-Lever Act 1914

- Cooperative Extension Service created
- Collaboration between USDA, Land Grant Schools and counties that want to participate
- Extend information to communities on agriculture, natural resources, home economics and youth development (4-H)

Woodrow Wilson  
signs Smith-Lever Act

# UCCE Comes to Mendocino County 1918

- First, to have a farm advisor, county farm bureaus needed to be formed. Mendocino County Farm Bureau organized in 1917
- Board of Supervisors approves petition by farmers in Dec. 10, 2017 for Farm Advisor
- Charles Myszka reports in January 2018 as first farm advisor

# Our Mission Today

- Assist our community partners to address local issues and solve challenges by extending impartial research based information in agriculture, natural resources, 4-H youth and community development
