Re: Investment in Mental Health Wellness Grant Program 3rd Round funding to Mendocino County

Ms. Weaver,

The County of Mendocino intends to use Measure B Mental Health Treatment Act Funding in coordination with the Investment in Mental Health Wellness Grant Funding of \$500,000 to develop a Crisis Residential Treatment Program. Meeting the milestones of the Grant Agreement is a priority of Mendocino County and is a consideration in making a decision regarding the award.

Thank you for your consideration,

Jenine Miller, Behavioral Health and Recovery Services Director
