## Special Expertise, Experience, or Interest in This Area?

---

As an elementary school teacher for UUSD I served as a science mentor and helped establish and have continued to be active with the Redwood Valley Outdoor Education Project. I am currently on the board of the local chapter of the Sanhedrin chapter of the California Native Plant Society. I am a long term landowner of a once forested 160 acres which suffered from the 2017 fires and am very interested in how to best help my land recover.
